An **education program or activity** includes, but is not limited to, academic, extracurricular, research, occupational training and other education programs and activities of the District ~~the locations, events or circumstances over which the District exercises substantial control over both the respondent and the context in which the sexual harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on campus or off campus.~~ The District is obligated to address a sex based hostile environment in a district education program or activity, even when some conduct is outside the District's program or activity, or outside of the United States.

Did the incident occur during a during a school program or activity involving a person in the United States?

Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a district education program or activity.~~

□ Hostile environment harassment - unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from a district education program or activity. Determination of whether a hostile environment has been created is a fact-specific inquiry that includes consideration of factors, including but not limited to:

- The degree to which the conduct affected the complainant's ability to access the District's education program or activity;
- The type, frequency and duration of the conduct;
- The complainant's and respondent's ages, roles in the District education program or activity, previous interactions and other relevant factors;

What supportive measures were discussed with the complainant, and what were the complainant's wishes with respect to supportive measures and reasonable safety concerns?

Upon designating a course of action under Title IX sexual-based discrimination or harassment, the Title IX Coordinator will promptly:

1. Explain to the complainant the process for filing a ~~formal~~ complaint and provide information about the Grievance Procedures and informal resolution process, if applicable.
2. Inform the complainant of the continued availability of supportive measures with or without the filing of a ~~formal~~ complaint.

If the complainant/reporter, school staff or others with professional knowledge relating to the complainant's health and well-being indicate that notifying the person(s) in parental relation could cause serious harm to the health or well-being of the complainant or other person(s), the Title IX Coordinator will determine, in consultation with such individuals, **including the Superintendent**, and upon advice of legal counsel, **and upon the request of law enforcement or child welfare agency**, whether to withhold or delay notification of the report from the complainant's person(s) in parental relation.

4. Determine what supportive measures may be offered to the respondent.

If the complainant does not wish this report to be treated as a ~~formal~~ complaint pursuant to Title IX, the Title IX Coordinator must assess whether actions limited to supportive measures are a sufficient response to alleged behavior, or whether **initiation of the Grievance Procedures** ~~a formal complaint process~~ is necessary to investigate and address the situation adequately. ~~For example, if disciplinary action would be warranted if allegations are true, if the respondent is an employee, or if further investigation is needed to assess the extent of the behavior and impact on others, it may be clearly unreasonable not to initiate the formal complaint process. The Title~~

~~IX Coordinator may consult with the school solicitor and other district officials in making this decision.~~ This assessment shall be fact specific, including at a minimum, the following factors:

1. The complainant's request not to proceed with initiation of a complaint pursuant to Title IX.
2. The complainant's reasonable safety concerns regarding the initiation of a complaint pursuant to Title IX.
3. The risk that additional acts of sex-based discrimination or harassment would occur if a complaint is not initiated.
- ~~4.~~4. The severity of the allegation, including whether the sex-based discrimination or harassment, if established, would require the removal of the respondent from campus or imposition of another disciplinary sanction to end the discrimination or harassment and prevent its recurrence.
5. The age and relationship of the parties, including whether the respondent is a district employee.
6. The scope of the allegation, including information suggesting a pattern, ongoing sex-based discrimination or harassment or sex-based discrimination or harassment alleged to have impacted multiple individuals.
7. The availability of evidence to assist a decision-maker in determining whether sex-based discrimination or harassment occurred.
8. Whether the District could end the alleged sex-based discrimination or harassment and prevent its recurrence without initiating the Grievance Procedures.

The Title IX Coordinator may consult with the school solicitor and other district officials in making this decision.

If after assessment of the factors above and any other relevant factors, the Title IX Coordinator determines that the alleged conduct presents an imminent and serious threat to the health or safety of the complainant or other person, or that the alleged conduct prevents the District from ensuring equal access on the basis of sex to the District's education programs or activities, the Title IX Coordinator will notify the complainant of the decision prior to filing the complaint and the Title IX Coordinator will take measures to appropriately address reasonable concerns about the complainant's safety or the safety of others, including the provision of supportive measures.

conduct that may violate this policy, is encouraged to immediately report the matter to the Section 504 building administrator.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the Section 504 building administrator, as well as properly making any mandatory [law enforcement-police](#) or child protective services reports required by law.

If the Section 504 building administrator is the subject of a complaint, the student, person in parental relation or employee shall report the incident directly to the district's Section 504 Coordinator.

The complainant or reporting employee is encouraged to use the report form (103.1-AR-1) available online or from the Section 504 Coordinator or building administrator, but oral complaints shall be accepted, documented and the procedures of this policy implemented. The person accepting the [oral-verbal](#) or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the [right to file criminal charges opportunity to report the incident\(s\) to law enforcement](#). The complainant and the accused may suggest additional witnesses and provide other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place away from school property, school-sponsored activities or school conveyances, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.</p> <p>The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person making the report, parties, persons in parental relation and witnesses shall be informed of the prohibition against retaliation for anyone’s participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.</p> <p>If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Section 504 Coordinator, who shall promptly inform law enforcement authorities about the allegations.</p> <p>The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the incident is pending or has been concluded. Step 3 – Investigative Report

The investigator shall prepare and submit a written report to the Section 504 Coordinator within twenty (20) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation and the availability of witnesses requires the investigator and the Section 504 Coordinator to establish a different due date. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and of any other violations of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into disability harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, for example, whether the investigator believes the allegations to be founded or unfounded, within a reasonable time of the submission of the written report to the extent authorized by the Family Educational Rights and Privacy Act (FERPA) and other applicable laws. - ☐ Other _____

To meet the definition of Title IX sex-based discrimination ~~or~~ ~~ual~~ harassment, the conduct must have taken place during a district education program or activity ~~against~~ ~~involving~~ a person in the United States ~~and be subject to the District's disciplinary authority.~~ An education program or activity includes, but is not limited to, academic, extracurricular, research, occupational training and other education programs and activities of the District ~~the locations, events or circumstances over which the District exercises substantial control over both the respondent and the context in which the sexual harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus. The District is obligated to address a sex-based hostile environment in a district education program or activity, even when some conduct is outside the District's program or activity, or outside of the United States.~~

Did the incident occur during a during a school program or activity involving a person in the United States?

☐ Yes

☐ No

To meet the definition of Title IX sexual harassment, the conduct needs to satisfy one or more of the following (please check all that apply):

- ☐ Discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation or gender identity
- ☐ A district employee or other person authorized to provide ~~conditioning the provision of an a~~ district aid, benefit, or ~~district~~ service on an individual's participation in unwelcome sexual conduct, commonly referred to as quid pro quo sexual harassment.

☐ Hostile environment harassment - unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from a district education program or activity. Determination of whether a hostile environment has been created is a fact-specific inquiry that includes consideration of factors, including but not limited to:

- The degree to which the conduct affected the complainant's ability to access the District's education program or activity;
- The type, frequency and duration of the conduct;
- The complainant's and respondent's ages, roles in the District education program or activity, previous interactions and other relevant factors;
- The location and context in which the conduct occurred; and
- Other sex-based harassment in the District's education program or activity

~~☐ Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a district education program or activity.~~

☐ Sexual assault, dating violence, domestic violence or stalking.

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:

- Length of relationship.
- Type of relationship.
- Frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Sexual assault means a sexual offense under a state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

Stalking means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:

1. Fear for their safety or the safety of others.
2. Suffer substantial emotional distress.

~~X~~.IX. Title IX Information to Complainant

What supportive measures were discussed with the complainant, and what were the complainant's wishes with respect to supportive measures **and reasonable safety concerns**?

Upon designating a course of action under Title IX sex-~~based~~**ual** discrimination or harassment, the Title IX Coordinator will promptly:

1. Explain to the complainant the process for filing a formal complaint **and provide information about the Grievance Procedures and informal resolution process, if applicable.**
2. Inform the complainant of the continued availability of supportive measures with or without the filing of a formal complaint.
3. Determine what supportive measures may be offered to the respondent.
4. Determine whether the complainant wishes this report to be treated as a ~~formal~~ complaint.

~~XI~~.X. Title IX Coordinator Signature

I recommend the above course of action based on my consultation with the complainant and the information available at this time.

Title IX Coordinator: _____

Date: _____

~~XII~~.XI. District-Initiated Title IX ~~Formal~~ Complaint-~~Action~~

~~The Title IX Coordinator shall have the complainant check the appropriate box and sign and date below to indicate whether or not the complainant wishes to have this form serve as a formal complaint pursuant to Title IX.~~

~~I would like my report to be treated as a formal complaint pursuant to Title IX.~~

~~☐ Yes ☐ No~~

~~Complainant's Signature: _____~~

Date: _____

If the complainant does not wish this report to be treated as a ~~formal~~ complaint pursuant to Title IX, the Title IX Coordinator must assess whether actions limited to supportive measures are a sufficient response to alleged behavior, or whether ~~initiation of the Grievance Procedures a formal complaint process~~ is necessary to investigate and address the situation adequately. ~~For example, if disciplinary action would be warranted if allegations are true, if the respondent is a supervisor, or if further investigation is needed to assess the extent of the behavior and impact on others, it may be clearly unreasonable not to initiate the formal complaint process. The Title IX Coordinator may consult with the school solicitor and other district officials in making this decision.~~

This assessment shall be fact specific, including at a minimum, the following factors:

1. The complainant's request not to proceed with initiation of a complaint pursuant to Title IX.
2. The complainant's reasonable safety concerns regarding the initiation of a complaint pursuant to Title IX.
3. The risk that additional acts of sex-based discrimination or harassment would occur if a complaint is not initiated.
4. The severity of the allegation, including whether the sex-based discrimination or harassment, if established, would require the removal of the respondent from campus or imposition of another disciplinary sanction to end the discrimination or harassment and prevent its recurrence.
5. The age and relationship of the parties, including whether the respondent is a district employee.
6. The scope of the allegation, including information suggesting a pattern, ongoing sex-based discrimination or harassment or sex-based discrimination or harassment alleged to have impacted multiple individuals.
7. The availability of evidence to assist a decision-maker in determining whether sex-based discrimination or harassment occurred.
8. Whether the District could end the alleged sex-based discrimination or harassment and prevent its recurrence without initiating the Grievance Procedures.

The Title IX Coordinator may consult with the school solicitor and other district officials in making this decision.

If after assessment of the factors above and any other relevant factors, the Title IX Coordinator determines that the alleged conduct presents an imminent and serious threat to the health or safety of the complainant or other person, or that the alleged conduct prevents the District from

ensuring equal access on the basis of sex to the District's education programs or activities, the Title IX Coordinator will notify the complainant of the decision prior to filing the complaint and the Title IX Coordinator will take measures to appropriately address reasonable concerns about the complainant's safety or the safety of others, including the provision of supportive measures.

As Title IX Coordinator, I have determined that, notwithstanding the complainant's preference, it is necessary to proceed with the Grievance Process for Formal Complaints for the following reasons:

Therefore, I am signing this form for the purpose of serving as the formal complaint initiating that process:
