Guide

Adopted NOVEMBER 15, 2007

Revised NOVEMBER 17, 2020

POLICY NO. 256
BULLYING/CYBERBULLYING

Section 1

Purpose

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

Section 2

Definitions

Bullying means an intentional electronic, written, verbal, or physical act, or series of acts directed at another student or students, which occurs in a school setting that is severe, persistent, or pervasive and has the effect of doing any of the following:

1. Substantially interfering with a student’s education.
2. Substantially disrupting the orderly operation of the school.
3. Creating a threatening environment.

Bullying, as defined in this policy, includes cyberbullying.

School setting means in the school, on school grounds, in school vehicles, on contracted school vehicles, at a designated bus stop, or at any activity sponsored, supervised, or sanctioned

by the school and/or District. This shall also include hours in which a student would be considered “present” during synchronous virtual instruction, anytime a student is using a district owned device, is on the district network and/or using a district provided learning management platform.

The District reserves the right to investigate acts of bullying that occur outside the school setting if those acts meet the definition of **bullying**(above).

**Section 3**  
**Authority**

The Board prohibits all forms of bullying by district students.

No student, person in parental relation, coach, sponsor, volunteer or district employee shall engage in, condone or ignore any form of hazing.

The Board encourages students who believe they or others have been bullied to promptly report such incidents to any staff member.

Students are encouraged to use the District’s report form (103-AR-1), available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that verbal and written complaints of bullying shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of bullying brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be bullying under this policy but merits review and possible action under other Board policies.
