Policy Guide

Policy No. 805
Title EMERGENCY EVACUATION OF SCHOOLS PREPAREDNESS AND RESPONSE
Adopted AUGUST 21, 1989
Last Revised MARCH 19, 2001

Section 1 Purpose
The Board recognizes its responsibility for the safety of students, staff, visitors and facilities. Therefore, the Board shall provide facilities, equipment and training necessary to protect against hazards and emergencies, including but not limited to natural disasters, hazardous chemicals, fires, weapons, bomb threats, intruders, terrorism, communicable diseases and pandemics. Advance planning, training, practice and comprehensive implementation are key components in protecting the safety and security of the school community.

The following guidelines shall apply to emergencies that affect the operation of the schools of the District.

Section 2 Authority
The District, in cooperation with the county Emergency Management Agency and the Pennsylvania Emergency Management Agency (PEMA), shall develop and implement a comprehensive disaster response and emergency preparedness plan, consistent with the guidelines developed by PEMA and other applicable state requirements.

The Board shall also utilize the resources of and comply with the requirements of the Pennsylvania Department of Health, the Pennsylvania Department of Education, and local law enforcement agencies.
POLICY NO. 805
EMERGENCY PREPAREDNESS AND RESPONSE EVACUATION OF SCHOOLS

The Board requires that emergency preparedness, emergency evacuation and school security drills be conducted at intervals required by state law.

The District’s system of emergency preparedness shall ensure that the health and safety of students and staff are safeguarded, the time necessary for instructional purposes is not unduly diverted, minimum disruption to the educational program occurs, and students are helped to learn self-reliance and trained to respond sensibly to emergency situations.

All threats to the safety of the schools shall be identified by appropriate personnel and responded to promptly in accordance with the plan for emergency preparedness as promulgated by the Superintendent, consistent with established guidelines.

Bomb threats and reports of fire shall normally require the evacuation of the threatened school or building.

### Section 3 Definitions

| **School security drill** – a planned exercise, other than a fire drill or natural disaster drill, designed to practice procedures to respond to an emergency situation that may include, but is not limited to, an act of terrorism, armed intruder situation or other violent threat. |
| **School Safety and Security Assessment** – a strategic evaluation of a school entity’s facilities and programs used to identify potential safety and security threats. |

### Section 43 Delegation of Responsibility

The Superintendent or designee shall collaborate with relevant stakeholders, including parents/guardians, students, staff, community agencies, local law enforcement agencies and first responders, during the development and implementation of the emergency preparedness plan, procedures for the handling of school emergencies which include:

SC 1518

SC 1517

SC 1301-B

SC 1517
POLICY NO. 805
EMERGENCY PREPAREDNESS AND RESPONSE EVACUATION OF SCHOOLS

The Superintendent or designee shall implement a communication system to notify parents/guardians of the evacuation or sheltering of students and to alert the entire school community when necessary.

Annually, on or before April 10, the Superintendent shall certify that emergency evacuation drills and school security drills have been conducted in the manner prescribed by law.

In accordance with state law and regulations, the Superintendent shall execute a memorandum of understanding with each local police department that has jurisdiction over school property.

The Board directs the Superintendent or designee to periodically complete a School Safety and Security Assessment in accordance with the provisions of law and established criteria, based on the needs of the district and availability of funding and resources.

1. a plan for the prompt and safe evacuation of the schools and safe dispersal of students from school property, which shall be practiced monthly in fire drills conducted in according with the law;
2. the conduct of bus evacuation drills twice a year in accordance with the law;
3. a plan for the sequestration of students in a safe place other than school;
4. design a communications system to alert the whole school community when necessary and to notify parents of the evacuation of students;
5. the immediate notification of appropriate administrative personnel whenever any employee becomes aware of an emergency or impending emergency;
6. cooperation with local agencies such as the police department, fire department, and civil defense;
7. instruction of staff members in the techniques of handling emergencies; and
8. the continual evaluation of effectiveness of emergency planning in preparing the schools to cope with disaster.
**POLICY NO. 805**  
**EMERGENCY PREPAREDNESS AND RESPONSE: EVACUATION OF SCHOOLS**

### Section 4  
**Guidelines**

**Emergency Planning**

The emergency preparedness plan shall be accessible in each district building, be reviewed at least annually, and be modified as necessary. A copy of the plan shall be made accessible to the county Emergency Management Agency, each local police department and each local fire department that have jurisdiction over school property. The District shall obtain assurances from each appropriate agency that the emergency preparedness plan will be safeguarded and maintained confidentially.

Annually, appropriate information regarding the emergency preparedness plan shall be communicated to students, parents/guardians, staff, the community and other relevant stakeholders.

Annually, by September 30, the District shall assemble information required to assist local police and fire departments in responding to an emergency. The required information shall be deployed immediately to the Incident Command Post in the event of an emergency incident or disaster.

Schools and school buses or transportation vehicles owned or leased by the District shall be made available to local, county and state officials for emergency planning and exercises.

**Continuity of Student Learning/Core Operations**

In the event of an emergency, local, county or state officials may require that schools be made available to serve as mass-care facilities. Local, county or state officials may also utilize district-owned buses and other transportation vehicles. The Superintendent or designee shall determine whether schools shall be closed, or the educational program suspended, to safeguard student and staff health and safety.

State officials may also direct schools to close in order to mitigate the spread of infection or illness in designated emergencies.
POLICY NO. 805
EMERGENCY PREPAREDNESS AND RESPONSE
EVACUATION OF SCHOOLS

The District shall make provisions in the emergency preparedness plan for the continuity of student learning during school closings or excessive absences, in accordance with law. This may include, as appropriate, activities qualifying as instructional days for fulfilling the minimum required days of instruction under the law. Instructional activities may include:

1. Web-based instruction.
2. Mailed lessons and assignments.

The continuity of core operations such as payroll and ongoing communication with staff, students and parents/guardians shall be an essential part of the emergency preparedness plan.

Education and Training

Students and staff members shall be instructed and shall practice how to respond appropriately to emergency situations.

Effective infection control and prevention education and procedures, such as frequent hand washing and cough/sneeze etiquette, shall be encouraged continually to help limit the spread of germs at district schools.

The District shall provide mandatory training to school employees on school safety and security based on the district’s needs and in accordance with law. Training shall address any combination of one (1) or more of the following areas:

1. Situational awareness.
2. Trauma-informed approaches.
4. Suicide and bullying awareness.
5. Substance use awareness.

MEMORANDUM OF UNDERSTANDING WITH LOCAL LAW ENFORCEMENT RELATIONS WITH LAW ENFORCEMENT AGENCIES

The Board directs the Superintendent to execute and update, on a biennial basis, a memorandum of understanding with each local police department that has jurisdiction over school property in accordance with state law and regulations.

Section 3 Definition

Incident – an instance involving an act of violence; the possession of a weapon by any person; the possession, use, or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act; the possession, use, or sale of alcohol or tobacco by any person on school property; or conduct that constitutes an offense listed under the Safe Schools Act.

Section 42 Guidelines

Memorandum of Understanding

In accordance with state law and regulations, the Superintendent shall execute and update, every two (2) years, a memorandum of understanding with each local police department that has jurisdiction over school property. The memorandum of understanding shall be signed by the Superintendent, police chief and each building principal, and be filed with the Office for Safe Schools.

All Memoranda of Understanding between the Keystone Oaks School District and local law enforcement agencies (the police departments of the Boroughs of Castle Shannon, Dormont and Green Tree, as well as the Township of Mt. Lebanon) may be amended, expanded or modified at any time upon the written consent of the parties, but in any event must be reviewed and reexecuted within two (2) years of the date of their original execution and every two (2) years thereafter.

In developing and updating the memorandum of understanding, the District shall consult and consider the State Board of Education model memorandum of understanding. If the district’s memorandum of understanding with local law enforcement contains substantive differences from the State Board of Education model memorandum of understanding, the district shall submit a copy of its memorandum of understanding to the State Board of Education.
**POLICY NO. 805.1825**

**MEMORANDA OF UNDERSTANDING WITH LOCAL LAW ENFORCEMENT SAFE SCHOOLS RELATIONS WITH LAW ENFORCEMENT AGENCIES**

Education model memorandum of understanding, the Superintendent shall provide a written statement which identifies the differences and the reasons for the differences as part of the biennial filing with the Office for Safe Schools.

The memorandum of understanding shall comply with state law and regulations and set forth procedures to be followed regarding incidents that include, but are not limited to, acts of violence, weapons, terroristic threats, controlled substances, alcohol and tobacco.

The memorandum of understanding may specify other matters related to crime prevention mutually agreed upon by the Superintendent and the local police department that has jurisdiction over the school property.

**Students With Disabilities**

The District shall provide a copy of its administrative regulations and procedures for behavior support, developed in accordance with the Special Education Plan, to each local police department that has jurisdiction over school property. Updated copies shall be provided each time the administrative regulations and procedures for behavior support are revised by the District.

The District shall invite representatives of each local police department that has jurisdiction over school property to participate in district training on the use of positive behavior supports, de-escalation techniques and appropriate responses to student behavior that may require intervention, as included in the district’s Special Education Plan and positive behavior support program.

**Training**

The District shall invite representatives of each local police department that has jurisdiction over school property to participate in district training related to subjects that enhance understanding of and build positive relationships with students, which may include but not be limited to training on trauma-informed approaches, restorative practices, suicide awareness.
and prevention, child abuse recognition and reporting, maintaining confidentiality of students' personally identifiable information and maintaining professional adult/student boundaries.

Referral to Law Enforcement

The Superintendent or designee shall immediately report required incidents and may report discretionary incidents committed on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity, to the local police department that has jurisdiction over the school’s property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

Safe Schools Report

Annually, by July 31, the Superintendent shall report on the designated form, to the Office for Safe Schools, all new incidents as required by state law.

Prior to submitting the Safe Schools report, the Superintendent and each police department having jurisdiction over school property shall do all of the following:

1. No later than thirty (30) days prior to the deadline for submitting the Safe Schools report to the Office for Safe Schools, the Superintendent shall submit the report to the police department that has jurisdiction over the relevant school property. The police department shall review the report and compare the data regarding criminal offenses and notification of law enforcement to determine whether the report accurately reflects police incident data.

2. No later than fifteen (15) days prior to the deadline for the Superintendent to submit the report to the Office for Safe Schools, the police department shall notify the Superintendent, in writing, whether the report accurately

Title EVALUATION OF EMPLOYEES

POLICY NO. 856
EVALUATION OF EMPLOYEES

THIS POLICY SHALL SUPERSEDE POLICIES 313, 412, 512.

Section 1 Purpose

Evaluation is a continuing process in which the administrative, professional, and classified employees and the respective supervisors cooperatively identify strengths and weaknesses in an individual’s job performance.

The objectives of the district evaluation plans for employees are:

1. To assess and improve performance.
2. To encourage professional growth.
3. To promote a behavior that is conducive to building a positive school culture.
4. To facilitate attainment of district goals and objectives.
5. To identify and suggest ways to build on strengths that enable employees to achieve district goals.
6. To identify and suggest ways to improve on weaknesses that prevent an employee from achieving district goals.
7. To inform compensation determinations in accordance with Board policies and applicable contracts and agreements.
# POLICY NO. 856
## EVALUATION OF EMPLOYEES

### Section 2
#### Authority
The Board shall approve plans for regular, periodic evaluations of administrative, professional and classified employees consistent with applicable collective bargaining agreements, Board Policy and state law and regulations. The Board shall be informed periodically about the results of evaluations.

### Section 3
#### Delegation of Responsibility
The Superintendent or designee shall develop and implement administrative procedures for evaluating district staff, which shall have the following characteristics:

1. Clear and unambiguous in intent and language.
2. Establish reasonable standards.
3. Apply in a consistent and uniform manner to all employees in the same class.
4. Available to employees for review before they are applied.
5. Reviewed and updated periodically.
6. Referred to the Board for information purposes.
7. Consistent with the applicable administrative compensation plan, individual contract, collective bargaining agreement, or Board resolution.

Evaluations shall be conducted by administrators and supervisors designated by the Superintendent.

### Section 4
#### Guidelines
Each observation shall be followed by a conference between the evaluator and the employee. Both parties shall sign the evaluation form and retain a copy for their records.

Following the conference, the employee shall have the right to submit a written disclaimer of the evaluation; the disclaimer...
POLICY NO. 856
EVALUATION OF EMPLOYEES

shall be attached to the report.

The evaluation plan for administrators, professional employees and temporary professional employees shall utilize the appropriate state-approved rating form.

Professional employees are required to be evaluated at least once each year according to PA School Code.

Where possible and applicable, supervisors are encouraged to provide ongoing feedback to their employees. This may include setting and ongoing review of employee objectives and discussion of personal professional development plans. Supervisors should assist employees in setting objectives that are specific, measurable, actionable, realistic and time bound.

Temporary Professional Employees

Each temporary professional employee shall be observed by an appropriate supervisor and notified of individual progress and status per school code.

Administrators responsible for supervising temporary professional employees shall make every effort to assist such staff members in improving deficiencies disclosed by observations and evaluations; and may conduct additional observations and evaluations of employees who are marginally competent.

The Superintendent shall certify the evaluations of all temporary professional employees as per school code.
