	<p style="text-align: center;">POLICY NO. 256 ANTI-BULLYING/CYBERBULLYING</p> <p>Section 1 <u>Purpose</u></p> <p>The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.</p> <p>The Keystone Oaks School District recognizes that a student's ability to learn, and the District's ability to safely educate its students, is adversely affected by bullying. The School District seeks to avoid these adverse effects, maintain the safety of the school environment and provide opportunities to rehabilitate a student who has engaged in bullying.</p> <p>Section 2 <u>Definitions</u></p> <p>Bullying means shall be defined as an intentional and unwelcome electronic (cyber), written, verbal, or physical act, or series of acts directed at another student or students, which occurs in a school setting that is severe, persistent, or pervasive and has the effect of doing any of the following: that has these characteristics:</p> <ol style="list-style-type: none"> 1. ANTI-BULLYING/CYBERBULLYING

~~3. It has the effect of:~~

1. Substantially interfering with a student’s education.
2. Substantially disrupting the orderly operation of the school.
3. Creating a threatening environment.

Bullying, as defined in this policy, includes cyberbullying.

~~3.~~
4. ~~Occurs in a “school setting.”~~ **“School setting ”** shall mean in the school, on school grounds, in school vehicles, on contracted school vehicles, at a designated bus stop, or ~~at~~**during** any activity sponsored, supervised, or sanctioned by the school and/or District. **This shall also include hours in which a student would be considered “present” during synchronous virtual instruction, anytime a student is using a district owned device, is on the district network and/or using a district provided learning management platform.**

~~5.~~
The District reserves the right to investigate acts of bullying that occur outside the school setting if those acts meet the **definition of bullying requirements of number 3** (above).

~~Examples of bullying include, but are not limited to physically, emotionally or mentally harming a student; damaging, extorting or taking a student’s property; placing a student in reasonable fear of physical, emotional or mental harm; placing a student in reasonable fear of damage to or loss of personal property; creating an intimidating or hostile environment that substantially interferes with a student’s education opportunities; or perpetuation of conduct by an individual or group, with the intent to demean, and/or dehumanize a student.~~

~~**Cyber harassment of a child** is a form of bullying. A person commits the crime of cyber harassment of a child if, with intent to harass, annoy or alarm, the person engages in a continuing course of conduct of making any of the following by electronic means directly to a child or by publication through an electronic social media service:~~

POLICY NO. 256
ANTI-BULLYING/CYBERBULLYING

Students are encouraged to use the District’s report form (103-AR-1), available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that verbal and written complaints of bullying shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of bullying brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be bullying under this policy but merits review and possible action under other Board policies.

Title IX Sexual Harassment and Other Discrimination

Every report of alleged bullying that can be interpreted at the outset to fall within the provisions of policies addressing potential violations of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of a bullying investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged bullying.

Confidentiality

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint and the investigation shall be handled in accordance with applicable law, regulations, this policy and the District’s legal and investigative obligations.

Retaliation

Reprisal or retaliation relating to reports of bullying or participation in an investigation of allegations of bullying is prohibited and shall be subject to disciplinary action.

The Superintendent or designee shall develop administrative regulations to implement this policy. In addition, the Administration will develop procedures for training all employees, including chaperones and sponsors on the Policy.

The Superintendent or designee shall ensure that this policy and administrative regulations are reviewed annually with students.

SC 1303.1-A

The Superintendent or designee, in cooperation with other appropriate administrators, shall review this policy every three (3) years at a minimum and recommend necessary revisions to the Board.

SC 1303.1-A

District administration shall annually provide the following information with the Safe School Report:

SC 1303.1-A

1. Board's Bullying Policy
2. Report of bullying incidents
3. Information on the development and implementation of any bullying prevention, intervention or education programs.

The Administration is directed to evaluate the need, if any, for District-wide or building-level evidence-based bullying prevention programs, and to report its findings to the Board ~~of School Directors~~ with appropriate recommendations.

The Administration is directed to continue to assess, and to make recommendations to the Board ~~of School Directors~~, for any appropriate changes to existing intervention programs and practices in place to address the needs of students who are bullied, and the issues relating to students who engage in bullying.

~~It shall be a violation of District Policy for any student or adult to engage in, encourage and/or condone, or communicate, any form of bullying. It shall also be a violation of Policy for any employee, approved volunteer or chaperone of the School District to encourage and/or condone, through action or lack of action, any form of bullying. This prohibition shall apply to all acts of bullying that occur on school district property, at school district functions (whether on school property or not), and/or on school district provided transportation. In addition, cyber harassment is a criminal offense under PA Act 26 of 2015 and may be deemed to have been committed at the place where the child who is the subject of the communication resides.~~

~~School District employees are required to report alleged violations of this Policy to the Building Principal or the Superintendent in accordance with the procedures set forth herein.~~

~~Dissemination of Policy~~

~~This Anti-bullying Policy will be disseminated annually to all school staff, students, and parents. It will be distributed each year to all students with a copy of the Code of Student Conduct or will be incorporated into the Handbook. Building administrators will develop a procedure for discussing the Policy with students in individual buildings. The Policy will also be posted on the District web page and published at a minimum of once each year in a District publication and be made available in every classroom. Information on the Anti-bullying Policy will also be incorporated in training programs for all new school employees, as well as being referenced in the staff handbooks.~~

- ~~4. The results of the fact finding investigation, including any recommended action will be shared with the Complainant and with the Accused.~~
- ~~5. If the Building Principal has conducted the investigation, he/she shall report his/her findings to the Superintendent. The Superintendent may consult with the Solicitor or special counsel as appropriate, in instances where disciplinary action is contemplated.~~
- ~~6. If the investigation results in a finding that a student has engaged in bullying in violation of this Policy, the Building Principal shall determine the appropriate discipline to be imposed, which may include, but not be limited to, suspension from school, or a recommendation to the Superintendent that the student be expelled from school following a hearing before the Board. In determining the level of discipline to be imposed, the Building Principal shall consider:
 - ~~a. The prior disciplinary record of the student perpetrator.~~
