

Education Committee

Meeting Minutes

August 27, 2019

6:00 p.m. Board Room

Chairperson: Mrs. Lydon

District Liaison: Dr. Varley

- I. Planetarium/Astronomy Course – A high school student presented a proposal to raise funds to revitalize the planetarium as her Girl Scout project. The focus will be on funding a projector with a cost between \$5,000-10,000. Dr. Stropkaj will serve as the mentor for the project.
- II. NMSI Sustainment – This is our last year in the grant and the District is exploring low cost options to continue the focus and growth
- III. Enrollment Update, including cyber - Enrollment was discussed, including any additions because of the change in software
- IV. Summer Programs Debriefing – Dr. Varley discussed the summer reading camp program
- V. Pennsylvania Literacy Framework – This will be a focus for professional development this year
- VI. Professional Development – Trauma Informed Education was discussed
