

Greetings from Keystone Oaks School District. We have opened up enrollment for our One-to-One device protection program.

Your Keystone Oaks School District is partnering with One2One Risk Solutions to provide accident and loss protection for our school's one to one program. Registering with One2One and purchasing a damage waiver will protect you from the full cost to repair or replace your district-issued device and limit your responsibility to a per-occurrence deductible, should a loss occur.

Please visit www.one2onerisk.com and select "Enroll My Device" to get started.

Go to <https://www.one2onerisk.com/>
