Start: 6:15 p.m.

End: 6:41 p.m.

Date: September 25, 2018

From: Mark Elphinstone

RE: Activities & Athletic Committee Meeting September 25th 6:00 p.m.

1. **Sports Numbers Update 18/19:** Talked about ms parent concerns about boys soccer numbers and members of the Athletic committee knew all concerns were looked into and were taken care of. Teams if they need to cut will do in the future like we did in the past. Happy with numbers for HS/MS
2. **Ticket Sales Winter Sport Pass:** Winter Season Pass Adult- \$50, Student-\$20.00. Committee members will bring to the board to have a winter pass for all sports B Basketball, G Basketball, Wrestling and swim for either \$50.00, \$60.00 or \$70.00. Cost to buy an individual season pass for all 4 sports is \$100.00. I will also reach out to school about family passes for next school year.
3. **Dugout Windows:** Concern that people are climbing through windows onto the field. Committee would like to see fence put into the open windows to keep people off the field and out of the dugouts. Also possibility of shop class doing wooden shutters.
4. **Fall Bids 19:** Permission from the board to be able to begin Fall 2019 bid process and put add in the paper in December/January Committee was good with recommending this.

Also talked about new blocks for the pool, this was brought up at last year's facilities and athletic meeting. Looks like I will have the money to purchase 3 before the season and the other 3 after. If not I budgeted for it in the 19/20 swim budget
