Policy 105.1

Curriculum Review

- **Purpose**
  - The Board of Education adopts this policy to ensure compliance with the requirements of the State Board of Education that school districts adopt policies to assure parents/guardians and students have an opportunity to review instructional materials and have access to information about the curriculum, including academic standards to be achieved, instructional materials, and assessment techniques.

- **Authority/Definition**
  - **Instructional material** refers to instructional content provided to students, in any format, including printed or representational materials, and materials in electronic or digital formats (accessible through the Internet). This includes assignment tasks, rubrics, course calendars, lesson plans, homework calendars, and course readings. However, academic tests and academic assessments are excluded.

- **Guidelines**
  - Upon request by a qualifying parent/guardian or qualifying student under this policy, the school district will make available existing information about the curriculum, including academic standards to be achieved, expected student learning outcomes, instructional materials, and assessment techniques.
POLICY NO. 105.1
CURRICULUM REVIEW OF INSTRUCTIONAL MATERIALS
BY PARENTS/GUARDIANS AND STUDENTS

This information is included in course syllabi which will be made available to parents/guardians and students at the beginning of each school year.

Requests for more detailed information should follow the procedure listed below. The following conditions shall apply to any request:

1. To assist the school district in providing the correct records to meet the needs of the requesting party, the request, which may be verbal, electronic or written, must be in writing, conveying setting forth the type of question to be answered and the general specific material being sought for review. If applicable, the relevant time frame for materials sought should be provided.

2. The written request must be sent to the Director of Curriculum, Instruction, Assessment, and Staff Development Assistant Superintendent.

3. The district will respond to the parent/guardian or student within twenty (20) school days by designating the time and location for the review.

4. The district may take such action as is necessary to protect its materials from loss, damage or alteration and to ensure the integrity of the files, including the provision of a designated employee to monitor the review of the materials.

5. No parent/guardian or student shall be permitted to remove original or copy written materials provided for review. Photocopies of the material of courses of study can be made available at the parents’/guardians’ expense if material is not copy written. Taking of notes by parents/guardians and students is permitted.

Under federal law, the rights provided to parents/guardians to inspect any instructional materials used as part of the student’s educational curriculum transfer to the student when the student turns eighteen (18) years old or is an emancipated minor. These rights do not transfer under state law; therefore, parents/guardians retain their rights to access information about the curriculum and to review instructional materials. This policy shall become void and unenforceable if the regulation of the State Board of Education, upon which it is based, i.e., Title 22, Sec. 5.4(d)(1) and (2), is repealed, modified or declared invalid in whole or in part.

### Section 1: Purpose

The Keystone Oaks School District recognizes that a student's ability to learn, and the District's ability to safely educate its students, is adversely affected by bullying. The School District seeks to avoid these adverse effects, maintain the safety of the school environment and provide opportunities to rehabilitate a student who has engaged in bullying.

### Section 2: Definition

**Bullying** shall be defined as an intentional and unwelcome electronic (cyber), written, verbal, or physical act, or series of acts that has these characteristics:

1. It is directed at another student or group of students.
2. It is severe, persistent or pervasive.
3. It has the effect of:
   a. Substantially interfering with a student’s education.
   b. Substantially disrupting the orderly operation of the school.
   c. Creating a threatening environment.
4. Occurs in a “school setting.” “School setting” shall mean in the school, on school grounds, in school vehicles, on school buses, at school functions, or at school-sponsored events.

**ANTI-BULLYING**

contracted school vehicles, at a designated bus stop, or during any activity sponsored, supervised, or sanctioned by the school and/or District.

The District reserves the right to investigate acts of bullying that occur outside the school setting if those acts meet the requirements of **2.1, 2.2** and **2.3-number 3 (above)**.

*Cyber harassment of a child* is a form of bullying. A person commits the crime of cyber harassment of a child if, with intent to harass, annoy or alarm, the person engages in a continuing course of conduct of making any of the following by electronic means directly to a child or by publication through an electronic social media service:

1. Seriously disparaging statement or opinion about the child’s physical characteristics, sexuality, sexual activity or mental or physical health or condition.

2. Threat to inflict harm.

The law makes cyber harassment of a child a third-degree misdemeanor, punishable by a maximum of $2,500 fine and/or one year in prison. For a juvenile charged with the crime, a diversionary program, which might include an educational program on cyber harassment, would be considered first. Successful completion could lead to the juvenile’s record being expunged.

**Course of Conduct** – A pattern of action composed of more than one act over a period of time, however short evidencing a continuity of conduct. The term includes lewd, lascivious, threatening or obscene words, language, drawing, caricatures or actions, either in person or anonymously.

**Emotional distress** – A temporary or permanent state of mental anguish.

**Seriously disparaging statement or opinion** – A statement or opinion which is intended to and under the circumstances is reasonably likely to cause substantial emotional distress to a child of the victim’s age and which produces some physical manifestation of the distress.

### Section 3

communicate, any form of bullying. It shall also be a violation of this Policy for any employee, approved volunteer or chaperone of the School District to encourage and/or condone, through action or lack of action, any form of bullying. This prohibition shall apply to all acts of bullying that occur on school district property, at school district functions (whether on school property or not), and/or on school district provided transportation. In addition, cyber harassment is a criminal offense under PA Act 26 of 2015 and may be deemed to have been committed at the place where the child who is the subject of the communication resides.

2. School District employees are required to report alleged violations of this Policy to the Building Principal or the Superintendent in accordance with the procedures set forth herein.

3. The Administration is directed to evaluate the need, if any, for District-wide or building-level evidence-based bullying prevention programs, and to report its findings to the Board of School Directors with appropriate recommendations.

4. The Administration is directed to continue to assess, and to make recommendations to the Board of School Directors, for any appropriate changes to existing intervention programs and practices in place to address the needs of students who are bullied, and the issues relating to students who engage in bullying.

Section 4 Dissemination of Policy

This Anti-bullying Policy will be disseminated annually to all school staff, students, and parents. It will be distributed each year to all students with a copy of the Student Handbook, or will be incorporated into the Handbook. Building administrators will develop a procedure for discussing the Policy with students in individual buildings. The Policy will also be posted on the District web page and published at a minimum of once each year in a District newsletter and be made available in every classroom. Copies of the Anti-bullying Policy shall be posted in all classrooms and information on the Anti-bullying Policy will also be incorporated in training programs for all new school employees, as well as being referenced in the staff handbooks.

In addition, the Administration will develop procedures for training all chaperones and sponsors on the Policy.

Section 5 General Procedures Relating to Complaint
POLICY NO. 256
ANTI-BULLYING

Each student shall be advised that the fact that he/she alleges bullying by another student or who reports an incident of bullying will not reflect upon the student's status. Any retaliation based upon a student's good faith initiation of a complaint, participation in the investigation of a complaint, or provision of information relating to a bullying complaint is prohibited and will result in disciplinary action. If any student believes he or she is being retaliated against for filing a complaint under this policy, or the student's parent believes that his/her child is being retaliated against for filing a complaint under this policy, he or she shall report the retaliations in the same manner as indicated below.

The Principal of the building to which the alleged victim is assigned will investigate all complaints, PROVIDED HOWEVER, that if the complaint alleges that the perpetrator of the bullying is an Administrator or Supervisor employed by the School District and it is alleged that the Administrator or Supervisor encouraged, condoned, or turned a blind eye to the bullying of the alleged student-victim, the Superintendent or his designee shall investigate the complaint.

Section 6 Investigation Procedure

1. Separate interviews of the Complainant and the alleged bully will be conducted and all information will be documented in written form on Form A. Each of the involved individuals will be asked to sign an Acknowledgment of the statements provided during the interview. At the time of the interview, a copy of this Policy will be provided to the individuals involved and the Policy and complaint procedure will be reviewed with each individual.

2.
