Board President's Report

BOARD PRESIDENT’S REPORT – Mrs. Theresa Lydon
The following action items will be considered at the December 15, 2020 Business/Legislative Meeting:

BOARD ACTION REQUESTED

Board Minutes

BOARDS MINUTES
It is recommended that the Board approve the Work Session Minutes of November 10, 2020 and the Business/Legislative Minutes of November 17, 2020.

Health & Safety Plan Change

HEALTH AND SAFETY PLAN CHANGE
It is recommended that the Board approve the following changes to the Keystone Oaks School District Health and Safety Plan:

Introduction:
This document reflects guidance from the CDC, PA Governor’s Office, the PA Department of Health, and the Allegheny County Department of Health as of November
23, 2020. This document is subject to change based upon guidance from the CDC, PA Governor’s Office, the PA Department of Health, and the Allegheny County Health Department. As of this time, the options for instruction continue to be the following: 1) traditional, face-to-face, in the classroom (Hybrid Model); 2) synchronistic – meaning student will follow their daily schedule via Google Meets and will view and interact their teachers who are teaching from their classrooms; 3) Keystone Oaks Cyber Academy – meaning students will take online classes and will be facilitated by a District teacher who will facilitate the learning and who will be available for consultation.

**The following information was added to the Health and Safety Plan:**

On Monday, November 23, 2020, the Pennsylvania Secretary of Health and the Pennsylvania Department of Education (PDE) announced new COVID-19 guidance that is now mandated for Pre-K-12 schools. The guidance is based on the number of cases in each school building over a rolling 14-day period.

PDE and the Pennsylvania Department of Health are recommending full remote learning for all K-12 schools in counties that over a period of two weeks have had substantial levels of community transmission. Allegheny County was placed in the substantial level on Friday, November 13, 2020 and remains in the substantial level today.

However, school districts may choose to pursue in-person instruction; however they must follow new guidance. The District had to affirm to PDE that all or some of Keystone Oaks’ students are receiving in-person instruction and that the District will comply with the [Pennsylvania Secretary of Health’s updated order on face coverings](#) as well as the [updated Recommendations for Pre-K to 12 Schools Following Identification of a Case(s) of COVID-19](#), when cases of COVID-19 occur within the public school entity. **By signing this document, these are no longer recommendations by PDE but now become mandates.**

The new guidance outlines mandates for when school buildings must close for in-person instruction; that determination is based on the number of students enrolled at the school and the number of positive cases (students and staff) over a rolling 14-day period. Our school buildings fall into the following categories:

- Aiken Elementary - Small
- Domont Elementary - Small
- Myrtle Elementary - Small
- Keystone Oaks Middle School - Small
- Keystone Oaks High School - Medium

If one of our schools reaches the threshold for the number of positive COVID-19 cases, the building must close for in-person learning for the amount of time it will take to complete case investigations, contact tracing, and cleaning and disinfecting.

**Cleaning, Sanitizing, Disinfecting, and Ventilation**

- Cleaning supplies will be provided for students and teachers to regularly clean desks throughout the day as needed.
Other Considerations for Students and Staff

- Changed to - *Cleaning supplies will be provided for staff members to regularly clean desks throughout the day as needed.*

**Wearing a cloth face covering is best. A disposable face shield is considered an alternative to a face covering and may be worn when wearing a face covering is otherwise not possible.**

Therefore, face shields should not be worn unless a student or employee has a documented medical exemption that precludes him/her from wearing a cloth face covering.

- In the section “Use of face coverings by all staff” -
  - Added - *As per the Nov. 17 updated order on face coverings, if a student or employee cannot wear a cloth face covering due to a medical reason, he/she may wear a plastic face shield.*

- In the section “Use of face coverings by older students” -
  - Added - *As per the DOH Nov. 17 updated order on face coverings, if a student or employee cannot wear a cloth face covering due to a medical reason, he/she may wear a plastic face shield.*

- A discussion was had regarding the Health and Safety Plan change.

<td>First, I want to thank the school board and Dr. Stropkaj for what I feel has been a fantastic job this year, so far, in response to a very complex set of variables for the communities within the KO school district. I am thankful for the work you are doing on behalf of all KO families. Second, I wanted to reiterate the importance of remote learning over the holiday. It pains me because I know the kids, mine included, are yearning for &quot;normalcy&quot; and social interaction with friends. I also know as a household with 2 parents working at home it is very challenging to maintain this schedule - I want nothing more than my child to be back in a classroom with his friends. However, I also know with the level of community spread and with imminent travel and gathering over the holiday, it is more imperative than ever to maintain the virtual classrooms. Thank you and happy holidays.</td>
