It is recommended that the Board approve the Resolution Opposing Charter School Provisions under House Bill 97.

RESOLUTION OPPOSING CHARTER SCHOOL PROVISIONS UNDER HOUSE BILL 97

BY THE BOARD OF DIRECTORS OF THE KEYSTONE OAKS SCHOOL DISTRICT

WHEREAS, Pennsylvania’s outdated Charter School Law is 20 years old and changes are needed to address concerns and update issues regarding funding, accountability, transparency and academic performance of charter schools and cyber charter schools; and

WHEREAS, charter schools are publicly funded and privately operated institutions governed by non-elected boards that are not accountable to taxpayers, yet paid for with local school districts funds; and

WHEREAS, the Charter School Law exempts charters from many of the state’s statutory and regulatory requirements and creates an uneven playing field in numerous important areas, including but not limited to fiscal management, audits, conflicts of interest, public reporting, student enrollment, instruction and services, staffing and evaluation, thereby exacerbating inequality with traditional public schools; and
WHEREAS, the current funding formulas for charter schools have no relationship to the actual instructional costs of the students attending the charter school, particularly for special education instruction and services, resulting in escalating costs and overpayments by school districts and taxpayers to charter schools; and

WHEREAS, the General Assembly is considering omnibus charter school legislation under House Bill 97 that fails to establish meaningful change. Among the most troubling provisions are: a funding commission that is too broadly focused; an unbalanced composition of the state Charter School Appeal Board; expanded charter terms and renewals that further remove authorizer oversight; a limited matrix for evaluating renewals; a faulty process for amending a charter; and the creation of a double standard for teacher evaluation that is less than that of traditional public schools.

WHEREAS, the Keystone Oaks School Board believes that charter schools should be held to the same standards of academic performance, accountability and transparency that local school districts must uphold.

NOW THEREFORE, BE IT RESOLVED that the Keystone Oaks School Board opposes House Bill 97 and urges its elected officials to reject House Bill 97 in favor of a different approach that addresses true reform in the core areas of funding, accountability and governance.

BE IT FURTHER RESOLVED that a copy of this resolution be submitted to the elected senators and representatives of the Keystone Oaks School District in the General Assembly, and to the Governor of Pennsylvania.

Adopted this 20 day of March, 2018.

Signed,

Section 43 Guidelines

Step 1 – Reporting
A student or third party who believes s/he has been subject to conduct by any students, employee, or third party that constitutes a violation of this policy is encouraged to immediately report the incident to the building principal. Any person with knowledge of conduct that may violate this policy, is encouraged to immediately report the matter to the building principal.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal, as well as properly making any mandatory police or child protective services reports required by law.

If the building principal is the subject of a complaint, the student, third party, or employee shall report the incident directly to the Compliance Officer.

The complainant or reporting employee is encouraged to use the district’s report form (103-AR-1) available on the district website, from the building principal or the administrative office, but oral complaints shall be accepted, documented and the procedure of this policy implemented. The person accepting the verbal or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. In all other respects, the person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the complainant or those accused of a violation of this policy.

**Step 2 – Investigation**

Where an attorney is not used to conduct an investigation into a discrimination complaint, only individuals who have received basic training on the applicable law, this policy and how to conduct a proper investigation shall be authorized to conduct an investigation of a complaint made pursuant to this policy.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be
POLICY NO. 103
NONDISCRIMINATION IN SCHOOL AND CLASSROOM PRACTICES

interviewed and what records may be relevant to the investigation.

The investigator shall conduct an adequate, reliable and impartial investigation. The complainant and the accused shall be provided the opportunity to present witnesses and other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place away from school property, school-sponsored activities or school conveyances, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

Upon receiving a complaint of discrimination, the building principal shall immediately notify the Compliance Officer. The Compliance Officer shall authorize the building principal to investigate the complaint, unless the building principal is the subject of the complaint or is unable to conduct the investigation.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the allegations incident. The investigator may also evaluate any other information and materials relevant to the investigation. The person making the report, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone’s participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the incident is pending or has been cancelled or concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to

requests for a short delay in fulfilling the district’s investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.

**Step 3 – Investigative Report**

The investigator shall prepare a written report to the Compliance Officer within twenty-fifteen (2015) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of investigation and the availability of witnesses required the investigator and the Compliance Officer to establish a different due date. Additional time to complete the investigation is required, a determination of whether the complaint has been substantiated as factual and whether it is a violation of this policy, and a recommended disposition of the complaint. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and of any other violations of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into discriminatory harassment or sexual harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition within a reasonable time of the submission of the written report. The accused shall not be notified of the individual remedies offered or provided to the complainant. Findings of the investigation shall be provided to the complainant, the accused, and other individuals as determined necessary by the District. The parties shall be given an opportunity to comment on the findings and supporting documentation prior to the submission of the report to the Compliance Officer.

The investigator shall prepare and submit a written report to the Compliance Officer within twenty-fifteen (2015) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of investigation and the availability of witnesses required the investigator and the Compliance Officer to establish a different due date.

and the Compliance Officer.

Step 4 – District Action

If the investigation results in a finding that some or all of the allegations of the complaint are established and the complaint is factual and constitutes a violation of this policy, the District shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs and will not recur.

The District shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different policy was violated separately from or in addition to violations of this policy, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary.

Disciplinary actions shall be consistent with the Code of Student Conduct, Discipline Code for students, Board policies, and administrative regulations, district procedures, applicable collective bargaining agreements, and state and federal laws.

Appeal Procedure

1. If the complainant or the accused is not satisfied with a finding made pursuant to or no violation of the policy or with the corrective action recommended in the investigative report, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.

2. The individual receiving the appeal Compliance Officer

shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.

3. The person handling the appeal -Compliance Officer shall prepare a written response to the appeal within twentyfifteen (2015) days. Copies of the response shall be provided to the complainant, the accused, and the investigator-building principal who conducted the investigation.

Equivalence Between Schools

The Board directs that services in Title I schools and programs, when taken as a whole, shall be substantially comparable to services in schools and programs that do not receive Title I funds.

Curriculum materials, instructional supplies, and percentages of highly qualified personnel shall be equivalent between all district schools when compared on a grade-span by grade-span basis or a school-by-school basis.

The Board understands that equivalence between programs and schools shall not be measured by:

1. Changes in enrollment after the start of the school year.
2. Varying costs associated with providing services to students with disabilities.
3. Unexpected changes in personnel assignments occurring after the beginning of the school year.
4. Expenditures on language instruction education programs.
5. Other expenditures from supplemental state or local funds consistent with the intent of Title I.
POLICY NO. 103
NONDISCRIMINATION IN SCHOOL AND CLASSROOM PRACTICES

The District shall develop administrative regulations to implement this policy and shall maintain records documenting compliance that are updated biannually.

Complaints by individuals and organizations regarding implementation of equivalence between schools shall be processed in accordance with Board policy.

Title NONDISCRIMINATION – QUALIFIED STUDENTS WITH DISABILITIES

Guide

Adopted FEBRUARY 16, 2016

Revised

Section 1 Purpose

The Board declares it to be the policy of this District to ensure that all district programs and practices are free from discrimination against all qualified students with disabilities. The Board recognizes its responsibility to provide academic and nonacademic services and programs equally to students with and without disabilities.

The District shall provide to each qualified student with a disability enrolled in the District, without cost to the student or parent/guardian, a free and appropriate public education (FAPE). This includes provision of education and related aids, services, or accommodations which are needed to afford each qualified student with a disability equal opportunity to participate in and obtain the benefits from educational programs and extracurricular activities without discrimination, to the same extent as each student without a disability, consistent with federal and state laws and regulations.

The Board encourages students and parents/guardians who believe they have been subjected to discrimination or harassment to promptly report such incidents to designated employees.

NONDISCRIMINATION – QUALIFIED STUDENTS WITH DISABILITIES

The Board directs that complaints of discrimination or harassment shall be investigated promptly, and corrective action be taken for substantiated allegations. Confidentiality of all parties shall be maintained, consistent with the district’s legal and investigative obligations.

The District shall not intimidate, threaten, coerce, discriminate or retaliate against any individual for the purpose of interfering with any right or privilege secured by this policy.

Section 2 Definitions

**Qualified student with a disability** - a student who has a physical or mental disability which substantially limits or prohibits participation in or access to an aspect of the district’s educational programs, nonacademic services or extracurricular activities.

**Section 504 Team** - a group of individuals who are knowledgeable about the student, the meaning of the evaluation data and the placement options for the student. This could include, as appropriate, documentation or input from classroom teachers, counselors, psychologists, school nurses, outside care providers and the student’s parents/guardians.

**Section 504 Service Agreement (Service Agreement)** - an individualized plan for a qualified student with a disability which sets forth the specific related aids, services, or accommodations needed by the student, which shall be implemented in school, in transit to and from school, and in all programs and procedures, so that the student has equal access to the benefits of the school’s educational programs, nonacademic services, and extracurricular activities.

**Disability harassment** - intimidation or abusive behavior toward a student based on disability that creates a hostile environment by interfering with or denying a student’s participation in or receipt of benefits, services, or opportunities in the school’s educational programs, nonacademic services, or extracurricular activities.

### Section 3

**Delegation of Responsibility**

In order to maintain a program of nondiscrimination practices that is in compliance with applicable laws and regulations, the Board designates the Supervisor of Pupil Personnel as the District’s Section 504 Coordinator.

In addition, each school within the District shall have a Section 504 building administrator which will be the building principal.

The District shall publish and disseminate this policy and complaint procedure on or before the first day of each school year by posting it on the district’s website, if available, and in the student handbook. The District shall notify parents/guardians of students residing in the District of the district’s responsibilities under applicable laws and regulations, and that the District does not discriminate against qualified individuals with disabilities.

### Section 4

**Guidelines**

**Identification and Evaluation**

The District shall conduct an annual child find campaign to locate and identify every district student with a disability thought to be eligible for Section 504 services and protections. The District may combine this search with the district’s IDEA child find efforts, in order to not duplicate efforts.

If a parent/guardian or the District has reason to believe that a student should be identified as a qualified student with a disability, should no longer be identified as a qualified student with a disability, or requires a change in or modification of the student’s current Service Agreement, the parent/guardian or the District shall provide the other party with written notice. Form 103.1-AR-4, available on the district website, may be used for parent/guardian requests for evaluation, termination, or modification of the student’s current Service Agreement.

The District shall establish standards and procedures for initial evaluations and periodic re-evaluations of students who need or are believed to need related services because of a disability.
POLICY NO. 103.1
NONDISCRIMINATION – QUALIFIED STUDENTS WITH DISABILITIES

The District shall specifically identify the procedures and types of tests used to evaluate a student, and provide the parent/guardian the opportunity to give or withhold consent to the proposed evaluation(s) in writing.

The District shall establish procedures for evaluation and placement that assure tests and other evaluation materials:

1. Have been validated and are administered by trained personnel.

2. Are tailored to assess educational need and are not based solely on IQ scores.

3. Reflect aptitude or achievement or anything else the tests purport to measure and do not reflect the student’s impaired sensory, manual or speaking skills (except where those skills are what is being measured).

Service Agreement

If a student is determined to be a qualified student with a disability, the District shall develop a written Service Agreement for the delivery of all appropriate aids, services, or accommodations necessary to provide the student with FAPE.

The District shall not implement a Service Agreement until the written agreement is executed by a representative of the District and a parent/guardian.

The District shall not modify or terminate a student’s current Service Agreement without the parent’s/guardian’s written consent.

Educational Programs/Nonacademic Services/Extracurricular Activities

The District shall educate a qualified student with a disability with students who are not disabled to the maximum extent

appropriate to the needs of the student with a disability. A qualified student with a disability shall be removed from the regular educational environment only when the District determines that educating the student in the regular educational environment with the use of related aids, services, or accommodations cannot be achieved satisfactorily. Placement in a setting other than the regular educational environment shall take into account the proximity of the alternative setting to the student’s home.

The District shall not discriminate against any qualified student with a disability in its provision of nonacademic services and extracurricular activities, including but not limited to, counseling services, athletics, transportation, health services, recreational activities, special interest groups or clubs, and referrals to agencies which provide assistance to individuals with disabilities.

Discipline

When necessary, the District shall discipline qualified students with disabilities in accordance with state and federal laws and regulations and Board policies.

Parental Involvement

Parents/Guardians have the right to inspect and review all relevant school records of the student, meet with the appropriate school officials to discuss any and all issues relevant to the evaluation and accommodations of their child, and give or withhold their written consent to the evaluation and/or the provision of services.

Confidentiality of Student Records

All personally identifiable information regarding a qualified student with a disability shall be treated as confidential and disclosed only as permitted by the Family Educational Rights and Privacy Act (FERPA) and its implementing regulations, state regulations, and Board policy.
POLICY NO. 103.1
NONDISCRIMINATION – QUALIFIED STUDENTS WITH DISABILITIES

Referral to Law Enforcement and Reporting Requirements

For reporting purposes, the term incident shall mean an instance involving an act of violence; the possession of a weapon; the possession, use, or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act; the possession, use or sale of alcohol or tobacco; or conduct that constitutes an offense listed under the Safe Schools Act.

The Superintendent or designee shall immediately report required incidents and may report discretionary incidents committed on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity by a qualified student with a disability, including a student for whom an evaluation is pending, to the local police department that has jurisdiction over the school’s property, in accordance with state and federal laws and regulations the procedures set forth in the memorandum of understanding with local law enforcement, and Board policies. The Superintendent or designee shall respond in a manner that is consistent with the student’s Service Agreement and Behavior Support Plan, if applicable.

In making a determination of whether to notify the local police department of a discretionary incident committed by a qualified student with a disability, including a student for whom an evaluation is pending, the Superintendent or designee shall use the same criteria used for students who do not have a disability.

For a qualified student with a disability who does not have a Behavior Support Plan as part of the student’s Service Agreement, subsequent to notification to law enforcement, the District, in consultation with the student’s parent/guardian, shall consider whether a Behavior Support Plan should be developed as part of the Service Agreement to address the student’s behavior.
POLICY NO. 103.1
NONDISCRIMINATION – QUALIFIED STUDENTS WITH DISABILITIES

In accordance with state law, the Superintendent shall annually, by July 31, report to the Office for Safe Schools on the required form all new incidents committed by qualified students with disabilities, including students for whom an evaluation is pending, which occurred on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity.

Procedural Safeguards

The District shall establish and implement a system of procedural safeguards that includes notice of rights to the parent/guardian of a student suspected of being a qualified student with a disability, an opportunity for the parent/guardian to review relevant records, an impartial hearing with an opportunity for participation by the student’s parent/guardian, and a review procedure.

A student or parent/guardian filing a claim of discrimination need not exhaust these procedures prior to initiating court action under Section 504.

Parental Request for Assistance

Parents/Guardians may file a written request for assistance with the Pennsylvania Department of Education (PDE) if one (1) or both of the following apply:

1. The District is not providing the related aids, services and accommodations specified in the student’s Service Agreement.

2. The District has failed to comply with the procedures and state regulations.

PDE shall investigate and respond to requests for assistance and, unless exceptional circumstances exist, shall, within sixty (60) calendar days of receipt of the request, send to the parents/guardians and District a written response to the request. The response to the parents’/guardians’ request shall be in the parents’/guardians’ native language or mode of communication.
Informal Conference

At any time, parents/guardians may file a written request with the District for an informal conference with respect to the identification or evaluation of a student, or the student’s need for related aids, services or accommodations. Within ten (10) school days of receipt of the request, the District shall convene an informal conference. At the conference, every effort shall be made to reach an amicable agreement.

Formal Due Process Hearing

If the matters raised by the District or parents/guardians are not resolved at the informal conference, the District or parents/guardians may submit a written request for an impartial due process hearing. The hearing shall be held before an impartial hearing officer and shall be conducted in accordance with state regulations.

Judicial Appeals

The decision of the impartial hearing officer may be appealed to a court of competent jurisdiction.

Complaint Procedure

This complaint procedure is in addition to and does not prevent parents/guardians from using any option in the procedural safeguards system.

Step 1 – Reporting

A student or parent/guardian who believes s/he has been subject to conduct by any student, employee or third party that constitutes a violation of this policy is encouraged to immediately report the incident to the Section 504 building administrator. Any person with knowledge of conduct that may

violate this policy, is encouraged to immediately report the matter to the Section 504 building administrator.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the Section 504 building administrator, as well as properly making any mandatory police or child protective services reports required by law.

If the Section 504 building administrator is the subject of a complaint, the student, parent/guardian or employee shall report the incident directly to the district’s Section 504 Coordinator.

The complainant or reporting employee is encouraged to use the report form (103.1-AR-1) available online or from the Section 504 Coordinator or building administrator, but oral complaints shall be accepted, documented and the procedures of this policy implemented. The person accepting the verbal or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. The complainant and the accused shall be provided the opportunity to present witnesses and other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place away from school property, school-sponsored activities or school conveyances, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

Upon receiving a complaint of discrimination, the Section 504 building administrator shall immediately notify the district’s Section 504 Coordinator. The Section 504 Coordinator shall authorize the Section 504 building administrator to investigate the complaint, unless the Section 504 building administrator is the subject of the complaint or is unable to conduct the investigation.

The investigator may also evaluate any other information and materials relevant to the investigation. The person making the report, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone’s participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals results in a determination that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Section 504 Coordinator, or Section 504 building administrator, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the incident is pending or has been concluded. The investigator should coordinate with any other ongoing
investigations of the allegations, including agreeing to requests for a short delay in fulfilling the district’s investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.

Step 3 – Investigative Report

The investigator Section 504 building administrator shall prepare and submit a written report to the Section 504 Coordinator within twenty-one (2015) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation and the availability of witnesses requires the investigator and the Section 504 Coordinator to establish a different due date; additional time to complete the investigation is required. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, and whether the conduct violated this policy and of any other violations of law or Board policy which may warrant further district action; it is a violation of this policy, and a recommended disposition of the complaint. An investigation into disability harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition, within a reasonable time of the submission of the written report. The accused shall not be notified of the individual remedies offered or provided to the complainant.

Step 4 – District Action
POLICY NO. 103.1

If the investigation results in a finding that some or all of the allegations of the complaint are established as factual and constitutes a violation of this policy, the District shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs will not recur. The District shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. PROCEDURAL SAFEGUARDS NOTIFICATION

Dear Parent/Guardian:

As part of the protections available to you if we cannot agree as to what related aids, services, or accommodations should or should no longer be provided to your child, one or more options available through the procedural safeguard system may be used to resolve the dispute.

Parental Request For Assistance –

Parents/Guardians may file a written request for assistance with the Department of Education if you believe the school district is not providing the related aids, services, and accommodations specified in the Service Agreement and/or the school district has failed to comply with Chapter 15 of the State Board of Education Regulations.

The Department of Education will investigate and respond to requests for assistance and, unless exceptional circumstances exist, will, within sixty (60) calendar days of receipt of the request, send to the parents/guardians and school district a written response to the request.

Written requests should be addressed to:

Pennsylvania Department of Education
Bureau of Special Education
333 Market Street
Harrisburg, PA 17126
717-783-6913

Informal Conference –

Parents/Guardians may file a written request with the school district for an informal conference with respect to the identification or evaluation of a student, or the student's need for related aids, services, or accommodations. Within ten (10) school days of receipt of the request, the school district shall convene an informal conference. At the conference, every effort shall be made to reach an amicable agreement.

Formal Due Process Hearing –

Parents/Guardians may file a written request with the school district for an impartial due process hearing.

1. The hearing shall be held before an impartial hearing officer.

2. The hearing shall be held in the local school district at a place reasonably convenient to the parents/guardians. At the request of the parents/guardians, the hearing may be held in the evening.
3. The hearing shall be an oral, personal hearing and shall be open to the public unless the parents/guardians request a closed hearing.

4. If the hearing is open, the decision issued in the case, and only the decision, shall be available to the public.

5. If the hearing is closed, the decision shall be treated as an educational record of the student and may not be available to the public.

6. The decision of the hearing officer shall include findings of fact, discussion and conclusions of law. The decision shall be based solely upon the substantial evidence presented at the hearing. The hearing officer shall have the authority to order that additional evidence be presented.

7. A written transcript of the hearing shall, upon request, be made and provided to parents/guardians at no cost.

8. Parents/Guardians may be represented by legal counsel.

9. A parent/guardian or a parent’s/guardian’s representative shall be given reasonable access to all educational records, including any tests or reports upon which the proposed action is based.

10. Any party may prohibit the introduction of any evidence at the hearing that has not been disclosed to that party at least five (5) days before the hearing.

11. A parent/guardian or a parent’s/guardian’s representative has the right to compel the attendance of and question witnesses of the school entity or agency who may have evidence upon which the proposed action might be based.

12. Any party has the right to present evidence and testimony, including expert medical, psychological or educational testimony.

The following timeline applies to due process hearings:

1. A hearing shall be held within thirty (30) calendar days after a parent’s/guardian’s initial request for a hearing.

2. The hearing officer’s decision shall be issued within forty-five (45) calendar days after the parent’s/guardian’s request for a hearing.

**Judicial Appeals –**

The decision of the impartial hearing officer may be appealed to a court of competent jurisdiction. Under some circumstances, you may raise these claims directly under Section 504 without going through the due process hearing.
If, within sixty (60) calendar days of the completion of the administrative due process proceedings under this chapter, an appeal or original jurisdiction action is filed in state or federal court, the administrative order shall be stayed pending the completion of the judicial proceedings, unless the parents/guardians and school district agree otherwise.

Please indicate the type of procedural safeguard you are requesting:

Dear ____________________________________________________:

The district received a Section 504 referral, and we would like to conduct an initial evaluation to determine if your child is a qualified student with a disability.

The procedures and types of tests that will be used in the evaluation are:

If you have any questions, please contact the Section 504 Building Administrator.

THIS POLICY SHALL SUPERSEDE POLICY 848.

Section 1 Authority

The Board declares it to be the policy of this District to provide to all persons equal access to all categories of employment in this District, regardless of race, color, age, creed, religion, gender, sexual orientation, gender identity and expression, ancestry, national origin, marital status, genetic information, pregnancy, handicap/disability, limited English proficiency, or any other legally protected category. The Board encourages employees and third parties who believe they or others have been subject to discrimination to promptly report such incidents to designated employees.

The Board directs that verbal and written complaints of discrimination shall be investigated promptly, and appropriate corrective action be taken when allegations are substantiated. The Board prohibits retaliation against any person for making a report of discrimination or participating in a related investigation or hearing, or opposing practices the person reasonably believes to be discriminatory. A complaint of retaliation shall be handled in the same manner as a complaint of discrimination.

SECTION 2

DEFINITIONS

Discriminatory Harassment

Harassment by students, employees or third parties on the basis of race, color, age, creed, religion, gender, sexual orientation, gender identity and expression, ancestry, national origin, marital status genetic information, pregnancy, handicap/disability, limited English proficiency, or any other legally protected category is a form of discrimination and is subject to this policy. A person who is not necessarily an intended victim or target of such harassment but is adversely affected by the offensive conduct may file a report of discrimination on his/her own behalf.

For purposes of this policy, harassment shall consist of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation, or other conduct that may be harmful or humiliating or interfere with a person’s work performance and which relates to an individual’s or group’s race, color, age, creed, religion, gender, sexual orientation, gender identity and expression, ancestry, national origin, marital status genetic information, pregnancy, handicap/disability, limited English proficiency, or any other legally protected category.

Information, pregnancy, handicap/disability, limited English proficiency, or any other legally protected category when such conduct is:

1. Sufficiently severe, persistent or pervasive; and

2. A reasonable person in the complainant’s position would find that it creates an intimidating, threatening or abusive work environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

For purposes of this policy, sexual harassment shall consist of unwelcome sexual advances; requests for sexual favors; and other inappropriate verbal, nonverbal, written, electronic, graphic or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an employee’s status; or

2. Submission to or rejection of such conduct is used as the basis for employment-related decisions affecting an employee; or

3. Such conduct is sufficiently severe, persistent or pervasive that a reasonable person in the complainant’s position would find that it unreasonably interferes with the complainant’s performance at work or otherwise creates an intimidating, hostile, or offensive working environment such that it alters the complainant’s working conditions.

Section 32 Delegation of Responsibility

In order to maintain a program of nondiscrimination practices that is in compliance with applicable laws and regulations, the Board designates the Superintendent as the District’s Compliance Officer. The title and authority may be delegated to an administrative member. In the event that the title and authority is delegated to an administrative member, the delegated administrator will notify the Superintendent when a
POLICY NO. 104

NONDISCRIMINATION IN EMPLOYMENT AND CONTRACT PRACTICES

complaint is filed and during the investigation, and will file a completed report with the Superintendent.

The Compliance Officer shall publish and disseminate this policy and complaint procedure at least annually to students, parents/guardians, employees, and the public to notify them of where and how to initiate complaints under this policy through handbooks and on the District website. All nondiscrimination notices or information shall include the name, office address, and telephone number and email address of the Compliance Officer designated in this policy.

The Compliance Officer shall be responsible to ensure adequate nondiscrimination procedures are in place, to recommend new procedures or modifications to procedures and to monitor the implementation of nondiscrimination procedures in the following areas:

1. **Review** - Review of personnel practices and actions for discriminatory bias and compliance with laws against discrimination to include monitoring and recommending corrective measures when appropriate to written development of position qualifications, job descriptions, and essential job functions; recruitment materials and practices; procedures for screening applicants; application and interviewing practices for hiring and promotions; district designed performance evaluations; review of planned employee demotions, non-renewal of contracts, and proposed employee disciplinary actions up to and including termination.

3. **Resources** - Maintain and provide information to staff on resources available to alleged victims in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence or rape crisis programs, and community health resources.

including counseling resources. Procedures for screening, interviewing, and hiring.

4. Promotions.

5. Complaints: Monitor and provide technical assistance to building principals or designees in processing complaints. Disciplinary actions, up to and including terminations.

The building principal, supervisor or designee shall be responsible to promptly complete the following duties upon receipt of a report when receiving a complaint of discrimination or retaliation from employees or third parties:

1. If the building principal or supervisor is the subject of the complaint, refer the complainant to the Compliance Officer to carry out these responsibilities.

2. Inform the employee or third party about this policy including the right to an investigation of both verbal and written complaints of discrimination, file a complaint, and the complaint procedure.

3. Provide relevant information on resources available in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence and rape crisis programs, and community health resources including counseling resources.

4. Immediately notify the Compliance Officer of the complaint. The Compliance Officer shall assess whether the investigation should be conducted by the building principal, another employee, the Compliance Officer or an attorney and shall promptly assign the investigation to that individual.

5. After consideration of the allegations and in consultation with the Compliance Officer and other appropriate individuals, promptly implement interim measures as appropriate to protect the complainant and others as

### Step 1 – Reporting

An employee or third party who believes s/he has been subject to conduct by any student, employee, or third party that constitutes a violation of this policy is encouraged to immediately report the incident to the building principal or the employee’s supervisor. Any person with knowledge of conduct which may violate this policy, is encouraged to immediately report the matter to the building principal or supervisor.

If the building principal or supervisor is the subject of a complaint, the employee or third party shall report the incident directly to the Compliance Officer. The complainant or reporting employee is encouraged to use the report form (104-AR-1) available on the district website, from the building principal or the administrative office, or to put the complaint in writing; however, oral complaints shall be acceptable, documented and the procedures of this policy implemented. The person accepting the verbal or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. In all other respects, the person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the complainant or those accused of a violation of this policy.
POLICY NO. 104
NONDISCRIMINATION IN EMPLOYMENT AND CONTRACT PRACTICES

Step 2 – Investigation

Where an attorney is not used to conduct an investigation into a discrimination complaint, only individuals who have received basic training on the applicable law, this policy and how to conduct a discrimination investigation shall be authorized to conduct an investigation of a complaint made pursuant to this policy.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be interviewed and what records may be relevant to the investigation.

The investigator shall conduct an adequate, reliable and impartial investigation. The complainant and the accused shall be provided the opportunity to present witnesses and other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place outside of school or school-sponsored activities, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

Upon receiving a complaint of discrimination, the building principal or supervisor shall immediately notify the Compliance Officer. The Compliance Officer shall authorize the building principal or supervisor to investigate the complaint, unless the building principal or supervisor is the subject of the complaint or is unable to conduct the investigation.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person reporting the alleged discrimination, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone’s participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be
instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator. If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child services investigation of the allegations is pending or has been cancelled or concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to requests for a short delay in fulfilling the district’s investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.

Step 3 – Investigative Report

The investigator building principal shall prepare and submit a written report to the Compliance Officer within twenty (20) days, unless the nature of the allegations, anticipated extent of the investigation and the availability of witnesses requires the investigator and the Compliance Officer to establish a different due date. Additional time to complete the investigation is required, a determination of whether the complaint has been substantiated as factual and whether it is a violation of this policy, and a recommended disposition of the complaint. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and any other violation of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into discriminatory harassment or sexual harassment shall consider the record as a whole and
POLICY NO. 104
NONDISCRIMINATION IN EMPLOYMENT AND CONTRACT PRACTICES

the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition within a reasonable time of the submission of the written report. The accused shall not be notified of the individual remedies offered or provided to the complainant. Findings of the investigation shall be provided to the complainant, the accused, and the Compliance Officer.

Step 4 – District Action

If the investigation results in a finding that some or all of the allegations of the complaint are established as factual and constitutes a violation of this policy, the District shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs will not recur. The District shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different law or Board policy was violated separately from or in addition to violations of this policy, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary.

Disciplinary actions shall be consistent with Board policies and administrative regulations, district procedures, applicable collective bargaining agreements, and state and federal laws.

Appeal Procedure
### POLICY NO. 104
#### NONDISCRIMINATION IN EMPLOYMENT AND CONTRACT PRACTICES

1. If the complainant or the accused is not satisfied with a finding made pursuant to or no violation of the policy or with recommended corrective action recommended in the investigative report, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.

2. The individual receiving the appeal shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.

3. The person handling the appeal shall prepare a written response to the appeal within twenty-five (20) days. Copies of the response shall be provided to the complainant, the accused, and the investigator who conducted the initial investigation.
