Title SCHOOL GUIDANCE COUNSELING

Adopted AUGUST 21, 1989

Revised FEBRUARY 16, 1998

POLICY NO. 112

SCHOOL GUIDANCE COUNSELING

Section 1 Purpose

A program of School Counseling is an integral part of the educational program of the schools. The goals give focus to the school counseling program by:

1. Supporting the District’s Comprehensive Plan to promote and enhance the learning process for all students through an integration of academics, career, and personal/social development.

2. Assisting all students in achieving their optimum educational potential.

3. Guiding students to significantly benefit from the offerings of the educational program.

4. Assisting teams to identify factors that impact learning and determine a course of action to provide appropriate support.

5. Aiding students in recognizing options and make informed choices in career and academic educational planning.

6. Upholding the ethical standards specified by the State of Pennsylvania and prescribed by the American School Counseling Association (ASCA) and the American Counseling Association (ACS).

e. cooperates with parents and shares their concern for the development of the student;

f. provides means for such sharing of information among appropriate staff members as may be in the best interests of the student;

g. is available equally to all students; and

h. establishes a referral system which utilizes all the aid the schools and community offer, guards the privacy of the student and monitors the efficacy of such referrals.

Section 42 Guidelines Objectives

The District’s program of School Counseling shall:

The general objectives of the guidance services are as follows:

1. Involve staff members at every appropriate level.

2. Honor the individuality of each student.

3. Be integrated with the total educational program.

4. Be coordinated with available resources of the community.

5. Collaborate with parent(s)/guardian(s) and share their concerns for the development of the student.

6. Provide means for sharing information among appropriate staff members in the best interests of the student.

7. Be available equally to all students.

8. Establish a referral system that utilizes resources offered by the school and community, guards the privacy of the student, and monitors the effectiveness of such referrals.

TUTORIAL INSTRUCTION

Section 1  Purpose

The Board recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the District—some students may require special help for some students beyond the regular classroom program.

Section 2  Authority

When the student’s learning needs are sufficient to warrant help beyond the ordinary classroom instruction, special instruction and services may be utilized. This determination will be made through joint consultation of the classroom teacher, parent/guardian, and the appropriate representative of the administration. Said programs shall include:

a. Ongoing communication among administration, teaching staff members, and parent(s)/or guardian(s) of students/pupils and

b. Evaluation procedures which measure student/pupil achievement related to such educational program objectives and standards.

Section 3  Guidelines

Wherever possible within the working day, each teaching staff member shall assist assigned students in the remediation of individual learning difficulties. In cases where extra help is desirable and the parents/guardians

request such assistance, the building principal or designee may recommend that the parents/guardians secure tutorial services for the student from a list of available tutors maintained by the school.

**Excusal From School**

Upon the written request of the parent/guardian, a student may be excused during school hours for tutoring in a field not offered in the district curriculum if such excusal does not interfere with the student’s regular program of studies.

The tutor's qualifications must be approved by the Superintendent.

The District may establish reasonable conditions for excusal of a student for such tutoring.

**Private Tutoring**

The instructional program for students not enrolled in public schools due to private tutoring by a properly qualified private tutor shall comply with state law and regulations.

A properly qualified private tutor shall mean a person who is certified by the Commonwealth to teach in Pennsylvania public schools; who is teaching one (1) or more children who are members of a single family; who provides the majority of instruction to such child or children; and who is receiving a fee or other consideration for instructional services.

Each private tutor shall file with the Superintendent a copy of his/her Pennsylvania certification, state and federal criminal history information and child abuse history clearance. No person who would be disqualified from school employment by the provisions of 24 P.S. § 1-111(e) may be a private tutor.

Annually, the parent/guardian shall provide written assurance to the Superintendent that all instructional requirements are being met.

If the Superintendent receives a complaint that a student is not

d. Classroom teacher availability by arrangement prior to the school day during “access period” and/or after the school day.
d. Peer tutors by arrangement through guidance office.

The School District supports Project HELP (Higher Expectation Learning Program) at the Keystone Oaks High School. This program allows college students from area Universities who are majoring in education to tutor students who are having
difficulties in specific subjects that are required for graduation. Students enter the program strictly on a voluntary basis.

The School District supports peer tutoring efforts organized through the guidance department and with the support of the classroom teacher.

Section PROGRAMS
Title HOMEBOUND INSTRUCTION
Adopted AUGUST 21, 1989
Revised FEBRUARY 16, 1998

POLICY NO. 117
HOMEBOUND INSTRUCTION

Section 1 Authority Purpose

The Board shall provide, pursuant to the rules of the State Board of Education, individual homebound instruction to students confined to home or hospital for physical disability, illness, or injury; or when such confinement is recommended for psychological or psychiatric reasons or extended suspensions. The period of homebound instruction for an individual shall not exceed three (3) months.

Title 22 Sec. 11.25, 13.14
SC 1329

Section 2 Delegation of Responsibility Eligibility

Applications for individual instruction shall certify the nature of the illness or disability by a licensed practitioner of the healing arts and state the probable duration of the confinement, and be approved by the Superintendent or designee. Absences of at least ten consecutive days or more of school must be indicated to initiate homebound instruction.

The Superintendent or designee may request approval from the Department of Education to extend the period of homebound instruction for an individual, which shall be reevaluated every three (3) months.

The status of students receiving homebound instruction shall be reevaluated every ninety (90) days.

Title 22 Sec. 11.25
Title 22 Sec. 13.16
POLICY NO. 117
HOMEBOUND INSTRUCTION

Section 3  Guidelines

The Board shall provide homebound instruction only for those confinements expected to last at least ten (10) school days. Exceptions may be recommended by the Superintendent.

The program of homebound individual instruction provided given to each student shall be in accordance with the standards established by the state Secretary of Education. The focus of the program is to help students absent due to extended illness keep up with their work.

The Board reserves the right to withhold homebound individual instruction when any one (1) of the following occurs:

1. The instructor’s presence in the place of a student’s confinement presents a hazard to the health of the teacher.

2. When a parent/guardian or other adult in authority is not at present home with the student during the hours of instruction.

3. The condition of the student is such as to preclude his/her benefit from such instruction.

POLICY NO. 146
STUDENT SERVICES

Section 1  Authority

The Board directs that every six (6) years, the District shall develop a written plan for implementing a comprehensive and integrated K-12 program of student services, based on the needs of students. The plan shall be made available for public inspection and comment in the district’s administrative offices and on the district website for a minimum of twenty-eight (28) days prior to approval by the Board.

The Board directs that the student services plan shall be reviewed and revised as necessary.

Section 2  Guidelines

Services offered by community agencies in district schools shall be coordinated by and be under the general direction of the District.

The following categories of services shall be provided by the District and included in the student services plan:

1. Developmental services that address students’ needs throughout their district enrollment, which include: school counseling, psychological services, health services, home and school visitor services, and social work services that support students in addressing academic, behavioral, health, personal and social development issues.
### POLICY NO. 146
#### STUDENT SERVICES

2. Diagnostic, intervention and referral services for students experiencing problems attaining educational achievement appropriate to their learning potential.

3. Consultation and coordination services for students who are experiencing chronic problems that require multiple services by teams or specialists.

The District shall plan and provide for a Student Assistance Program (SAP) in accordance with applicable law and regulations.

The District’s student services shall:

1. Be an integral part of the instructional program at all levels of the school system.

2. Provide information to students and parents/guardians about the educational opportunities of the school’s instructional program and how to access those opportunities.

3. Provide career information and assessments to inform students and parents/guardians about work and career options available to individual students.

4. Provide basic health services required by law for students and provide information to parents/guardians about the health needs of their children.

---

#### Section 3 - Delegation of Responsibility

The Superintendent or designee shall be responsible to develop, implement and monitor a student services plan that complies with state regulations and is available to all students.

The Superintendent or designee shall ensure that all persons delivering student services are specifically licensed or certified as required by law or regulations.

Transfer Students

Upon registration and prior to admission to the school district, the parent/guardian or person having charge of the student shall provide a sworn statement or affirmation stating whether the student previously was or presently is suspended or expelled from any public or private school for an offense involving weapons, alcohol or drugs; willful infliction of injury to another person; or any act of violence committed on school property. The statement shall include the dates of suspension or expulsion and the name of the school from which the student was suspended or expelled for these reasons.

Parents/Guardians shall be informed that any willful false statements concerning this registration shall be a misdemeanor of the third degree.

This registration statement shall be maintained as part of the student’s disciplinary record.

When a student transfers to a district school from another school district, a nonpublic school, or other school within this District, the District shall obtain a certified copy of the student’s disciplinary record from the school from which the student is transferring. The sending school shall have ten (10) from receipt of the request to provide the disciplinary record. This record shall be maintained as part of the student’s disciplinary record and shall be available for inspection as required by law.

When a student transfers from a district school to another school district, a nonpublic school or other school within the District, the District shall transmit a certified copy of the student’s disciplinary record within ten (10) days of receiving the request from the school to which the student has transferred.

SICK LEAVE |
|-----------|----------------|
| **Authority** | Board policy for certificated administrative and professional employees shall ensure that eligible employees receive paid sick leave annually, in accordance with applicable law, the Administrative Compensation Plan, individual employment contracts, Collective Bargaining Agreements, or Board resolution.  
Board policy for non-certificated administrative and classified employees shall ensure that eligible employees receive paid sick leave annually, in accordance with applicable law, the Administrative Compensation Plan, individual employment contracts, Collective Bargaining Agreements, or Board resolution.  
The Board reserves the right to require any employee claiming sick leave pay to submit sufficient proof, including a physician’s certification, of the employee’s illness or disability.  
A physician’s statement may not be presumed to conclusively establish the employee’s disability or inability to work.  
Misuse of sick leave shall be considered a serious infraction subject to disciplinary action. |
| SC 1154 | SC 510, 1154 | Pol. 317, 417, 517, 623 |
### Section 2

**Guidelines**

A sick leave shall commence when the employee, or agent if the employee is sufficiently disabled, reports the absence. A sick leave day, once commenced, may be reinstated as a working day only with the approval of the Superintendent or designee.

Paid sick leave shall run concurrent with available unpaid leave under the Family and Medical Leave Act of 1993, as amended, in accordance with law and Board policy implementing the FMLA.

Whatever the claims of disability, no day of absence shall be considered a sick leave day if the employee has engaged in or prepared for other gainful employment, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

**Records**

The District’s personnel records shall show the attendance of each employee; and the days absent shall be recorded, with the reason for such absence noted.

A record shall be made of the unused sick leave days accumulated by each District employee, which shall be reported to the employee.

### Section 3

**Delegation of Responsibility**

The Superintendent or his/her designee shall report to the Board the names of employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified.

### Professional Development Leave

**Eligibility**

Eligibility for professional development leave shall be determined, and requests for such leave shall be evaluated, in accordance with the requirements of applicable law, the Administrative Compensation Plan, or applicable Collective Bargaining Agreements.

A leave for professional development may be taken for a half or full school term or for two (2) half school terms during a period of two (2) years, at the employee’s option.

**Application**

A request for professional development leave must be directly related to the professional responsibilities of the employee, as determined by the Board, and shall be restricted to activities required by state laws and regulations for a professional certificate or commission to improve professional competency. The primary objective of a professional development leave shall be to enable qualified individuals to engage in professional activities that will contribute significantly to the background and skill of the staff members and result in substantial benefit to the District.

The number of professional development leaves granted in any school year under this policy shall be limited in accordance with the requirements of law and applicable Collective Bargaining Agreements.

Requests for professional development leave shall be submitted on the District form, 838.1-AR-1 Request for Compensated Leave, and forwarded with a detailed plan to the Superintendent.
**POLICY NO. 838.1**

**COMPENSATED PROFESSIONAL LEAVE**

All required application materials shall be submitted by May 1 for the following school year and by October 1 for the following semester.

Documentation

Applicants for professional development leave shall submit with the application form a detailed plan describing the professional development activities to be undertaken and a statement specifying the benefits of the leave to the employee and the school district. The plan shall provide sufficient information to permit the Board to adequately evaluate the request along with such other information required under the requirements of law.

The Board may at any time require additional information from the employee in order to assist the Board in determining whether the leave is being used for the purpose for which it was granted.

The minimum requirements for leave for a half school term shall consist of any one or combination of the following:

1. Nine (9) graduate credits.
2. Twelve (12) undergraduate credits.
3. One hundred eighty (180) hours of professional development activities.

The minimum requirements for leave for a full school term shall consist of any one or combination of the following:

1. Eighteen (18) graduate credits.
2. Twenty-four (24) undergraduate credits.
3. Three hundred sixty (360) hours of professional development activities.

Applicants who propose to take graduate or undergraduate credits shall submit notification of acceptance and enrollment from an accredited institution of higher learning for study in courses approved by the Superintendent. The employee shall successfully complete the approved courses and receive passing grades.
POLICY NO. 838.1
COMPENSATED PROFESSIONAL LEAVE

grades. Upon return from professional development leave, the employee shall submit to the Superintendent within the first month an official transcript of all courses completed.

Applicants who propose to undertake professional development activities shall submit to the Board a detailed plan listing the specific activities. Upon return from professional development leave, the employee shall submit to the Superintendent within the first month a formal report describing the educational activities pursued and their benefits and relevancy, and evidence that the employee’s approved plan has been fully complied with during the leave of absence. Failure to submit required reports on time shall result in forfeiture of monies paid by the District. If the employee fails to submit the formal report on time, unless prevented by illness or physical disability, the employee shall forfeit all benefits to which s/he would have been entitled for the period of the absence.

Commitment of Employee

Monthly status reports from a person on compensated professional leave are required. Reports shall be submitted to the Superintendent for the months that school is in session at the end of each month, September through May.

Employees shall submit required reports on time or forfeit all compensation and benefits.

Acceptance of professional development leave incurs a commitment by the employee to return to active duty in this District immediately following the leave for one (1) full school year, unless prevented by illness or physical disability.

Compensable employment may not be engaged in while the employee is on professional development leave.

Commitment of Employer

At the expiration of the professional development leave, the employee shall, unless agreed otherwise, be reinstated in the same position held at the time of the granting of the leave.
# POLICY NO. 838.1  
**COMPENSATED PROFESSIONAL LEAVE**

Time on professional development leave shall be counted as time on the job for purposes of seniority, where applicable in the District, and for retirement fund purposes but for no other purpose.

**Compensation**

During the period of professional development leave, an employee shall be compensated in accordance with the requirements of law and applicable Collective Bargaining Agreements.

While on leave the employee shall be entitled to insurance benefits provided other professional employees of a similar class.

A leave of absence granted for professional development shall also serve as a leave of absence without pay from all school activities.

## Classroom Occupation Exchange Leave

### Application

All requests for classroom occupational exchange leave are subject to the review and authorization of the Board. All requests must be in writing and shall be forwarded to the Superintendent or designee, with a plan describing the work and experiences to be undertaken and how the experience will be of benefit to the individual and the overall school program.

All required application materials shall be submitted by April 1 for the following school year.

### Documentation

Applicants for classroom occupational exchange leave shall submit with the application form a statement from the employer agreeing to the terms and conditions of the leave, as specified in Board policy.
POLICY NO. 838.1
COMPENSATED PROFESSIONAL LEAVE

Upon return from such leave, the employee shall submit to the Board a final report summarizing the work experience and its benefits integrated into the school program or course offerings.

Commitment of Employee

Acceptance of classroom occupational exchange leave incurs a commitment by the employee to return to active duty in this District immediately following the leave for one (1) full school term, unless prevented by illness or physical disability.

Commitment of Employer

At the expiration of the classroom occupational exchange leave, the employee shall be reinstated in the same position held at the time of the granting of the leave.

Employees on classroom occupational exchange leave shall be considered in full-time daily attendance in the position from which leave was granted, during the period of such leave, for the payment of compensation by the District and for the purpose of determining the employee’s length of service, the right to receive increments as provided by law, and the right to make contributions as a member of the Public School Employee’s Retirement Fund and continue membership, but for no other purpose.

Compensation

The business, industry or government to whom the employee is assigned during the leave shall fully compensate the District for all salary, wages, pension and retirement contributions, and other benefits as if the employee were in full-time active service.

**UNCOMPENSATED LEAVE**

**Section 1: Purpose**

The Board recognizes that in certain situations an administrative, professional or classified employee may request extended leave for personal reasons, and the District could benefit from the return of the employee. This policy establishes parameters for granting uncompensated leaves of absence.

This policy shall not apply to leave under the Family and Medical Leave Act (Policy No. 835).

**Section 2: Authority**

The Board reserves the right to specify the conditions under which uncompensated leave may be taken, designate the conditions of return, and require execution of a letter of intent to return.

All applications for uncompensated leave require approval by the Board, upon recommendation of the Superintendent.

**Section 3: Guidelines**

The guidelines of this policy shall apply to all district employees; however, additional provisions for professional and classified employees shall be in accordance with the terms of an individual contract, a Collective Bargaining Agreement or Board
POLICY NO. 839

resolution.

Application

Requests for uncompensated leave shall be made to the Superintendent as far in advance of the requested beginning date as is practical under the circumstances.

Special consideration will be given to emergencies.

Period of Leave

An uncompensated leave may be granted for a period of up to one (1) school year. Extensions may be considered upon proper application.

Commitment of Employee

The employee granted an uncompensated leave of absence shall confirm with the Board his/her intention to return to work at least sixty (60) days prior to the scheduled return date.

Commitment of Employer

At the expiration of uncompensated leave, the District will make a reasonable effort to return the employee to the same or comparable position, if available. The District cannot guarantee that an employee’s position will be held during any period of uncompensated leave under this policy.

**Section 3**
**Authority**

The Board requires that each administrative, professional and classified employee be given a copy of this policy and notification that, as a condition of employment, the employee will abide by the terms of this policy and notify the District of any criminal drug statute conviction for a violation occurring in the workplace not later than five (5) days after such conviction.

Any employee convicted of delivery of or possession of a controlled substance with the intent to deliver shall be terminated from his/her employment with the District.

**Section 4**
**Delegation of Responsibility**

A statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the employee’s workplace shall be provided by the Superintendent or designee and shall specify the actions that will be taken against the employee for the violation of this policy, up to and including termination and referral for prosecution.

Within ten (10) days after receiving notice of the conviction of a district employee, the District shall notify any federal agency or department that is the grantor of funds to the District.

The District shall take appropriate personnel action within thirty (30) days of receiving notice against any convicted employee, up to and including termination, or require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
## POLICY NO. 851
### DRUG AND SUBSTANCE ABUSE

**Guidelines**

The Superintendent or designee shall immediately report incidents involving the possession, use or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act by any employee while on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity to the local police department that has jurisdiction over the school’s property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

In accordance with state law, the Superintendent shall annually, by July 31, report all incidents of possession, use or sale of controlled substances or drug paraphernalia to the Office for Safe Schools on the required form.

**Drug-Free Workplace**

The District shall make a good faith effort to continue to maintain a drug-free workplace through implementation of this policy.

In establishing a drug-free workplace, the Superintendent or designee shall inform employees about:

1. Dangers of drug abuse in the workplace.
2. The Board’s policy of maintaining a drug-free workplace.
3. Availability of drug counseling, drug rehabilitation, and employee assistance programs.
4. Penalties that may be imposed for drug abuse violations occurring in the workplace.
