**MARK J. ELPHINSTONE**  
DIRECTOR OF ATHLETICS

ELPHINSTONE@KOSD.ORG

Dear Parents/Guardians of the Keystone Oaks School District Student Athletes:

I am looking for help this season at administrating this very crucial guideline. If your son or daughter were to become injured during a sporting event we have highly qualified athletic trainers or paramedics attending all sporting events, please refrain from entering any athletic playing field while your child is being attended to by these qualified professionals. Our athletic trainers Guy Sanchioli and Monique Testa must be permitted to treat the injury and they will update you as soon as possible. By following this guideline your athlete and all other athletes' will receive better care and attention. Thank you for your help in this matter.

Thanks

Mark J. Elphinstone  
Athletic Director
