successful final completion of regular curricular requirements. In order to ensure a student's continued eligibility to participate in extracurricular activities, administrators, coaches and sponsors shall evaluate each student's academic work, attendance and behavior according to established administrative regulations. Weekend/holiday participation in any extracurricular activity requires that a student must attend at least one-half of the school day immediately preceding the weekend/holiday. Students will not be penalized if school is cancelled. Students missing more than one-half the school day must have a valid doctor's excuse (i.e. for sickness, well-care visit for chronic conditions, stipulation in a 504 plan) to participate.

With regards to any extracurricular activity that would involve a selection process, the selection of student participants will be conducted in a fair and consistent manner. The selection procedure(s) will be communication to the students and their person in parental relation in a timely fashion.

The responsibility for conducting a student activity, including the tryout/selection process, rests with the sponsor/coach, under the supervision of the building principal(s), and in accordance with the following guidelines:

3. Tryouts will be held at reasonable dates, times, and places.

**POLICY NO. 122  
EXTRACURRICULAR ACTIVITIES**

4. Students will be informed of the criteria to be used in the selection process, as well as the relative importance of the various criteria, in a reasonable time prior to the tryouts.
5. All students who try out will be given equal opportunity to demonstrate their skills and abilities.
6. A fair, reasonable, and to the extent possible, objective system of judging will be used by the sponsor/coaches in selecting the students. Judging can be done either individually by the sponsor/coaches or by the use of other qualified and competent judges if the sponsor/coach so desires.
7. Students may participate in more than one (1) activity even if these activities occur at the same time of the year. A mutually agreeable arrangement must be made by the student and all sponsors/coaches involved. If sponsors/coaches cannot agree to mutually agreeable arrangement, the conflict will be resolved by the administration, which includes the possibility that the student may need to make a choice between the two (2) activities.
8. Students not selected for an activity will be notified in a timely manner. Whenever possible, they will be informed of their areas of strengths/weaknesses so that the student can work to improve the areas of weakness in order to increase the possibility of selection in future tryouts.

The Board encourages secondary level students to pursue clubs and interests that may not be related directly to any of the curriculum programs offered in the District. In pursuit of such goal and in compliance with law, the Board maintains a limited open forum in which secondary students may meet for voluntary student-initiated activities unrelated directly to the curriculum, regardless of the religious, political, philosophical or other content of the speech related to such activities.
