103 – Nondiscrimination in School and Classroom Practices

- Many of the revisions are due to PSBA’s recommendation that this policy be merged with Policy 248 (Unlawful Harassment of Students by Employees).
- Add reference to attached report form under Guidelines, Step 1.
- Add wording to the attached reporting form (103-AR-1) indicating that it is to be completed to the best of one’s knowledge of the situation. It is okay to leave fields blank if you don’t know the details.
- Ready for first reading with revisions.

103.1 – Nondiscrimination- Qualified Students with Disabilities

- Change reference from policy 848 to policy 103 and 104.
- The attached forms are not ever mentioned in the policy text. Reference the form(s) where appropriate. There are 4 attached forms from PSBA, but a couple appear more as internal forms than ones that should be attached to the policy on the website.
- Ready for first reading with revisions.

104 – Nondiscrimination in Employment and Contract Practices

- New name is “Nondiscrimination in Employment Practices”.
- Reference reporting form in policy.
- Add wording to Report Form similar to Policy 103.
- Ready for first reading with revisions.

228 – Student Government

- Add school principal and superintendent to list of people whom the student government may petition.
- Modify the wording on number 4 since it is not likely there is a “charter”. All actions need to be consistent with district policies and procedures.
- Ready for first reading with revisions.

854 – Assignment and Transfer

- The Board doesn’t generally approve Transfers. Check the school code reference and with Solicitor on this matter.
- Change reference from “No Child Left Behind” to “Elementary and Secondary Education Act”.
- Ready for first reading.

855 – Abolishing a Position

- Ready for first reading.

856 – Suspension and Furloughs

- Due to recent changes in the school code, PSBA will likely send out a more updated version of this policy. Will discuss then.
