

Welcome to 4th Grade

Dear Parent(s),

Congratulations on being the parent of a brand-new 4th grade student. A great learning experience is built on a cooperative effort between parent, child, and teacher. With your participation in and out of the classroom we can look forward to a productive, creative, and fun year together.

The following is a list of 4th grade school supplies. **NO TRAPPER KEEPERS**...they are too big to fit inside the student desks.

| Quantity | Item | Purpose |
|------------------|--|--|
| 1 | 1 ½ inch three ring VIEW* binder *you can insert a paper in the front | This binder will become an iPod and hold important information for both you & your child. Keeping this organized will help your child be successful during his/her 4th grade career. |
| 10 | paper sheet protectors | These will be used for spelling & vocabulary lists, study guides, classroom schedule etc. |
| 1 | mesh binder pocket (mesh pencil pouch) | This is where students will keep their pencils and erasers. |
| 2 | 2 Pocket Polypropylene Portfolios Plastic Folders - NO PRONGS | These durable plastic folders will be used to organize school papers at school, home and in between. |
| 1 | box of colored pencils | Colored pencils will be used in science class. |
| unlimited supply | pencils and erasers | These items will be used all the time. |
| 1 | Pair of earphones (in a Ziploc bag with child's name on it) | These will be used in the computer lab. |

Other suggested donations would be greatly appreciated: tissues, Lysol wipes, and Expo markers.
