District's extracurricular activities or interscholastic athletic programs.

**Section 2**

**Guidelines**

Charter and cyber charter school students shall be given an equal opportunity to compete for positions and participate in extracurricular activities and interscholastic athletic programs.

A charter or cyber charter school student may only participate in extracurricular activities and interscholastic athletic programs at the school building the student would normally be assigned to if he/she was enrolled in the school district.

If a class for credit held during the school day by the District is required for participation in activities that take place outside of the class, charter/cyber charter students shall not be eligible to participate in such activities.

The following guidelines shall govern participation in the District's extracurricular activities and interscholastic athletic programs by eligible charter and cyber charter school students, who shall:

1. Meet the same eligibility criteria required of district students, in accordance with applicable Board policies and administrative regulations.
2. Maintain appropriate insurance coverage, consistent with the coverage requirements for district students.
3. Comply with Board policies and school rules and regulations regarding extracurricular activities, interscholastic athletics, and student discipline.
4. Comply with policies, rules and regulations of the activity's governing organization.
5. Meet attendance and reporting requirements established for all participants of the activity or program.

6. Meet the requirements for physical examinations, physical fitness and any height and/or weight restrictions.
7. Comply with all requirements and directives of the District staff, coaches and administrators involved with the extracurricular activity or interscholastic athletic program.

**Section 3**

**Delegation of Responsibility**

The building principal or designee shall receive and review written verification from the charter or cyber charter school that a student has met and continues to meet the established eligibility criteria for an extracurricular activity or interscholastic athletic program.

The District shall distribute information regarding eligibility criteria and student participation in extracurricular activities and interscholastic athletics to all affected by them.

The District shall develop a procedure to ensure that the charter and cyber charter students have access to information regarding the District's extracurricular activities and interscholastic athletic programs.
