

Education Committee

Meeting Minutes

October 26, 2017

5:30 p.m. Board Room

Chairperson: Ms. Lindsey

District Liaison: Dr. Varley

- I. MS Activities Survey Results – Survey results were shared with the Education Committee, in case new activities are pursued in the future
- II. Strings Survey Results – 64 students indicated interest in participating in a possible Strings program. The Committee granted permission for a proposal to be developed. The music department will plan to visit Bethel Park.
- III. Level 5 World Languages – Permission was granted to include the courses in the Program of Studies. Courses will only run if they have 12 students and do not require a teacher stipend
- IV. Assessment Results – Assessment results were shared. Dr. Varley will investigate if additional information is available about what school new 6th grade students attended
- V. Next date
November 16
