- II. Head Start MOU – Our annual MOU for pre-K transition is in process and will be moved forward for board approval in January or February.
- III. Forthcoming Science Standards – New updated PDE science standards are in the review stage. These will be implemented, with new assessments, in 2024-25. These standards are based on the Next Generation Science Standards. Mrs. Tricia Kreitzer, grades 6-12 Science Curriculum Leader, will attend a Train the Trainer virtual conference in December, as part of the district’s preparation.
- IV. Elementary Social Studies Textbook Review – This process will begin after the holidays
- V. KO Elementary Cyber Program – Program is going very well. Mrs. Rosgone and Mrs. Graham just held a virtual Halloween party so the students could be part of an activity.
