POLICY NO. 216.1
SUPPLEMENTAL DISCIPLINE RECORDS

Section 1 Authority

The school district shall maintain required records concerning adjudicated students and transfer students disciplined for offenses involving weapons, alcohol, drugs and violence on school property in accordance with applicable law.

Section 2 Guidelines

Adjudicated Students

Applicable law requires a court, through the juvenile probations department, to provide the building principal with information concerning the adjudication of an enrolled student. Such reports are required to include a description of delinquent acts committed by the student, disposition of the case, probation or treatment reports, prior delinquent history, the supervision plan, and any other information deemed necessary.

The building principal or his/her designee must share this information with the student’s teacher and the principal of another school to which the student may transfer.

Required reports concerning an adjudicated student shall be maintained separately from the student’s official school record.
