<tr>
<td>Section 1</td>
<td>The Board shall provide homebound instruction to students confined to home or hospital for physical disability, illness, injury or when such confinement is recommended for psychological or psychiatric reasons. The period of homebound instruction for an individual shall not exceed three (3) months.</td>
<td>Applications for individual instruction shall certify the nature of the illness or disability by a licensed practitioner, state the probable duration of the confinement, and be approved by the Superintendent or designee.</td>
<td>The Board shall provide homebound instruction only for those confinements expected to last at least ten (10) school days. Exceptions may be recommended by the Superintendent.</td>
</tr>

Title 22 Sec. 11.25, SC 1329

Title 22 Sec. 11.25

The program of homebound instruction provided to each student shall be in accordance with the standards established by the state.
POLICY NO. 117
HOMEBOUND INSTRUCTION

The Board reserves the right to withhold homebound instruction when any one (1) of the following occurs:

1. The instructor’s presence in the place of a student’s confinement presents a hazard to the health of the teacher.

2. A parent/guardian or other adult in authority is not at present with the student during the hours of instruction.

3. The condition of the student is such as to preclude his/her benefit from such instruction.
