Section 3

Delegation of Responsibility

Each teaching staff member shall conduct the assigned planned instruction in accordance with the guide. Any deviation from its content must be approved in advance by the Assistant to the Superintendent for Student Achievement.

Each guide shall be construed as providing a basic framework for the planned instruction. Within this framework, each teacher shall use the guide to meet the needs of students.

Each teacher shall use the planned instruction guide as the core of the course s/he has been assigned to teach.

The Superintendent or designee shall direct the preparation of guides, and shall develop administrative regulations for such preparation which include:

1. Participation by appropriate staff members and resource personnel.
2. Input by students and community members.
3. Continuing research in instructional methods, materials, activities and assessment strategies.
4. Systematic review of all guides to ensure their continuing effectiveness in achieving established academic standards.

A system of administrative review shall be implemented to ensure that guides are being followed by teaching staff members to the degree of conformity required.

Copies of all current guides for planned instruction shall be kept electronically in the office of the Assistant to the Superintendent for Student Achievement.
