The school district in which this student is living is his or her resident school district and the student may enroll without any additional assistance from an adult. If the student is an emancipated minor, as defined under Pennsylvania law, the resident school district shall be the one in which the student is then living.

Emancipated minors may be required to show ample proof that they meet the above criteria as an emancipated minor.

#### Homeless Students

The School District will ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youth. Homeless children and youth lack a fixed, regular and adequate nighttime residence. Included within the definition of homeless children and youth are those residing in shelters, hotels, motels, cars, tents or temporarily doubled-up with a resident family because of lack of housing, as well as those who are awaiting foster care placement and unaccompanied homeless youth.

In the case of homeless students, traditional concepts of "residence" and "domicile" do not apply. Homeless youth are entitled to immediate enrollments and their families are not required to prove residency regarding school enrollment. These students shall be enrolled without delay, in the district where they are presently residing, or continue their education in the district of prior attendance.

Unaccompanied homeless youth may enroll without documents and without the help of an adult. Unaccompanied homeless youth includes any child who is not in the physical custody of a parent or guardian. Falling within this definition are students who have run away from home, been thrown out of their home, or been abandoned or separated from their parents or guardians.

offense involving a weapon, the District may assign that student to an alternative assignment or may provide alternative education, provided the assignment does not exceed the expulsion period.

The Administration shall request a certified copy of the student’s disciplinary record from the school of last enrollment and shall delay the entrance of the student until such documentation is provided.

Upon finding that a newly enrolled student is presently expelled from any private or public school for an act or offense involving a weapon, the Administration shall assign the student to an assignment other than what would have been his/her “regular” educational assignment, or provide alternative education services. Under no circumstances may the alternative assignment exceed the period of expulsion imposed by the private school or other public school. Written notice of the alternative assignment or the alternative education services shall be provided to the parent of the student within a reasonable time period. The Administration shall advise the student and his/her parents that he/she shall not be permitted to participate in the regular educational programs of the Keystone Oaks School District (including its extracurricular programs) until the remainder of the period of the suspension has elapsed. During the remainder of the period of suspension, however, the student shall be provided the opportunity to make up any schoolwork assigned by Keystone Oaks personnel during the remainder of the period of the suspension.

Upon finding that a newly enrolled student is presently expelled from any private or public school for an offense other than a weapons offense, the Administration shall advise the Board of School Directors. The decision of whether to require the student to continue to serve the remainder of the expulsion by the other school entity shall be made by the Board of School Directors, or a duly designated Committee thereof, following a hearing held solely for the purpose of determining the legitimacy of continuing the expulsion. At such a hearing, the expulsion shall be presumed to be a valid disciplinary action which may be rebutted by the student and/or his/her parents/guardians only by clear and convincing evidence.
POLICY NO. 218.150

WEAPONS

a—At such a hearing, the prior determination of guilt by another school entity will be binding on the Board of School Directors and shall not be subject to questions. Parents are estopped from challenging the student’s guilt.

b—The student shall be required to serve the remainder of the expulsion where the student’s guilt is established (by prior record information from the former school entity) and the Keystone Oaks Board of School Directors (or a Committee thereof) determines that expulsion is the appropriate punishment.

Nothing set forth herein shall impact upon the rights, if any, of special needs students in this situation.
