POLICY NO. 910 COMMUNITY RELATIONS		
1. Purpose	The Board of School Directors feels it is imperative that communication be maintained in both directions between the public schools of the District and such local institutions, organizations and groups as industry, business, labor, charity and other special interests which make up the structure of the community.	
2. Authority	The Board has authority over the pupils in its care but shares that authority to a limited extent through the cooperative training programs that take certain pupils into the community during part of their educational career. To make those experiences meaningful, the Board feels cooperation is essential with the community.	
3. Delegation of Responsibility	Any programs which develop from community cooperative efforts require Board approval prior to implementation if given for credit.	SC 1808 Title 22 Sec. 6.23
