part of the District's educational program.

Section 2

Definitions

For the purposes of this policy, **dissemination** shall mean students distributing or publicly displaying non-school materials to others:

1. On school property or during school-sponsored activities by placing such materials upon desks, tables, on or in lockers, walls, doors, bulletin boards, or easels; by handing out such materials to other persons; or by any other manner of delivery to others; or
2. At any time or location when creating or sending information using email, websites, online platforms, social media channels or other technological means that are owned, provided or sponsored by the District.

~~**Distribution**—students handing non-school materials to others on school property or during school-sponsored events; placing upon desks, on or in lockers; or engaging in any other manner of delivery of non-school materials to others while on school property or during school functions. When email, text messaging or other technological delivery is used as a means of distributing or accessing non-school materials via use of school equipment or while on school property or at school functions, it shall be governed by this policy. Off-campus or after hours distribution, including technological distribution, that does or is likely to materially or substantially interfere with the educational process, including school activities, school work, or discipline and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights is also covered by this policy.~~

Expression —means verbal, written, technological or symbolic representation or communication ~~including the wearing of buttons, badges or armbands.~~

Non-school materials —means any printed, technological or written materials, regardless of form, source, or authorship,

materials are resubmitted for approval.

If notice of disapproval is not given during the period between submission and the time for the planned dissemination, students may consider the request approved and proceed with dissemination as requested, subject to all other established procedures and requirements relating to time, place and manner of dissemination. Students may nonetheless be directed to cease or suspend dissemination if it is later determined that the materials or the dissemination of them are in violation of this policy or implementing rules and procedures.

Students who disseminate printed non-school materials shall be responsible for clearing any litter that results from their activity and shall schedule the event so that they do not miss instructional time themselves.

Printed non-school materials displayed in a fixed location of a school building shall bear the date when placed in each location. The District may remove the materials within ten (10) days of the posting or other reasonable time as stated in applicable procedures.

~~The building principal or designee shall notify the students prior to the planned distribution or posting whether they may post or distribute the material or whether they may not post or distribute the materials because the materials constitute a violation of Board policy.~~

~~All non-school materials shall include the name of the student who is distributing or posting the non-school material or who represents an organization or group distributing or posting the material, and the name of any such organization or group.~~

~~Students who post or distribute non-school materials in compliance with this provision may still be ordered to desist from such distribution if the materials are later found to be unprotected expression under this policy.~~

Considering that alternate means of distribution will be provided, students shall not distribute hard copy of written material in hallways or otherwise inside of the school building except as authorized by the building principal.~~

Posting of Non-school Materials

~~If a school building has an area where individuals are allowed to post non-school materials, students may post such items as well, if the materials do not constitute unprotected expression and the items are submitted for prior review in the same manner as if the students were going to distribute them.~~

~~Such materials shall be limited to announcing the time, place, and purpose of meetings and events.~~

~~Such materials shall be officially dated, and the District may remove the materials within ten (10) days of the posting or other reasonable time as stated in the administrative regulations or procedures relating to posting.~~

Review of Student Expression

Review of non-school materials proposed for dissemination shall be conducted promptly so as to avoid unreasonable delay in dissemination.

Section 2

Definitions

For purposes of this policy, controlled substances shall include all:

1. **Controlled substances prohibited by federal and state laws. ~~Restricted Drugs~~**—Includes opiates, hallucinogens, marijuana, steroids, barbiturates, heroin, morphine, alcohol, cocaine, tranquilizers, amphetamines, mood altering inhalants, and any and all those substances as designated as “controlled substances” and prohibited by the ~~Controlled Substance Drug, Device and Cosmetic Act, or any comparable or related state or federal statute or regulation.~~
2. **Look-a-Like ~~Drugs, Substance, Liquid or Device~~**—A non-controlled drug, substance, liquid or device which, in its overall appearance substantially resembles in size, shape, color and/or markings or lack thereof, a controlled substance, drug, liquid, alcoholic substance or device, or which is packaged or enclosed in a container substantially similar to that accompanying or containing a specific controlled substance, liquid, drug, alcoholic substance or device.
3. **Alcoholic beverages ~~Substance~~**—A substance intended for consumption with percentage alcohol content, including but not limited to liquor, beer, wine and grain alcohol. A substance containing alcohol for medical purposes and necessary to the treatment of an existing condition shall not be included within this definition if properly registered with the school nurse.
- 3.4. **Anabolic steroids.**
5. **Drug Paraphernalia**—Includes those items listed in the ~~Controlled Substance, Drug, Device and Cosmetic Act, as well as any material(s) fashioned with the intent to use. Drug paraphernalia shall also include any forged, stolen, or blank prescription forms.~~

- 6. Any volatile solvents or inhalants, such as but not limited to glue and aerosol products.
- 7. Substances that when ingested cause a physiological effect that is similar to the effect of a controlled substance as defined by state or federal law.
- 4.8. Prescription or nonprescription (over-the-counter) medications, except those for which permission for use in school has been granted pursuant to Board policy.

Pol. 210, 210.1

- ~~5. **Use**—Means to ingest, inhale, inject, imbibe or otherwise cause a restricted drug or alcohol to reach the bloodstream or digestive tract.~~
- ~~6. **Possession**—The possession of any restricted drug, alcohol, any material purported to be such (look-alike or imitation drugs) or drug paraphernalia. The finding of any such restricted materials in a student’s locker shall be deemed to constitute possession by the student. Any such restricted materials found in an automobile used by a student and located on school property shall also result in the student being deemed to be in possession of the restricted material.~~
- ~~7. **Distribution**—To give possession of a restricted drug, alcohol, any material purported to be such (look-alike or imitation drugs) or drug paraphernalia to another person, whether or not for compensation for sale.~~
- ~~8. **Student Assistance Team**—School District designated multidisciplinary team trained in awareness and understanding of chemical use, abuse and dependency. The responsibility of the Team is to receive referrals, collect, and analyze data concerning each referral, and to make recommendations regarding each referral.~~
- ~~9. **Cooperative Behavior**—The willingness of the student to work with staff and school personnel in a reasonable and helpful manner. Cooperative behavior shall include, but not be limited to, the student’s compliance with requests and/or recommendations made by the Student Assistance Team.~~

**POLICY NO. 227
CONTROLLED SUBSTANCES/PARAPHERNALIA**

~~10. **Uncooperative Behavior**—Includes the resistance or refusal, either verbal, physical or passive, on the part of the student to comply with the reasonable request or recommendations of school personnel. Defiance, assault, deceit, destruction of property and flight shall constitute examples of uncooperative student behavior. For purposes of this policy, uncooperative behavior shall also include refusal of the student and/or his or her parent or guardian to comply with the requests and/or recommendations of the Student Assistance Team.~~

For purposes of this policy, **under the influence** shall include any consumption or ingestion of controlled substances by a student.

For purposes of this policy, **look-alike drug** shall include any pill, capsule, tablet, powder, plant matter or other item or substance that is designed or intended to resemble a controlled substance prohibited by this policy, or is used in a manner likely to induce others to believe the material is a controlled substance.

Section 3

Authority

The Board prohibits students from using, possessing, distributing, and being under the influence of any controlled substances during school hours, at any time while on school property, at any school-sponsored activity, and during the time spent traveling to and from school and to and from school-sponsored activities.

The Board may require participation in drug counseling, rehabilitation, testing or other programs as a condition of reinstatement into the school's educational, extracurricular or athletic programs resulting from violations of this policy.

In the case of a student with a disability, including a student for whom an evaluation is pending, the district shall take all steps required to comply with state and federal laws and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

Section 3

Restrictions on Student Conduct/ Procedures

- ~~1. The possession, sale, use and/or distribution of any amount of alcohol, restricted drugs, look-alike drugs or drug paraphernalia are strictly forbidden. This prohibition applies while a student is on school grounds, is anywhere during a school sponsored activity, occurring before, during, and/or after school hours, is anywhere under the jurisdiction of the school district or while using school district provided transportation. Students in violation of the prohibition will be subject to the provisions and procedures contained in Board Policies regarding suspension or exclusion from school.~~
- ~~2. The use by any student of any amount of alcohol or restricted drugs prior to attending school or any school sponsored activity or event, or being carried by school district provided transportation, regardless of the time of day of his/her attendance at school or the school sponsored activity or event, or the time of day of the transportation, and/or regardless of the location of the activity or event, is also strictly prohibited, and will subject the student to suspension or expulsion from school in accordance with applicable Board policies.~~
- ~~3. The appropriate school authorities, building principal or designee, shall notify the police and/or other appropriate authorities of any incident in violation of this policy and obtain positive identification of the substance involved as expeditiously as possible.~~
- ~~4. A student may not possess or use any prescription or non-prescription drug except in accordance with district policies. Notwithstanding the foregoing, a student who brings a prescription or non-prescription drug to school in compliance with the aforementioned policies shall still be prohibited from selling or otherwise distributing the~~

~~5.—Any student who, prior to being cited or investigated for a violation of this policy, voluntarily comes to a district staff member seeking help for a drug or alcohol use/abuse problem shall be exempt from the disciplinary aspects of this policy. This exemption shall be granted if, in his/her professional opinion, the Superintendent, principal or designee, believes that the student is acting in good faith to seek help to address his or her problem.~~

~~6.—Any student engaged in activities prohibited by this policy will be referred to the Student Assistance Team. The Student Assistance Team will process the student as a referral, issue behavioral assessment forms to the teacher(s) of the student, collect and evaluate the feedback, and interview the student and/or parents or guardians.~~

~~a.—Recommendations will be established and discussed with the Administration. Final recommendations will be made to the student and his/her parents or guardians by the Administration at a recommendation conference.~~

~~b.—With the exception of those students referred to in paragraph (5) above, a student who does not agree to and comply with the Administration's recommendations within two (2) weeks of the recommendation conference may be subject to further disciplinary action by the Administration and Board of School Directors.~~

~~In the case of a student with a disability, including a student for whom an evaluation is pending, the District shall take all steps required to comply with state and federal laws and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.~~

~~Upon finding that a newly enrolled student is presently expelled from any private or public school for an offense other than a drug or alcohol offense, the Administration shall advise the Board of School Directors. The decision of whether to require the student to continue to serve the remainder of the expulsion by the other school entity shall be made by the Board of School Directors, or a duly designated Committee thereof, following a hearing held solely for the purpose of determining the legitimacy of continuing the expulsion. At such a hearing, the expulsion shall be presumed to be a valid disciplinary action which may be rebutted by the student and/or his/her parents/guardians only by clear and convincing evidence.~~

~~1. At such a hearing, the prior determination of guilt by another school entity will be binding on the Board of School Directors and shall not be subject to questions. Parents are estopped from challenging the student's guilt.~~

~~Counselors will reinforce the instructional program by providing group guidance programs to students. The focus of these programs at the prevention level will be to reinforce awareness and to develop good health practices, self-esteem, coping and decision-making skills and conflict resolution skills.~~

~~Intervention is required or warranted when a student is identified as a student at risk and/or the behavior of the student jeopardizes his/her health, safety, or welfare or that of other students or staff. In addition, intervention is mandated when a student is observed using alcohol or restricted drugs.~~

~~The Student Assistance Team functions as a unit to facilitate the identification, referral, and intervention processes. To assist the team, a drug and alcohol specialist from the base service units Alternative Drug/Alcohol Assessment Program is available to do a drug and alcohol student assessment within the schools. The specialist's assessment and recommendations are made available to the Team, student and student's family after requisite written permission is acquired.~~

~~Teachers, administrators, support staff, and parents/guardians initiate referrals to the Student Assistance Team as a result of observed changes in behavior, attendance and/or performance which may be drug or alcohol related. Referrals can also be initiated by peers, individual students and as a result of drug and alcohol policy violations. The Observable Behavior Checklist documents observable changes. Such documentation with additional data is necessary for the Team to begin its identification process and to develop intervention strategies. These strategies include, but are not limited to:~~
