#### ASSESSMENT SYSTEM

**Section 54 Guidelines**

Parents/Guardians shall receive information regarding their student’s state assessment results from qualified school personnel. The District shall provide assistance to students in attaining academic standards and personal academic growth. The District shall inform students and parents/guardians about how to access such assistance.

Students with disabilities and ELL (English Language Learner) students shall participate in assessments, with appropriate accommodations when necessary.

The following types of assessments will be utilized to assist in measuring student achievement:

1. Norm and criterion referenced assessments.
2. Formative and summative assessments.
3. Projects and performances.

Each classroom teacher is expected to provide students with a clear understanding of the assessment practices related to their individual course. Grades assigned should reflect the achievement based upon the specific criteria expected in the course and outlined by the teacher.

Extra credit assignments will not be given by teachers so that a student may improve his/her final letter grade, without inclusion in the course syllabus, curriculum, or pre-approval by the Director of Curriculum, Instruction, Assessment, and Staff Development. Points may not be added to the final grade. All students must be provided the same opportunity to earn said extra credit.

At Keystone Oaks High School, quality points are values assigned for the purpose of determining an average letter grade. Honor and AP classes have weighted value for grades of a C or better. The values are as follows:

district facilities or on district grounds without Board permission.

Section 3
Definitions

For purposes of this policy, a competitive/non-competitive event or trip shall be considered school sponsored when:

1. It takes place during the academic school year.

2. It is sponsored by a District recognized organization and operates under the direction of the District.

3. It benefits a group (club, class, grade level, team) as opposed to individuals, and is planned through and for such group, as opposed to being formed for the purpose of taking a trip or participating in an event. Thus, the group cannot be formed for the sole purpose of making the trip or event possible.

4. Includes athletic teams sanctioned by the Pennsylvania Interscholastic Athletic Association (P.I.A.A.)

5. Does not fall under the definition of a Curricular Field Trip as outlined in Board policy 121.

A Level 0 Event is an event that a student, team, or group does not have to place/qualify in order to attend, the group does not compete at, or whose competition is not required in order to qualify for a Level II event. This is generally a local or regional event, but may be statewide or national. This does not include any sanctioned P.I.A.A. regular season events, but includes optional non-P.I.A.A. athletic events such as invitationals.

A Level I Event is an event that a student, team, or group does not have to place/qualify in order to attend, but consists of a competition whose winners may qualify to attend Level II events. This is generally a local or regional event, but may be statewide or national. This includes all sanctioned P.I.A.A. regular season events.
POLICY NO. 260
COMPETITIVE/NON-COMPETITIVE EVENTS AND TRIPS

A Level II Event is an event that a student, team, or group must qualify in order to attend, usually by competing in a Level I event prior to this event.

A Level III Event is an event that a student, team, or group must qualify in order to attend, by competing in a Level II event prior to this event.

A chaperone is a coach, sponsor, and/or any adult eighteen (18) years of age or older with proper clearances.

Section 4

Guidelines

As voluntary participants in school events and trips, students shall be held responsible for compliance with District policies and the Student Code of Conduct. Infractions of those policies or rules will be subject to the same disciplinary measures applied during the regular school program.

Participation in school/athletic events is not a right and may be denied to any student who has demonstrated disregard for the policies and rules of the District.

Trips are to be planned for weekends, holidays, calendar breaks or summer vacations where possible.

If an event or trip requires students to miss classroom time, preferably no more than two school days, the student has sole responsibility to contact his or her teachers and complete all assignments in a timely fashion, in accordance with applicable policies and procedures. Assignments given prior to a scheduled trip will be due on the due date or the date the student comes back to school. Students shall be given a day extension per day out on assignments given during their trip.

No student shall be compelled to participate in an event or trip that requires the student to miss class time, nor will any student be penalized in any way for failure to do so.

No student, group of students, or district employee may receive compensation for participation in any event or trip.
POLICY NO. 260
COMPETITIVE/NON-COMPETITIVE EVENTS AND TRIPS

The maximum District funds requested per student for the purposes of transportation, lodging, meals, and registration fees are as follows:

- Level 0 – $0
- Level I – $50 – For non-P.I.A.A. groups, the maximum amount allocated is to be used for registration fees only. The District shall ONLY cover transportation expenses for sanctioned regular schedule P.I.A.A. events.
- Level II – $250 – Funds allocated shall be used in accordance with District travel expense policy.
- Level III – $500 – Funds allocated shall be used in accordance with District travel expense policy.

For Level II and Level III events, lodging expenses will only be covered if distance is greater than one-hundred (100) miles. Food expenses will only be covered if distance is greater than fifty (50) miles.

Exceptions may be granted by the Superintendent based on event timing.

In the event that a Booster Group, Parent Organization, or fundraising pays for the student expenses at any Level (I, II, III) of event/trip, any remaining costs not covered by the Booster Group, Parent Organization or fundraising will be covered by the District at the maximum rate listed above.

Chaperones

The District requires one (1) chaperone per twelve (12) students attending an event/trip unless the destination/event requires a lower ratio or the District is not paying for the trip. The District shall pay expenses, according to District policy, for the required number of chaperones for a level II or III event only.
