ASSESSMENT SYSTEM

THIS POLICY SHALL SUPERSEDE POLICY 213.

Section 1 Purpose

The Board recognizes its responsibility to develop and implement an assessment system that will evaluate a student’s progress toward meeting Pennsylvania Core and Academic Standards and provide information for improving the educational program.

Section 2 Definition

Assessment shall be the system of measuring and recording student progress and achievement that enables the student, parents/guardians and teachers to:

a. Determine a student’s attainment of established academic standards.

b. Learn the student’s strengths and weaknesses.

c. Plan a future career for the student in areas of greatest potential for success.

d. Know where remedial or enrichment work is required.

Such assessment shall measure the student's progress against both his/her own potential for achievement and the achievements of others in the class, as appropriate to the grade level and subject matter.

### ASSESSMENT SYSTEM

The Superintendent or designee shall provide information regarding the achievement of academic standards to the PA Department of Education when requested; such information shall not include student names, identification numbers or individually identifiable information.

The Superintendent or designee shall recommend improvements in the educational program, curriculum, and instructional practices based upon student assessment results.

The Superintendent or designee shall develop assessment procedures which include the following:

- Each student should know the teacher’s expectations at the outset of any course of study.
- Each student shall be kept informed of his/her progress during the course of a unit of study.
- Methods of assessing shall be appropriate to the course of study and the maturity of students.
- Assessment should objectively evaluate and reward students for their efforts.
- Students should be encouraged to assess their own achievements.
- All assessment systems are subject to continual review and revision.
- Staff, students, and parents/guardians should be involved in the continuing program of grading review.

ASSESSMENT SYSTEM

The District shall provide assistance to students in attaining academic standards and personal academic growth. The District shall inform students and parents/guardians about how to access such assistance.

Students with disabilities and ELL (English Language Learner) students shall participate in assessments, with appropriate accommodations when necessary.

The following types of assessments will be utilized to assist in measuring student achievement:

1. Norm and criterion referenced assessments.
2. Formative and summative assessments.
3. Projects and performances.

Each classroom teacher is expected to provide students with a clear understanding of the assessment practices related to their individual course. Grades assigned should reflect the achievement based upon the specific criteria expected in the course and outlined by the teacher.

Extra credit assignments will not be given by teachers so that a student may improve his/her final letter grade, without inclusion in the course syllabus, curriculum, or pre-approval by the Director of Curriculum, Instruction, Assessment, and Staff Development. Points may not be added to the final grade. All students must be provided the same opportunity to earn said extra credit.

At Keystone Oaks High School, quality points are values assigned for the purpose of determining an average letter grade. Honor and AP classes have weighted value for grades of a C or better. The values are as follows:

KEYSTONE OAKS SCHOOL DISTRICT

Title HOME EDUCATION

Adopted August 21, 1989

Last Revised February 8, 2006; February 16, 1998

POLICY NO. 137
HOME EDUCATION

Section 1 Authority Purpose

Home education programs for students of compulsory school age residing in the school district shall be conducted in accordance with state law and regulations.

HOME EDUCATION

Act 169 of 1988 created a home education option designed to permit parents, guardians and legal custodians to conduct a home program for their children.

Through the following process the superintendent provides information to home schoolers and then monitors such programs to ensure that each child receives an appropriate education.

Section 2 Definitions Authority

Definition of Appropriate Education – Appropriate education shall be a program consisting of instruction in the required subjects for the time required by law in Act 169 and in which the student demonstrates sustained progress in the overall program.

Hearing examiner – shall not be an officer, employee or agent of the Department of Education or of the school district or intermediate unit of residence of the child in the home education program.

Definition of Home Education Program – Home education shall be defined as a program conducted in compliance with the law
POLICY NO. 137
HOME EDUCATION

by the person in parental relation parent or guardian or such
person having legal custody of the child or children. The parent
or guardian, called a “supervisor,” must hold a high school
diploma or its equivalent and has broad responsibility for the
appropriate education of the child. A home education program
shall not be considered a nonpublic school under the provisions
of law.

Supervisor – the person in parental relation who is responsible
for providing instruction, provided that such person has a high
school diploma or its equivalent.

Section 3  Delegation of Responsibility

The Superintendent or designee shall develop and distribute
administrative regulations for registering and monitoring home
education programs.

Section 4  Guidelines

A. Definition of Hearing Supervisor

The Superintendent exercises certain responsibilities
concerning home education programs for resident
children before they begin, and to review the programs to
assure that a child educated at home receives an
appropriate education.

In doing so, the superintendent will follow provisions
that address affidavits, disabled students, portfolios,
review, and written evaluation, certification, notices of
hearings, loan of materials, and transfers.

Notarized Affidavits

Prior to the commencement of Before the home education
program, and annually thereafter on August 1, schooling of any
child begins, the person in parental relation child’s parent,
guardian, or legal custodian who will be responsible for the
provision of instruction to the child must file an notarized
affidavit with the Superintendent setting forth the information
required by law. of the child’s district of residence. The affidavit
must contain the following:
POLICY NO. 137
HOME EDUCATION

1. The name of the supervisor, the name and age of each child in the program, and the address and phone number of the program site.

Instructional Program

The instructional program for home education students shall include such courses as required by law.

2. An outline of proposed educational objectives, by subject area, for the subjects required by law. These subjects are to be offered in the English language and include:

   a. Elementary Level
      (1) English, to include Spelling, Reading, and Writing;
      (2) Arithmetic;
      (3) Science;
      (4) Geography;
      (5) Civics;
      (6) Safety Education, including regular and continuous instruction in the dangers and prevention of fires;
      (7) Health and Physiology;
      (8) Physical Education;
      (9) Music

   b. Secondary Level
      (1) English, to include Language, Literature, Speech, and Composition;
      (2) Science;
      (3) Geography;
      (4) Social Studies, to include Civics, World History, History of the United States and Pennsylvania;
      (5) Health;
      (6) Safety education, including regular and continuous instruction in the dangers and prevention of fires;
POLICY NO. 137
HOME EDUCATION

(7) Mathematics to include
   — General Mathematics, Algebra,
   — and Geometry;
(8) Art;
(9) Music;
(10) Physical Education

At the secondary school level, such courses may include, at the discretion of the supervisor of the home education program:

(1) Economics;
(2) Biology;
(3) Chemistry;
(4) Foreign Languages;
(5) Trigonometry;
(6) Or other age appropriate courses
   — as contained in Chapter 5
   — (Curriculum Requirements) of State Department of Education.

c. The following minimum courses at the secondary level (when child reaches progress level to achieve to the corresponding grade level) are established as a requirement for completion of a home education program:

(1) Four years of English;
(2) Three years of Mathematics;
(3) Three years of Science;
(4) Three years of Social Studies;
(5) Two years of Arts and Humanities.

3. Evidence of the child’s immunization and that the child has received health services, or has a religious exemption under Section 14-1419 of Pennsylvania Statutes annotated

4. Assurance that the education program meets the requirements of this
POLICY NO. 137
HOME EDUCATION

Act.

5. Certification that the supervisor and all adults living in the home and other custodial adults have not been convicted of criminal offenses listed in Section III(E) of Act 34, within the last five years immediately preceding the date of the affidavit. An Act 34 Criminal History Record is not required.

Loan of Instructional Materials

The school district may, at the request of the supervisor, lend to the home education program copies of the school’s district’s planned courses, textbooks and other curriculum materials corresponding appropriate to the student’s age and grade level. The opportunity to cooperate with supervisors of home education programs in the loan of materials should be welcomed by the district as a way to positively affect the home schooled child’s education.

Student Portfolio and Evaluations

For each student participating in the home education program, the supervisor shall:

1. Maintain a portfolio of records and materials.

2. Provide an annual written evaluation of the student’s education progress.

After filing the affidavit and commencing home education, the parent or home education supervisor has a duty to demonstrate that appropriate education is occurring. In order to make this demonstration, the home education supervisor must provide and maintain on file a detailed portfolio of records and materials for each student in home education. The portfolio must contain the following:

1. A contemporaneous log of instructional activity which identified by title the reading materials used.
2. Sample of any writings, worksheets, workbooks, or creative materials used or developed by each child;
3. In grades 3, 5, and 8, the results obtained on a “nationally-normed standardized achievement test” approved by the Department of Education for home school supervisors to use. The supervisor shall ensure that the nationally-normed standardized tests are not administered by the child’s parent or guardian. The Department has approved nine nationally-normed standardized tests for home school use. They are:

a. Iowa Test of Basic Skills,
b. California Achievement Test,
c. Stanford Achievement Test,
d. Metropolitan Achievement Test,
e. Science Research Associates
f. Comprehensive Test of Basic Skills
g. Comprehensive Testing Program (CTPIII)
h. Wide Range Achievement Test
i. Peabody Individual Test

The district encourages parents to have this evaluation done yearly so that they may gauge student growth.

Graduation Requirements

The following minimum courses in grades 9 through 12 are established as a requirement for graduation in a home education program: four (4) years of English; three (3) years of mathematics; three (3) years of science; three (3) years of social studies; and two (2) years of arts and humanities.

Diplomas and Graduation Ceremony

Students who complete all of the graduation requirements of the home education program shall receive a high school diploma issued by the supervisor or an approved diploma-granting organization.

Keystone Oaks School District does not award a diploma or otherwise acknowledge the completion of a home-educated student’s education. Home educated students have several alternatives for diplomas, such as: correspondence school diplomas, the GED, and accredited home schoolers’ organizations.
### POLICY NO. 137
#### HOME EDUCATION

If requested, the home educated student may participate in the graduation ceremony even though they would not receive a Keystone Oaks diploma.

**Students With Disabilities/Federal Students**

Section 1327 provides that a home education program meets the compulsory attendance requirements for students with a disability identified as disabled only when the program addresses the specific needs of the exceptional student and is approved by a licensed clinical or certified psychologist or a teacher with a valid Pennsylvania certificate from the Commonwealth to teach special education, a licensed clinical psychologist or a certified school psychologist. Written notices of such approval must be submitted with the required notarized affidavit.

The supervisor of a home education program may request that the school district or intermediate unit of residence provide services that address the specific needs of a the exceptional student with a disability in the home education program.

When the provision of services is agreed to by both the supervisor and the school district or intermediate unit, all services shall be provided in district the public schools or in a private school licensed to provide such programs and services.

**Appropriate Education/Compliance Determination**

**Certification after Review and Interview**

A home education evaluator shall certify that an appropriate education is occurring in the home education program based upon an interview of the child and the results of the portfolio review. The supervisor shall submit the certification to the Superintendent by June 30 of each year. If the supervisor fails to submit the certification, the Superintendent shall send a letter to the supervisor notifying the supervisor that s/he has ten (10) days to submit the certification.

Any person selected by the supervisor can conduct the annual
POLICY NO. 137
HOME EDUCATION

review and evaluation, as long as he or she satisfies the above-listed statutory requirements or has the prior approval of the superintendent of the school district of residence and is not the parent or guardian of the child in question.

B. Notice of Hearing

Based on the documentation provided, if the superintendent has a reasonable belief at any time that appropriate education may not be occurring in the home education program, submit a letter, return receipt requested, to the supervisor requiring an evaluation be conducted and that an evaluator’s certification stating his or her opinion that an appropriate education is not occurring be submitted to the District by the supervisor within thirty (30) days. The letter shall include the basis for the Superintendent’s reasonable belief.

As required by law, all letters shall be sent by certified mail, return receipt requested, and the time for submission of the requested documentation begins upon receipt of the letter.

Hearings

If the supervisor fails to submit a certification as required, the Board shall provide a hearing by a qualified and impartial hearing examiner within thirty (30) days.

If the hearing examiner finds that an appropriate education is not taking place in the home education program, the home education program will be determined out of compliance; and the student will be enrolled promptly in a district school, a nonpublic school or a licensed private academic school.

All documentation shall be returned to the supervisor and must specify what aspect or aspects of the documentation are inadequate. The superintendent may retain a copy of the documentation if he or she so chooses.

Upon receipt of the certified letter, the supervisor of the home
education program shall have 20 days to submit additional documentation demonstrating that appropriate education is taking place for the child in the home education program. If documentation is not submitted within that time, the home education program for the child shall be out of compliance with the compulsory attendance requirements and the student shall be promptly enrolled in the public school district of residence or a nonpublic school or a licensed private academic school.

If additional documentation is submitted and the superintendent determines that the additional documentation submitted still does not demonstrate that appropriate education is taking place in the home education program, he or she shall so notify the supervisor of the home education program by certified mail, return receipt requested, and the school board shall provide for a proper hearing by a duly qualified and impartial hearing examiner within 30 days. The “Hearing Examiner” shall not be an officer, employee or agent of the Department of Education or of the school district or intermediate unit of residence of the child in the home education program. A solicitor or superintendent from another district could, if impartial, carry out this function. The examiner shall render a decision within 15 days of the hearing except that he or she may require the establishment of a remedial education plan mutually agreed to by the superintendent and supervisor of the home education program. The decision of the examiner may be appealed by either the supervisor or the superintendent to the Secretary of Education or the Commonwealth Court.

**Appeal**

The supervisor or Superintendent may appeal the decision of the hearing examiner to the Secretary of Education, Commonwealth Court or Court of Common Pleas. The home education program may continue during the appeals process.

**Transfers**

If a home education program is relocating to another Pennsylvania school district, the supervisor must request from the

---

SC 1327.1
POLICY NO. 137
HOME EDUCATION

Superintendent a letter of transfer for the home education program. The request of the home education program must be made by registered mail thirty (30) days prior to the relocation, to the superintendent of the district in which he or she currently resides, requesting a letter of transfer for the home education program to the district to which the home education program is relocating.

The current superintendent of residence shall issue the letter of transfer within no later than thirty (30) days after receipt of the supervisor’s registered mail request of the home education program supervisor.

The supervisor shall file the letter of transfer with the Superintendent of the new district of residence.

If the home education program is out of compliance with Section 1327.1, the superintendent of the current district of residence shall inform the home education supervisor and the superintendent of the new district of residence to which the home education program is relocating of the status of the home education program and the reason for the denial of the letter of transfer.

If the home education program is in hearing procedures, the superintendent of the current district of residence must inform the home education supervisor, the assigned hearing examiner and the superintendent of the new district of residence to which the home education program is relocating of the status of the home education program and the reasons for the denial of the letter of transfer.

The letter of transfer must be filed by the supervisor of the home education program with the superintendent of the new district of residence.

In the case of pending proceedings, the new district of residence is informed of pending proceedings related to a home education program relocating to the District, s/he shall continue the home education program until the appeal process is finalized.
C. Review and Written Evaluation

At least annually, the work in the portfolio must be reviewed. One of the following persons must prepare an annual written evaluation of each student’s educational progress:

1. a licensed clinical or school psychologist;
2. a teacher certified by the Commonwealth of Pennsylvania who possesses the specific qualifications for evaluators in Section 13-1327.1(e)(2);
3. a nonpublic school teacher or administrator with at least two years experience within the past ten years in a Pennsylvania public or nonpublic school who possesses the specific qualifications for evaluations in Section 13-1327.1(e)(2).

D. Submission to Superintendent

The portfolio and the annual written evaluation shall be provided to the superintendent of the school district of residence at the conclusion of each public school year. The superintendent must then determine whether the child is receiving an “appropriate education,” defined in Section 1327.1 as “a program consisting of instruction in the required subjects for the time required in this act and in which the student demonstrates SUSTAINED PROGRESS in the overall program.” ANY TIME during the school year that the superintendent has a reasonable belief that appropriate education may not be occurring in the home education program, the superintendent may by certified mail, return receipt requested, require submission of the portfolio within 15 days and written evaluation within 30 days. Superintendents should exercise authority whenever there is good reason to believe that a child is not demonstrating “sustained progress in the overall program.”
E. Student Activities

Home schooled students are eligible to participate in the District’s extracurricular activities to the same extent, and subject to the same conditions, as students enrolled in the District.

In this context, “extracurricular activities” shall be those clubs, performances, musical ensembles, sports and theatrical productions and other activities available to regularly enrolled students which

a. are sponsored by the School District or approved by the Board of School Directors;
b. are not offered for credit toward graduation;
c. are conducted partially or entirely outside the regular instructional day; and

d. are available to any student who voluntarily elects to participate and to be subject to the eligibility requirements of the activity.

The District’s athletic program, including varsity sports, and encompassing all activities relating to competitive sports, contests, games, events or exhibitions involving individual students or student teams, whether intramural or interscholastic, shall be deemed to extracurricular in nature.

Eligibility requirements for home school students shall be the same as those for regularly enrolled students in the District. Specifically, regularly enrolled and home schooled students must meet the same eligibility and try-out criteria, if any, for positions on teams, or in clubs, organizations, etc., and shall be subject to the same rules, policies and directives of the coaches, advisors, leaders and/or administrators involved with the extracurricular activity.

Home school students shall also comply with the participation policies, by-laws, rules and regulations of the governing organizations of the extracurricular activities, including, but not limited to, the Pennsylvania...

HOME EDUCATION

Interscholastic Athletic Association (PIAA), the Pennsylvania Music Educators Association (PMEA), and the Pennsylvania High School Speech League (PHSSL).

Where the District’s extracurricular activity requires completion of a physical examination or medical test as a condition of participation, the District shall permit home schooled students access to the physical examination or medical test to the same extent that such access is offered to students enrolled in the District, and publish the dates and times of such physical examination or medical test in the Pittsburgh Post Gazette and on the District's website.

Cooperation With Home Educators

In the District’s view, friendly compliance with the home education law is in the best interest of the children. Therefore, Keystone Oaks School District will allow, upon request of the home education supervisor, students to take:

a. Nationally normed tests,

b. health tests,

c. health, art, music, and physical education, and

d. extracurricular activity participation.

### Section 1

**Authority**

The Board shall approve participation in the District’s extracurricular activities and interscholastic athletic programs by a student enrolled in a Home Education Program if all of the following conditions are met:

1. The student is a resident of the school district.
2. There is no violation of interscholastic athletic rules.
3. The student fulfills all eligibility criteria required for participation in an activity by district students, in accordance with Board Policy 122 Extracurricular Activities and Policy 123 Interscholastic Athletics.

The Board shall not provide individual transportation for students enrolled in a Home Education Program who participate in the District’s extracurricular activities or interscholastic athletic programs. When the District provides transportation to and from an away competition, game, event or exhibition and requires district students to use district transportation, Home Education Program students shall be required to use the transportation provided by the District.

The Board may require the Home Education Program to pay the cost of the expenses for its students’ participation in the District’s extracurricular activities or interscholastic athletic programs.

Section 2

Guidelines

Home Education Program students shall be given an equal opportunity to compete for positions and participate in extracurricular activities and interscholastic athletic programs.

A Home Education Program student may only participate in extracurricular activities and interscholastic athletic programs at the school building the student would normally be assigned to if he/she was enrolled in the school district.

If a class for credit held during the school day by the District is required for participation in activities that take place outside of the class, Home Education Program student shall not be eligible to participate in such activities.

The following guidelines shall govern participation in the District’s extracurricular activities and interscholastic athletic programs by eligible Home Education Program school students, who shall:

1. Meet the same eligibility criteria required of district students, in accordance with applicable Board policies and administrative regulations.

2. Maintain appropriate insurance coverage, consistent with the coverage requirements for district students.

3. Comply with Board policies and school rules and regulations regarding extracurricular activities, interscholastic athletics, and student discipline.

4. Comply with policies, rules and regulations of the activity’s governing organization.

5. Meet attendance and reporting requirements established for all participants of the activity or program.

6. Meet the requirements for physical examinations, physical fitness and any height and/or weight restrictions.
POLICY NO. 137.1
EXTRACURRICULAR PARTICIPATION BY HOME EDUCATION STUDENTS

7. Comply with all requirements and directives of the District staff, coaches and administrators involved with the extracurricular activity or interscholastic athletic program.

Section 3 Delegation of Responsibility

The building principal or designee shall receive and review written verification from the Home Education Program that a student has met and continues to meet the established eligibility criteria for an extracurricular activity or interscholastic athletic program.

The District shall distribute information regarding eligibility criteria and student participation in extracurricular activities and interscholastic athletics to all affected by them.

The District shall develop a procedure to ensure that Home Education Program students have access to information regarding the District’s extracurricular activities and interscholastic athletic programs.

POLICY NO. 139
CHARTER SCHOOLS

Section 1
Purpose

In order to provide students, parents/guardians and community members an opportunity to establish and maintain schools that operate independently from this school district, the Board shall evaluate applications submitted for charter schools located within the district, in accordance with the requirements of law Act 22 of 1997 and those established by this Board.

The Board shall work cooperatively with individuals and groups submitting proposals and applications for charter schools.

Section 2
Definitions

“Appeal Board” means the State Charter School Appeal Board established by the Charter School Law.

“Charter School” means an independent, nonsectarian public school established and operated under a charter from the local Board of School Directors and in which students are enrolled or attend. A charter school must be organized as a public, nonprofit corporation; and charters may not be granted to any for-profit entity nor to support home schooling programs.

Local Board of School Directors (Board), means with respect to a proposed or approved charter school located within the Boroughs of Castle Shannon, Dormont and/or Green Tree, or the Board of School Directors of another school district in which,
POLICY NO. 139  
CHARTER SCHOOLS

if a proposed or approved charter school is located there.

“Regional Charter School” means an independent public school established and operated under a charter from more than one local Board of School Directors and approved by an affirmative vote of a majority of all Board members of each of the school districts involved.

### Section 3 Authority

The Board shall ensure that each charter school application provides appropriate assurances of compliance with the requirements of the Charter School Law and any additional requirements established by the Board.

The Board shall evaluate submitted applications for charter schools based on the criteria established by law, regulations, and any additional criteria required determined by the Board.

A charter school application shall be approved or denied by a majority vote of all Board members at a public meeting, in accordance with the provisions of the law-Sunshine Act. Written notice of the Board’s decision shall be sent to the applicant, Department of Education and the Appeal Board. If the application is denied, the notice shall include reasons for denial and a clear description of application deficiencies if the application is denied. The Board shall evaluate denied applications that are revised and resubmitted.

Upon approval of a charter application, designated representatives of the Board, and the charter school’s Board of Trustees shall sign the written charter, which shall be binding on both. The charter shall be for a period of three (3) to five (5) years and may be renewed for five-year periods by the Board.

The Board may approve a leave of absence for up to five (5) years for a district employee to work in a charter school located within in the Keystone Oaks School District of employment or in a regional charter school in which the Keystone Oaks School District is a participant. If such approval is granted, the employee shall have the right to return to a comparable position (but not necessarily the same position) within the Keystone Oaks School-District. Nothing set forth

Moreover, temporary professional employees are advised that the Keystone Oaks School District will NOT grant tenure to a temporary professional employee on leave from this District to teach in a charter school located in the District, upon completion of the appropriate probation period based in whole or part on the employee’s teaching service in a charter school located within the School District.

The Board shall annually assess whether each charter school is meeting the goals of its charter and shall require each charter school to submit an annual report no later than August 1 of each year.

The Board shall conduct a comprehensive review prior to granting a five-year renewal of the charter.

The Board shall have ongoing access to the records and facilities of the charter school to ensure that the charter school is in compliance with its charter, Board policy and applicable laws.

In cases where the health or safety of the charter school’s students, staff or both is/are at serious risk, the Board may take immediate action to revoke a charter.

The Board affirms that the Board of Trustees and the charter school shall be solely liable for any and all damages and costs of any kind resulting from any legal challenges involving the operation of a charter school. The local

Neither the Keystone Oaks School District nor its Board of School Directors shall not be held liable for any activity or operation related to the program of a charter school.

Each approved charter school shall be required to execute a “Hold Harmless” and Indemnification Agreement indemnifying and insuring/agreeing by which it agrees to hold harmless and indemnify the Keystone Oaks School District, its Board of School Directors, officers, employees, successors and

assigns to defend the District in any and all kinds of claims or of liability areas so that the District and Board are protected in any litigation of any kind whatsoever, including without limitation, attorneys fees and costs, asserted by or on behalf of any individual or person, resulting from, arising out of, or in any way related to the operation of the charter school.

Section 4  Delegation of Responsibility

Applications for charter schools shall be submitted to the Superintendent or designee, who shall be responsible for communicating and cooperating with all applicants.

The Superintendent or designee shall be responsible to discuss with applicants technical assistance and contracted services that may be provided by the District.

Section 5  Guidelines

A charter school shall be subject to all federal and state laws and regulations prohibiting discrimination in admissions, employment and operation on the basis of disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry or need for special education services or any other protected class.

A charter school shall submit monthly enrollment figures and other required reports to the District, as stated in the charter.

Transportation

The District shall provide transportation to resident students attending a charter school located in the District, a regional charter school of which the District is a member, and a charter school located within ten (10) miles outside district boundaries, in accordance with distance requirements established for district students.

Transportation shall be provided to charter school students on the dates and periods that the charter school is in session, regardless of whether transportation is provided to district students on those days.
