**POLICY NO. 000**  
**BOARD POLICY / PROCEDURE / ADMINISTRATIVE REGULATIONS**

### Section 1: Authority

The policies and procedures adopted by the Board establish the general parameters within which the daily operations of the school district are to be governed. Administrative regulations for carrying out and implementing Board policies are developed and implemented by the administration, under the direction of the Superintendent. As applicable, all members of the school community are expected to comply with both Board policy and administrative regulations, subject to stated limitations and exceptions. However, failure of the Board or the administration to comply with policy or procedure shall not invalidate any lawful action taken.

The Board of School Directors of the Keystone Oaks School District, in accordance with applicable state and federal laws and regulations, establishes policies and procedures for the governance of the Board and for the safe and orderly operation of the School District.

### Section 24: Purpose of Policy / Local Board Procedure

The policies of the Board shall consist of the policies and procedures adopted by the Board and contained in the Policy Manual, and such other separate documents approved by the Board that are expressly incorporated by reference in particular.
Policies and declared to constitute Board policy, such as the Code of Student Conduct.

Administrative regulations are not part of Board policy and may be altered by the administration without Board action. Administrative regulations may not conflict with Board policy or with applicable law.

The policies and local Board procedures adopted by the Board are intended to establish the general and overall rules within which the day-to-day operations of the School District are to be governed. As applicable, all members of the Keystone Oaks School District community shall be expected to comply with Board policy and procedure, subject to the limitations established in this policy.

Section 2

Contents of Policy Manual

a. Local Board Procedures

The bylaws and rules that pertain to Board governance shall hereinafter be referred to as Local Board Procedures and shall be policy series 000: Local Board Procedures.

b. Policies

The rules and guidelines that pertain to the safe and orderly operation of the school district shall hereinafter be referred to as policy and shall be policy series 100: Programs, 200: Pupils, 300: Administrative Employees, 400: Professional Employees, 500: Classified Employees, 600: Finances, 700: Property, 800: Operations, and 900: Community.

Section 3

Limitations

All Board policies and administrative regulations shall be interpreted and administered in a lawful manner. The Board shall make the final interpretation of its policies, and the administration shall make the final interpretation of its regulations.
POLICY NO. 000
BOARD POLICY / PROCEDURE/ ADMINISTRATIVE REGULATIONS

Board policies and procedures and administrative regulations are limited by legal constraints, as are the rights of those to whom Board policies and administrative regulations apply, and are not intended to give an individual a cause of action not independently established in law.

Board policies and procedures are not intended and shall not be construed to supersede or preempt any applicable law, whether constitutional, statutory, regulatory, or common law. Consequently, all Board policies and procedures shall be given both an interpretation and application that is lawful. The Board shall determine the final interpretation of its policies and procedures.

As the Board policies and procedures are limited by legal constraints, so too are the rights of those to whom the Board policies and procedures apply. Board policies and procedures are not intended to expand the rights of individuals beyond those established by law or to give to any individual a cause of action not independently established in law. Enforcement of Board policy and procedure rests exclusively with the School Board.

Board policy and procedure shall not preempt, create, supplant, expand or restrict the rights or liabilities of students, employees, or other members of the School District community beyond what is contemplated by law and are not intended to restrict or limit students, employees, or others from pursuing any claims or defenses available under law.

Section 4 Rules of Construction

In ascertaining the intent of the Board in adopting a policy or procedure, or of the administration in establishing a regulation, the following presumptions, among other legally applicable presumptions, may be used:

1. That neither the Board nor the administration intends a result that is absurd, impossible of execution, or unreasonable.
POLICY NO. 000
BOARD POLICY / PROCEDURE/
ADMINISTRATIVE REGULATIONS

2. That neither the Board nor the administration intends to violate federal or state Constitutions or any other applicable law.

If any policy or procedure or administrative regulation can be given multiple interpretations, the Board and the administration intend that only constitutional and lawful interpretations shall be valid, and that neither an unconstitutional nor an unlawful interpretation was intended.

Administrative regulations are not intended and shall not be construed to supersede or preempt any applicable law, whether constitutional, statutory, regulatory, or common law. Consequently, all administrative regulations shall be given both an interpretation and application that is lawful. The administration shall determine the final interpretation of administrative regulations.

As the administrative regulations are limited by legal constraints, so too are the rights of those to whom the administrative regulations apply. Administrative regulations are not intended to expand the rights of individuals beyond those established by law or to give to any individual a cause of action not independently established in law. Enforcement of administrative regulations rests exclusively with the administration.

Administrative regulations shall not preempt, create, supplant, expand or restrict the rights or liabilities of students, employees, or other members of the school district community beyond what is contemplated by law and are not intended to restrict or limit students, employees or others from pursuing any claims or defenses available under law.

**MEMBERSHIP**

with the School district, be employed by the School District, or receive pay for services from the School District, except as provided by law.

4. Shall, before entering the duties of the office, take and subscribe to the oath or affirmation prescribed by statute before entering the duties of the office.

5. Shall file a statement of financial interests with the Board Secretary, State Ethics Commission, or designee, before taking the oath of office or entering upon his/her duties and annually by May 1, at the following times:
   a. Before taking the oath of office or entering upon duties.
   b. Annually by May 1 while serving on the Board.
   c. By May 1 of the year after leaving the Board.

### Section 3  Election

Election of members of the Board of School Directors shall be in accordance with law.

The Board shall include three (3) members from each of the three communities comprising the District, namely, the Boroughs of Castle Shannon, Dormont, and Green Tree. In November of each odd-numbered year, each community will elect one or more members from its citizenry to serve for a four (4) year term.

### Section 4  Vacancies

A vacancy shall occur by reason of death, resignation, removal from a district or region, or otherwise. Such vacancy shall be filled in accordance with the School Code and Sunshine Act and by appointment by a majority vote of the remaining members of the Board.

within thirty (30) days of the occurrence of the vacancy.

If a vacancy occurs during the last two (2) years of the former school director’s term, the individual appointed to fill that vacancy shall serve for the remainder of the term. If a vacancy occurs during the first two (2) years of the term, the new appointee shall serve only until the first Monday in December following the first municipal election that is scheduled for more than sixty (60) days after the vacancy occurred.

The Board member so appointed shall serve until the first Monday in December after the first municipal election occurring more than sixty (60) days following his/her appointment. When a majority of the memberships are vacant, such vacancies shall be filled by the Court of Common Pleas of Allegheny County.

The Board recognizes that community involvement is crucial to fill the vacancy with the most qualified candidate. The Board will advertise the vacancy through multiple medias to the community as well as advertise the process the Board will follow to fill that vacancy. Vacancies may only be filled by a resident of the borough where that vacancy occurred.

Temporary Vacancy – Active Military Service

A temporary vacancy shall be declared when a school director is ordered to active duty in the military forces of the United States for a period of more than thirty (30) days. The temporary vacancy shall be filled in accordance with the School Code and Sunshine Act and by appointment by a majority vote of the remaining members of the Board within thirty (30) days of the occurrence of the temporary vacancy. The school director so appointed shall serve either until the school director returns from active duty or until expiration of the term for which s/he was elected, whichever occurs first.
### Section 5  
**Term**

In election years, the term of office for all newly elected and re-elected school directors shall begin on the first Monday in December. The term of office of each School Director shall be four (4) years, and shall expire on the first Monday of December of the fourth year of service.

The term of office each School Director for an individual appointed or elected to fill a Board vacancy shall be determined by the number of years remaining on the term the school director was appointed or elected to fill, as stated above under Vacancies expire on the first Monday of December after the municipal election occurring more than sixty (60) days after the appointment. The term of each School Director elected to an unexpired term shall expire at the termination of that term.

### Section 6  
**Removal**

Whenever a School Director is no longer a resident of the borough they were elected to represent, their eligibility to serve on the Board shall cease forthwith.

The removal of a School Director who resigns shall become effective upon the presentation of the resignation to the Board President and upon such date specified therein.

If a School Director shall neglect or refuse to attend two (2) successive Regular meetings of the Board, unless detained by sickness or prevented by necessary absence from the District, or if in attendance at any meeting they neglect or refused to act in an official capacity as a School Director, the remaining members of the Board may declare such office vacant, may be removed from office on the affirmative vote of a majority of the remaining members of the Board.

If a person elected or appointed as a School Director,
having been notified, shall refuse or neglect to qualify as such director, the remaining members may, within ten (10) days following the beginning of the school director's term of office, declare said office vacant on the affirmative vote of a majority of the remaining members of the Board.

**Section 7**  
**Orientation**

The Board believes that the preparation of each school director for the performance of duties is essential to the effectiveness of the Board's functioning. The Board shall encourage each new school director to understand the functions of the Board, acquire knowledge of matters related to the operation of the schools, and review Board procedures and policies.

Each new school director shall be invited to meet with the Board President and/or Superintendent to discuss Board functions, procedures and policy.

**Section 8**  
**Expenses**

Funds for school director education and training may be budgeted on an annual basis.

Each school director shall receive Board approval prior to attending a conference, workshop or convention at Board expense.

When attendance has been authorized by the Board, school directors, a nonmember Board Secretary, and solicitor(s) shall be reimbursed for actual and necessary expenses incurred as delegates to any state convention or association of school directors' convention held within the state, or for attendance at any other meeting held within the state or at an educational convention out-of-state. All such expenses shall be itemized and made available for public inspection at the next succeeding Board meeting. Expenses shall be reimbursed by the Treasurer in the usual manner, upon presentation of an itemized, verified statement.
POLICY NO. 004  
MEMBERSHIP

Advance payments may be made upon presentation of estimated expenses to be incurred, to be followed by a final itemized, verified statement of such expenses actually incurred, and a refund shall be made to the district of such funds remaining, or an additional payment shall be made by the district to meet the verified expenses actually incurred.

Board members, a nonmember Board Secretary, and solicitor(s) shall be reimbursed for necessary expenses actually incurred as delegates to any state convention or association of School Directors’ convention held within the state, or for necessary expenses actually incurred in attendance authorized by the Board at any other meeting held within the state or at an educational convention out of state. All such expenses shall be itemized and made available for public inspection at the next succeeding Board meeting.

No member shall be reimbursed for more than two (2) out-of-state meetings in one (1) school year.

All Board member expense reimbursements must be approved by the Board President, Vice President or Treasurer.

Expenses shall be reimbursed only upon presentation of an itemized, verified statement. Advance payments may be made upon the presentation of estimated expenses to be incurred, to be followed by a final itemized, verified statement of such expenses actually incurred upon return from such conventions, and a refund to be made to the district of such funds remaining or an additional payment be made to the verified expenses actually incurred.

Reimbursement shall be limited to actual expenses incurred, and shall not include or be construed to include compensation to individual school directors.

Section 98: Inservice Educational Self-Development Opportunities and Required Training Programs

SC 516.1

SC 321
POLICY NO. 004
MEMBERSHIP

The Board of School Directors places a high priority on the importance of a planned and continuing program of education and training for its members. The central purpose of the planned program shall be to enhance the quality and effectiveness of the Board’s public school governance and leadership in our community by providing both inservice educational opportunities and required school director training by an approved provider.

Inservice Education –
The Board, in conjunction with the Superintendent, may plan specific in-service education programs and activities designed to assist Board members in efforts to improve their skills as members of a policy-making leadership body; to expand their knowledge about trends, issues, programs, and initiatives affecting the district’s educational programs and student achievement; and to deepen their insights into the nature of leadership, governance, and community engagement.

The Board may annually budget funds to support its planned program of inservice education and training.

The Board establishes the following activities as the basis for planned program of inservice education and training:

1. Participation in School Board conferences, workshops and conventions.
   a. The Board shall identify annually the issues, objectives, and cost benefits that can be ascribed to participation by school directors in conferences, workshops and conventions. An orientation program shall be conducted for each new Board member.
   b. The District shall subscribe to publications addressed to the concerns of Board members.

members

e. b. The Superintendent shall inform school directors, in a timely manner, of upcoming conferences, workshops and conventions. Curriculum reports shall be presented at public meetings.

d. c. The Board shall periodically decide which meetings appear to offer the most direct and indirect benefits to the district. Board members shall be encouraged to participate in School Board conferences, conventions, and workshops.

e. d. When a conference, workshop or convention is not attended by the full Board, those who do participate shall share information, recommendations and materials acquired at the meeting that will be beneficial to the district. Joint meetings with neighboring School Boards or a consortium of School Boards shall be pursued for an exchange of ideas on various facets of School District operations.

2. District-sponsored inservice education and training programs designed to meet Board needs.

3. Subscriptions to publications addressing school directors’ concerns.

4. Maintenance of current resources and reference materials accessible to school directors.

Required Training Program: Newly Elected or Appointed School Directors -

Each newly elected or appointed school director shall complete a training program consisting of at least five (5) hours of instruction, including, at a minimum,

information regarding:

1. Instruction and academic programs, to include, but not be limited to, a minimum of one (1) hour of instruction on best practices related to trauma-informed approaches.

2. Personnel.

3. Fiscal management.

5. Governance.

6. Ethics and open meetings, to include accountability requirements.

*Required Training Program: Re-elected or Re-appointed School Directors*

Each re-elected or re-appointed school director shall, within one (1) year after such re-election or re-appointment, complete an advanced training program consisting of at least three (3) hours of instruction, including:

1. Information on relevant changes to federal and state public school law and regulations.

2. Fiscal management.

3. Trauma-informed approaches.

4. Other information deemed appropriate by the PA Department of Education to enable school directors to serve effectively.

The Budget will include funds to finance participation of Board members in the activities described above. In making expenditure from this budget category, School Directors shall exercise discretion in choosing among the available options for travel, lodging and meals and

shall provide a written or oral conference report at the next regular meeting of the Board. The Board as a whole, following the procedure outlined in the School Code, shall approve or disapprove the participation of members planned activities. The public shall be kept informed through reports at Board meetings about the Board’s continuing self-development program and the expected short and long-range benefits to the School District.

In keeping with its stated priority on the importance of continuing self-development opportunities for its members, the Board encourages the participation of all members at appropriate School Board conferences, workshops, and conventions. Board members may attend professional conferences such as PSBA, NSBA, and local in-service conferences. In order to control both the investment of time and expenditure of funds necessary to implement such activities, the Board establishes the following guidelines:

a. The Board shall identify annually the issues, objectives, and cost benefits that can be ascribed to participation by Board members in conferences, workshops, and conventions.

b. The Board President, Board Secretary, or Superintendent will notify Board members of available intermediate unit or other meetings.

c. The Board shall periodically decide which meetings appear to offer the most direct and indirect benefits to the District.

d. The Board Secretary will maintain a calendar of such events and will remind the Board of upcoming meetings.

e. Each Board member shall receive Board approval prior to attending an out-of-state conference, workshop, or convention at

Board expense.

f. The Board will provide properly budgeted funds to cover expenses for those meetings which have received approval.

g. The Board will reimburse Board members who attend such meetings for actual, but reasonable, expenses as are legally permitted. These expenses shall be itemized and will be approved by appropriate Board action.

h. Reimbursement shall be for actual lodging and meal expenses. Board members must provide receipts of such expenses or written explanation, if no receipts are available, in order to be reimbursed. All documentation shall be submitted to the Superintendent for the reimbursement to be processed.

i. Travel, mileage, etc., are also reimbursable expenses.

j. To receive reimbursement, expense reports must be submitted to the Business Office within thirty (30) days after the conclusion of the meeting.

k. The requirements regarding reimbursement for Board members for travel expenses shall be strictly enforced, and no payment shall be made until receipts for reimbursable expenses are submitted to the Director of Fiscal Services or designee.

l. Reimbursement shall not include or be construed to include compensation to individual Board members.

The threat assessment team shall make available age-appropriate informational materials to students regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community or others and how to report concerns, including through the Safe2Say Something program and other district reporting hotlines or methods. Informational materials shall be available for review by persons in parental relation.
POLICY NO. 236.1
THREAT ASSESSMENT

The threat assessment team shall make available informational materials for school employees regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community or others and how to report concerns, including through the Safe2Say Something program and other district reporting hotlines or methods. Information for school employees shall include a list of the staff members who have been appointed to the threat assessment team.

**Reporting and Identification**

The threat assessment team shall document, assess and respond to reports received regarding students whose behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community or others.

The threat assessment team shall assist in assessing and responding to reports that are received through the Safe2Say Something Program identifying students who may be a threat to themselves or others.

The threat assessment team shall assist in assessing and responding to reports of students exhibiting self-harm or suicide risk factors or warning signs, as identified in accordance with applicable law and Board policy.

When the threat assessment team has made a preliminary determination that a student’s reported behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community or others, the team shall immediately take the following steps:

1. Notify the Superintendent or designee and School Safety and Security Coordinator of the reported threat.

2. Notify the building principal of the school the student attends of the reported threat, who shall notify the student’s person in parental relation of the reported threat.

When a reported student’s behavior indicates that there may be an imminent threat to the safety of the student or others, or an

SC 1302-E
Pol. 103, 104, 256, 819
emergency situation, a threat assessment team member shall take immediate action, which may include promptly reporting to the appropriate law enforcement agency and school administration.

Where a threat assessment team member has reasonable cause to suspect that a reported situation indicates that a student may be a victim of child abuse, the member shall make a report of suspected child abuse in accordance with law and Board policy.

**Inquiry and Assessment**

In investigating, assessing and responding to threat reports, the threat assessment team shall make a determination if the report should be addressed under one or more specific Board policies or administrative regulations, based on the subject matter of the report and the requirements of law, regulations and Board policy, including, but not limited to, reports involving:

1. Discrimination/Title IX Sexual Harassment.  
2. Bullying/Cyberbullying.  
3. Suicide Awareness, Prevention and Response.  
4. Hazing.  
5. Dating Violence.

Members of the threat assessment team shall engage in an assessment of the reported student behavior that may indicate a threat, in accordance with training and established procedures. This process may include, but is not limited to:

1. Interviewing the student, other students, staff, persons in parental relation or others regarding the subject(s) of the reported threat.
2. Reviewing existing academic, health and disciplinary records and assignments, as appropriate, regarding the subject(s) of the report.
3. Conducting searches of lockers, storage spaces, and other possessions on school property as applicable, in
POLICY NO. 236.1

accordance with applicable law, regulations and Board policy.

4. Examining outside resources such as social media sites, in coordination with law enforcement, or contacting law enforcement, juvenile probation, or community agencies to request additional information about the subject(s) of the report, in accordance with law, regulations and Board policies.

5. Where appropriate, convening the appropriate team to assess and/or address the situation that is the subject of the report, such as the Individualized Education Program (IEP) team, Section 504 Team, Behavior Support team, Student Assistance Program team, or others.

The threat assessment team shall establish and implement procedures, in accordance with the district’s Memorandum of Understanding, to address situations where the investigation of a reported threat shall be transferred to the appropriate law enforcement agency.

The threat assessment team may request that the county agency or juvenile probation department consult and cooperate with the team in assessing the student who is the subject of a preliminary determination regarding a threat.

When assessment of a student’s behavior determines that it is not a threat to the student, other students, school employees, school facilities, the community or others, the threat assessment team shall document the assessment and may refer the student to other appropriate resources such as a child study team, the Student Assistance Program team, an IEP or Section 504 Team or other district supports and services.

Response and Intervention

The threat assessment team shall develop an Individualized Management Plan for each student identified and assessed as posing a threat to the student, other students, school employees, school facilities, the community or others. The plan should document the team’s evaluation of the threat and recommendations for disposition of the threat, including the
information gathered during the assessment and recommendations for response and intervention.

Following notification to the student’s person in parental relation, the threat assessment team may refer the student to an appropriate program or take action to address the reported situation in accordance with applicable Board policy, which may include, but is not limited to:

1. A referral to the Student Assistance Program.

2. A referral to the appropriate law enforcement agency.

3. An appropriate evaluation to determine whether the student is a qualified student with a disability in need of a Section 504 Service Agreement or in need of special education services through an Individualized Education Program (IEP), in accordance with applicable law and Board policy.

4. A referral to the student’s IEP Team to review and address the student’s IEP and/or Positive Behavior Support Plan. This could include, but is not limited to, a manifestation determination or functional behavioral assessment in accordance with applicable law, regulations and Board policy.

5. A referral to the student’s Section 504 Team to review and address the student’s Section 504 Service Agreement and/or Positive Behavior Support Plan.

6. With prior parental consent, a referral to a behavioral service provider, health care provider or county agency.

7. Addressing behavior in accordance with applicable discipline policies and the Code of Student Conduct.

8. Ongoing monitoring of the student by the threat assessment team, a child study team, Student Assistance Program team or other appropriate school personnel.

9. Taking steps to address the safety of any potential targets identified by the reported threat.

**Safe Schools Incident Reporting –**

For Safe Schools reporting purposes, the term incident means an instance involving an act of violence; the possession of a weapon; the possession, use, or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act; the possession, use, or sale of alcohol or tobacco; or conduct that constitutes an offense listed under the Safe Schools Act.

When a reported threat also meets the definition of an incident under the Safe Schools Act, in accordance with reporting requirements, the Superintendent or designee shall immediately report required incidents, if not previously reported by district staff, and may report discretionary incidents committed by students on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity to the local police department that has jurisdiction over the school’s property, in accordance with state law and regulations, the procedures set forth in the Memorandum of Understanding with local law enforcement and Board policies.

The Superintendent or designee shall notify the person in parental relation, if not previously notified by district staff, of any student directly involved in an incident on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity, who is a victim or suspect, immediately, as soon as practicable. The Superintendent or designee will inform the person in parental relation whether or not the local police department that has jurisdiction over the school property has been or may be notified of the incident. The Superintendent or designee will document attempts made to reach the person in parental relation.

**Students With Disabilities –**

When reporting an incident committed by a student with a disability or referring a student with a disability to a law enforcement agency, the school district shall comply with all federal and state laws and regulations, including 20 U.S.C. 1232g, 1415.

enforcement agency, the district shall provide the information required by state and federal laws and regulations and shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by these authorities. The District shall ensure compliance with the Family Educational Rights and Privacy Act when transmitting copies of the student’s special education and disciplinary records.

### Monitoring and Management

If a student has an Individualized Management Plan, the threat assessment team shall monitor the Individualized Management Plan and coordinate with the designated team or resource to provide support and follow-up assessment as necessary. Follow-up assessments, referrals, re-entry plans and other supports shall be documented as part of the student’s Individualized Management Plan.

The threat assessment team, in coordination with other appropriate teams and supports, shall determine when the student’s Individualized Management Plan is no longer needed for disposition of the threat(s), and may transfer appropriate information in accordance with applicable law, regulations and Board policy.

### Records Access and Confidentiality

In order to carry out their duties and facilitate the timely assessment of and intervention with students whose behavior may indicate a threat, the threat assessment team shall have access to the following student information to the extent permitted under applicable law and regulations:

1. Student health records.

2. Prior school disciplinary records.

3. Records related to adjudication under applicable law and regulations.

The threat assessment team shall use all information or records obtained in fulfilling the team’s duty in accordance with law to evaluate a threat or to recommend disposition of a threat. Team members shall not redisclose any record or information obtained or otherwise use any record of a student beyond the purpose for which the disclosure was made to the team, in accordance with law.

The threat assessment team shall maintain confidentiality and handle all student records in accordance with applicable law, regulations, Board policy, the Student Records Plan and the district's legal and investigative obligations.

Threat assessment members whose other assignments and roles require confidentiality of specific student communications, in accordance with law, shall ensure that all confidential communications and information are addressed in accordance with applicable law, regulations, Board policy and administrative regulations.

**Annual Board Report**

The threat assessment team shall provide the required information to the Superintendent, in consultation with the School Safety and Security Coordinator, to annually develop and present to the Board, at an executive session, a report outlining the District’s approach to threat assessment, which shall include:

1. Verification that the District’s threat assessment team and process complies with applicable law and regulations.

THREAT ASSESSMENT

2. The number of threat assessment teams assigned in the District, and their composition.

3. The total number of threats assessed that year.

4. A summary of interactions with outside law enforcement agencies, juvenile probation and behavioral service providers.

5. An assessment of the District’s threat assessment team(s) operation.

7. Any additional information required by the Superintendent or designee.

The annual threat assessment report shall be presented as part of the annual report to the Board by the School Safety and Security Coordinator on district safety and security practices.

The threat assessment team’s information addressing verification of compliance with law and regulations, the number of threat assessment teams assigned in the District and their composition, the total number of threats assessed that year, and any additional information required by the Superintendent or designee shall be included in the School Safety and Security Coordinator’s annual report on district safety and security practices that is submitted to the state’s School Safety and Security Committee.

POLICY NO. 247
HAZING

Section 1
Purpose
The purpose of this policy is to maintain a safe, positive environment for students and staff that is free from hazing. Hazing activities of any type are inconsistent with the educational goals of the District and are prohibited at all times.

Section 2
Definitions
HAZING occurs when a person intentionally, knowingly, or recklessly, for the purpose of initiating, admitting, or affiliating, or for the purpose of continuing membership or enhancing membership or status in an organization, causes, coerces or forces a student to do any of the following:

1. Violate federal or state criminal law.
2. Consume any food, liquid, alcoholic liquid, drug or other substance which subjects the student to a risk of emotional or physical harm.
3. Endure brutality of a physical nature, including whipping, beating, branding, calisthenics or exposure to the elements.
4. Endure brutality of a mental nature including activity adversely affecting mental health or dignity of the individual, sleep deprivation, exclusion from social contact, or that could result in extreme embarrassment.

18 Pa. C.S.A. 2802
## POLICY NO. 247
### HAZING

5. Endure brutality of sexual nature.

6. Endure any other activity that creates a reasonable likelihood of bodily injury to the student.

7. Any willful destruction or removal of public or private property.

**Aggravated hazing** occurs when a person commits an act of hazing that results in serious bodily injury or death to the student and:

1. The person acts with reckless indifference to the health and safety of the student; or

2. The person causes, coerces or forces the consumption of an alcoholic liquid or drug by the student.

**Organizational hazing** occurs when an organization intentionally, knowingly or recklessly promotes or facilitates hazing.

Any activity, as described above, shall be deemed a violation of this policy regardless of whether:

1. The consent of the student was sought or obtained, or

2. The conduct was sanctioned or approved by the school or organization.

**Student activity or organization** means any activity, society, corps, team, club or service, social or similar group operating under the sanction of or recognized as an organization by the District, whose members are primarily students or alumni of the organization.

For purposes of this policy, **bodily injury** shall mean impairment of physical condition or substantial pain.

For purposes of this policy, **serious bodily injury** shall mean bodily injury which creates a substantial risk of death or which causes serious, permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.

### Section 3  
**Authority**

The Board prohibits hazing in connection with any student activity or organization regardless of whether the conduct occurs on or off school property or outside of school hours.

No student, person in parental relation, coach, sponsor, volunteer or district employee shall engage in, condone or ignore any form of hazing.

The Board encourages students who believe they, or others, have been subjected to hazing to promptly report such incidents to any staff member.

**Title IX Sexual Harassment and Other Discrimination**

Every report of alleged hazing that can be interpreted at the outset to fall within the provisions of policies addressing potential violations of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of a hazing investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged hazing.

### Section 4  
**Delegation of Responsibility**

Students, person(s) in parental relation, coaches, sponsors, volunteers, and district employees shall be alert to incidents of hazing and shall report such conduct to the building principal or designee.

District administrators shall investigate promptly all complaints of hazing and administer appropriate discipline to any individual or student activity or organization found to be in violation of this policy.

*When a student's behavior indicates a threat to the safety of the student, other students, school employees, school facilities, the community or others, district staff shall report the student to the*

threat assessment team, in accordance with applicable law and Board policy 236.1.

Section 5  Guidelines

In addition to posting this policy on the District’s website, the District shall inform students, person(s) in parental relation, sponsors, volunteers and district employees of the District’s policy prohibiting hazing, including District rules, penalties for violations of the policy, and the program established by the District for enforcement of the policy by means including publication in handbooks and verbal instructions by the coach or sponsor at the start of the season or program.

This policy, along with other applicable district policies, procedures and Codes of Conduct, shall be provided to all school athletic coaches and all sponsors and volunteers affiliated with a student activity or organization, prior to coaching an athletic activity or serving as a responsible adult supervising, advising, assisting or otherwise participating in a student activity or organization together with a notice that they are expected to read and abide by the policies, procedures and Codes of Conduct. These individuals must acknowledge that they have read and understood this policy.

Complaint Procedure

When a student who believes that they have been subject to hazing or is aware of a hazing incident, to promptly report the incident to any staff member. Staff members shall report such incidents to their immediate supervisor.

Students are encouraged to use the District’s report form (103-AR-1), available from the building principal or on the District’s website, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

POLICY NO. 247
HAZING

The Board directs that verbal and written complaints of hazing shall be provided to the building principal or designee, who shall promptly notify the Superintendent or designee of the allegations and determine who shall conduct the investigation. Allegations of hazing shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of hazing brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be hazing under this policy but merits review and possible action under other Board policies.

Interim Measures/Police

Upon receipt of a complaint of hazing, the building principal or designee, in consultation with the Superintendent or designee, shall determine what, if any interim measures should be put in place to protect students from further hazing, bullying, discrimination or retaliatory conduct related to the alleged incident and report. Such interim measures may include, but not be limited to, the suspension of an adult who is involved, the separation of alleged victims and perpetrators, and the determination of what the complaining student needs or wants through questioning.

Those receiving the initial report and conducting or overseeing the investigation will assess whether the complaint, if proven, would constitute hazing, aggravated hazing or organizational hazing and shall report it to the police consistent with district practice and, as appropriate, consult with legal counsel about whether to report the matter to the police at every stage of the proceeding. The decision to report a matter to the police should not involve an analysis by district personnel of whether safe harbor provisions might apply to the person being reported, but information on the facts can be shared with the police in this regard.

Referral to Law Enforcement and Safe Schools Reporting Requirements –

For purposes of reporting hazing incidents to law enforcement in accordance with Safe Schools Act reporting, the term incident 18 Pa. C.S.A. 2810

shall mean an instance involving an act of violence; the possession of a weapon; the possession, use, or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act; the possession, use, or sale of alcohol or tobacco; or conduct that constitutes an offense listed under the Safe Schools Act.

The Superintendent or designee shall immediately report required incidents and discretionary incidents, as defined in the Safe Schools Act, committed by students on school property, at any school-sponsored activity or on a conveyance providing transportation to or from a school or school-sponsored activity to the local police department that has jurisdiction over the school’s property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

The Superintendent or designee shall notify the person in parental relation of any student directly involved in a defined incident as a victim or suspect immediately, as soon as practicable. The Superintendent or designee shall inform the person in parental relation whether or not the local police department that has jurisdiction over the school property has been or may be notified of the incident. The Superintendent or designee shall document attempts made to reach the person in parental relation.

In accordance with state law, the Superintendent shall annually, by July 31, report all new incidents to the Office for Safe Schools on the required form.

**Confidentiality**

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint and the investigation shall be handled in accordance with applicable law, regulations, this policy and the District’s legal and investigative obligations.

**Retaliation**

Consequences for Violations  

Safe Harbor –  
An individual needing medical attention or seeking medical attention for another shall not be subject to criminal prosecution if the individual complies with the requirements under law, subject to the limitations set forth in law.  

Students –  
If the investigation results in a substantiated finding of hazing, or an attempt to circumvent or impede an investigation the investigator shall recommend appropriate disciplinary action up to and including expulsion, as circumstances warrant, in accordance with the Code of Student Conduct. The student may also be subject to disciplinary action by the coach or sponsor, up to and including removal from the activity or organization. The fact of whether a student qualified for and received safe harbor under a criminal investigation shall be considered in assigning discipline.  

Building principals shall take such disciplinary action for violations of this policy as is appropriate and within their authority, as set forth in policy and the Code of Student Conduct.  

Nonstudent Violators/Organizational Hazing -  
If the investigation results in a substantiated finding that a coach, sponsor, or volunteer affiliated with the student activity or organization engaged in, condoned or ignored any violation of this policy, the coach, sponsor, or volunteer shall be disciplined in accordance with Board policy and applicable laws and regulations. Discipline could include, but is not limited to, dismissal from the position as coach, sponsor, or volunteer, and/or dismissal from district employment.

## BULLYING/CYBERBULLYING

### Section 1: Purpose

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

### Section 2: Definitions

**Bullying** means an intentional electronic, written, verbal, or physical act, or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting that is severe, persistent, or pervasive and has the effect of doing any of the following:

1. Substantially interfering with a student’s education.
2. Substantially disrupting the orderly operation of the school.
3. Creating a threatening environment.

**Bullying**, as defined in this policy, includes cyberbullying.

**School setting** means in the school, on school grounds, in school vehicles, on contracted school vehicles, at a designated bus stop, or at any activity sponsored, supervised, or sanctioned...

by the school and/or District. This shall also include hours in which a student would be considered “present” during synchronous virtual instruction, anytime a student is using a district owned device, is on the district network and/or using a district provided learning management platform.

The District reserves the right to investigate acts of bullying that occur outside the school setting if those acts meet the definition of bullying (above).

### Section 3 Authority

The Board prohibits all forms of bullying by district students.

No student, person in parental relation, coach, sponsor, volunteer or district employee shall engage in, condone or ignore any form of hazing.

The Board encourages students who believe they or others have been bullied to promptly report such incidents to any staff member.

Students are encouraged to use the District’s report form (103-AR-1), available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that verbal and written complaints of bullying shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of bullying brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be bullying under this policy but merits review and possible action under other Board policies.

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint and the investigation shall be handled in accordance with applicable law, regulations, this policy and the District’s legal and investigative obligations.

Retaliation

Reprisal or retaliation relating to reports of bullying or participation in an investigation of allegations of bullying is prohibited and shall be subject to disciplinary action.

Section 4

Delegation of Responsibility

Every student and employee shall be responsible to respect the rights of others and to ensure an atmosphere free of bullying.

The Superintendent or designee shall develop administrative regulations to implement this policy. In addition, the Administration will develop procedures for training all employees, including chaperones and sponsors on the Policy.

The Superintendent or designee shall ensure that this policy and administrative regulations are reviewed annually with students.
# POLICY NO. 256
## BULLYING/CYBERBULLYING

The Superintendent or designee, in cooperation with other appropriate administrators, shall review this policy every three (3) years at a minimum and recommend necessary revisions to the Board.

District administration shall annually provide the following information with the Safe School Report:

1. Board’s Bullying Policy
2. Report of bullying incidents
3. Information on the development and implementation of any bullying prevention, intervention or education programs.

The Administration is directed to evaluate the need, if any, for District-wide or building-level evidence-based bullying prevention programs, and to report its findings to the Board with appropriate recommendations.

The Administration is directed to continue to assess, and to make recommendations to the Board, for any appropriate changes to existing intervention programs and practices in place to address the needs of students who are bullied, and the issues relating to students who engage in bullying.

### Section 5 Guidelines

The Code of Student Conduct, which shall contain this policy, shall be disseminated annually to students.

This policy shall be accessible in every classroom. The policy shall be posted in a prominent location within each school building and on the district website.
