Repeated infractions of Board policy requiring the attendance of enrolled students may constitute such misconduct and disobedience as to warrant the suspension or expulsion of the student from the regular school program.

1. Students enrolled in special schools conducted by the Allegheny Intermediate Unit or the Department of Education.

The Board may report to appropriate authorities infractions of the law regarding the attendance of students below the age of seventeen. The Board shall issue notice to those parents and guardians who fail to comply with the statutory requirements of compulsory attendance that such infractions of the statute will be prosecuted.

Notice will be issued to the parents/guardians following three (3) days of illegal absence or the equivalent.

The notice remains in effect continuously for the period of compulsory attendance, not merely for the school year when the notice was issued.

No additional notice is necessary throughout the remainder of a student’s school career.

Subsequent illegal absences of one day or the equivalent will be reason to file charges against the parent/guardian and student (age 13-17) with the appropriate local authorities.

For the purposes of this policy, there are four categories of absences: “illegal,” “excused,” “unexcused,” and “disciplinary.” An “illegal” absence is an unexcused absence (not resulting from a disciplinary suspension) of a pupil of compulsory school age, under 17 years of age. An “excused” absence results from illness, quarantine, death in the immediate family, impassable roads, observance of a recognized religious holiday, and professional medical treatment. An “excused” absence may also be an absence approved in advance by the building principal. An “unexcused” absence results from a student age 17 or over absent without parental consent or excuse. A “disciplinary” absence results from the student’s conduct.

absence results from imposition by the School District of disciplinary measures upon the student that by definition preclude his/her attendance. “Disciplinary” absences do not, however, include absences resulting from the imposition of sanctions upon the student by the criminal or juvenile court system.

Instances of tardiness to school may be aggregated to equal a day of absence.

Parents may seek permission to have a student excused from school to travel or vacation away from home for a maximum of five school days each year. This absence will be marked excused provided:

1. The building principal receives a written request from the parent/guardian prior to the student’s absence asking to have the student excused for the purpose of vacation and travel. This request shall be made at least one (1) week before the absence.

2. Following the principal’s approval, the student will be given a homework completion form that requires his/her teachers’ signatures and prompts the teachers to provide the work that is to be completed during the absence.

3. Upon return to school, the student shall have up to five (5) days to complete and hand-in the assigned work. The student is responsible for handing in the homework completion form to the principal’s office. The form is signed by each of his/her teachers verifying the satisfactory completion of all work missed.

4. If the work is not satisfactorily completed within the five (5) day period and/or the homework completion form is not handed into the principal’s office, the absence will be marked as unexcused.

A student who is absent or tardy must by law submit a written excuse from parent(s)/guardian(s) stating the exact reason for the absence or tardy and the exact date of the absences or tardies. If no excuse is submitted, the absence or tardies will be marked as unexcused. Any absences not deemed appropriate by school authorities shall be marked as unexcused.

Section 5 Guidelines

In addition to posting this policy on the district’s website, the District shall annually inform students, parents/guardians, sponsors, volunteers and district employees that hazing is prohibited, by means including publication in handbooks and verbal instructions by the coach or sponsor at the start of the season or program.

Building principals shall take such disciplinary action for violations of this policy as is appropriate and within their authority, as set forth in policy and the Code of Student Conduct.

If the investigation results in a substantiated finding that a coach, sponsor, or volunteer affiliated with the student activity or organization engaged in, condoned or ignored any violation of this policy, s/he shall be disciplined in accordance with Board policy and applicable laws and regulations. Discipline could include, but is not limited to, dismissal from the position as coach, sponsor, or volunteer, and/or dismissal from district employment.

Any person who causes or participates in hazing and/or is knowledgeable of a hazing event and fails to report may also be subject to criminal prosecution.

**Section 1**  
**Authority**

This policy applies to district employees, volunteers, student teachers, and independent contractors and their employees who interact with students or are present on school grounds. For purposes of this policy, such individuals are referred to collectively as **adults**. The term **adults** as used in this policy, does not include district students who perform services on a volunteer or compensated basis.

All adults shall be expected to maintain professional, moral and ethical relationships with district students that are conducive to an effective, safe learning environment. This policy addresses a range of behaviors that include not only obviously unlawful or improper interactions with students, but also precursor grooming and other boundary-blurring behaviors that can lead to more egregious misconduct.

The Board directs that all adults shall be informed of conduct that is prohibited and the disciplinary actions that may be applied for violation of Board policies, administrative regulations, rules and procedures.

This policy is not intended to interfere with appropriate pre-existing personal relationships between adults and students and their families that exist independently of the District or to interfere with participation in civic, religious or other outside organizations that include district students.

### POLICY NO. 847
**MAINTAINING PROFESSIONAL ADULT/STUDENT BOUNDARIES**

There will be circumstances where personal relationships develop between an adult and a student’s family, e.g. when their children become friends. This policy is not intended to interfere with such relationships or to limit activities that are normally consistent with such relationships. Adults are strongly encouraged to maintain professional boundaries appropriate to the nature of the activity.

It is understood that many adults are involved in various other roles in the community through non-district-related civic, religious, athletic, scouting or other organizations and programs whose participants may include district students. Such community involvement is commendable, and this policy is not intended to interfere with or restrict an adult’s ability to serve in those roles; however, adults are strongly encouraged to maintain professional boundaries appropriate to the nature of the activity with regard to all youth with whom they interact in the course of their community involvement.

### Reporting Inappropriate or Suspicious Conduct

If the Superintendent or designee reasonably suspects that conduct being reported involves an incident required to be reported under the Child Protective Services Law, the Educator

Investigation

Allegations of inappropriate conduct shall be promptly investigated in accordance with the procedures utilized for complaints of harassment.

If as the result of an investigation any individual, including the reported adult, the reporter, or a witness is found to have intentionally provided false information in making the report or during the investigation or hearings related to the report, or if any individual intentionally obstructs the investigation or hearings, this may be addressed as a violation of this policy and other applicable laws, regulations and district policies.
