POLICY NO. 610
PURCHASES SUBJECT TO BID/QUOTATION

Section 1 Purpose

It is the policy of the Board to obtain competitive bids for products and services where such bids are required by law or where such bids may be believed to bring about a cost savings to the School District.

Section 2 Guidelines

The amounts contained in this policy regarding competitive bid and price quotation requirements are subject to adjustments based on Pennsylvania law and are published annually by the Department of Labor and Industry.

Act 57 of 1998 allows for the District to enter into cooperative purchasing programs such as COSTARS, PEPPM, and KPN. Items or services purchased using any of these programs are not subject to the bidding/quotatation requirements as described in this policy.

Competitive Bids

When seeking competitive bids for an amount greater than or equal to the base amount for competitive bidding ([$19,100] per law, the Board shall advertise once a week for three (3) weeks in not less than two (2) newspapers of general circulation and on the District website.

After due public notice advertising for competitive bids, the Board shall be authorized to:
### POLICY NO. 610
**PURCHASES SUBJECT TO BID/QUOTATION**

1. Purchase furniture, equipment, school supplies and appliances costing greater than or equal to the base amount for competitive bidding [$19,100]^{1} per law unless exempt by law.

2. Contract for construction, reconstruction, repairs, maintenance or work on any school building or property having a total cost or value greater than or equal to the base amount for competitive bidding [$19,100]^{1} per law unless exempt by law.

The Board prohibits the practice of splitting purchases to avoid advertising and bidding requirements.

With kind, quality, and material being equal, the bid of the lowest responsible bidder meeting bid specifications shall be accepted upon resolution of the Board, unless the Board chooses to reject all bids.

Not having sufficient quotes from multiple bidders on a line item basis (i.e. a significant number of items would be “sole sourced”) may be a basis for rejection of all bids.

The Board recognizes that emergencies may occur when imminent danger exists to persons or property or the continuance of existing school classes is threatened, and time for bidding cannot be provided because of the need for immediate action. In such case, competitive bids are to be solicited from at least three (3) responsible bidders and approval granted by the Secretary of Education.

**Electronic Bidding**

The Board may receive bids electronically in compliance with applicable laws and Board policy.

The District shall electronically maintain the confidentiality of the bid until the bid opening.

Competitive Electronic Auction Bidding

The Board shall adopt a resolution approving the use of competitive electronic auction bidding for contracts for supplies or services.

An invitation for bids shall be issued and shall include:

1. Procurement description.

During the auction, bidders shall be able to review their bid rank or the low bid price, and may reduce their prices during the auction.

At the conclusion of the auction, the record of the bid prices received and the name of each bidder shall be open to public inspection.

After the auction period has expired, the district shall grant in writing withdrawal of a bid when the bidder requests relief and presents credible evidence of a clerical mistake due to reasons permitted by law, within the time period established by the District.

The contract shall be awarded within sixty (60) days of the auction by written notice to the lowest responsible bidder, or all bids may be rejected. Extensions of the award date may be written, upon mutual consent of both parties.
POLICY NO. 610  
PURCHASES SUBJECT TO BID/QUOTATION

Price Quotations

Unless exempt by law, at least three (3) written or telephonic price quotations shall be requested by the Board for:

1. Furniture, equipment, school supplies and appliances costing a greater than or equal to the base amount for quotation [$10,300]1, but less than the base amount established annually per law for competitive bidding [$19,100]1.

2. All contracts for construction, reconstruction, repairs, maintenance or work on any school building or property, having a total cost or value greater than or equal to the base amount for quotation [$10,300]1, but less than the base amount established annually per law for competitive bidding [$19,100]1.

If it is not possible to obtain three (3) quotations, a memo must be kept on file showing that fewer than three (3) qualified vendors exist in the market area.

For supplies, contracts, and professional services (excluding student services) costing greater than or equal to $5,000, and not subject to the bidding and quotation requirements of Pennsylvania, the Board requires that the District advertise the request for goods or services on the District website for no less than 14 days. At least three (3) price quotations must be solicited from responsible vendors. If it is not possible to obtain three (3) quotations, a memo must be kept on file showing that fewer than three (3) qualified vendors exist in the market area.

Materials or supplies to be furnished, sold, or leased to the District, unless exempt by statute, having an aggregate value of more than $10,000 are subject to competitive bid; and all contracts for work to be done, unless exempt by statute.

Written or telephone price quotations shall be required from at least three (3) qualified and responsible contractors for all contracts that exceed $4,000 but are less than $10,000. A written record shall be made of these quotations and shall contain the date of the quotation, name of contractor, contractor’s

representative, and the construction, reconstruction, repair, maintenance or work of the quotation.

The written price quotations, records or telephone price quotations and memoranda shall be kept on file for a period of three (3) years.

In lieu of price quotations, the Board shall keep on file a memorandum showing that fewer than three (3) qualified contractors exist in the market area which it is practicable to obtain quotations.

Work Performed By District Maintenance Personnel

The Board may authorize district employees to perform construction, reconstruction, repairs or work where the entire cost or value, including labor and materials is less than the base amount required for quotation [$10,300] per law.

Like items The Director shall combine like items of supply and material shall be combined whenever it is feasible, and permissible under statute, and not split purchases shall not be split to avoid these requirements for bidding.

The Secretary is authorized to advertise for bids in accordance with statutory procedures without prior approval of the Board, but shall inform the Board of such action at the meeting next following. Records shall be kept in sufficient detail to show that a reasonable number of qualified vendors were invited to bid.
POLICY NO. 610
PURCHASES SUBJECT TO BID/QUOTATION

Bids shall be opened publicly by the Director of Fiscal Services, the Superintendent, or his/her designee before one (1) or more witnesses at a previously designated time and place. Contracts shall be awarded to the lowest responsible bidder upon resolution of the Board, unless the Board chooses to reject all bids.

The Administration shall develop procedures for presenting detailed bid tabs/quotes to the Board and to the public within the bounds of the law and will develop/maintain consistent templates for all RFP documents used by the District.

A Bid Bond or an acceptable substitute is required. A Performance Bond or a certified check is required for any services or work performed.

Nonperformance of a contract shall include, but not be limited to, the following actions: verbal discussion, letter requesting performance and legal action against the Performance Bond.

The Board also recognizes that emergencies may occur when imminent danger exists to persons or property or the continuance of existing school classes is threatened, and time for bidding cannot be provided because of the need for immediate action. In such case, competitive bids are to be solicited from at least three responsible bidders and approval granted by the Secretary of Education.

Whenever a contractor shall submit a bid for the performance of work and contractor later claims a mistake, error or omission in preparing said bid, the contractor shall, before the bids are open, make known the fact and in such case the bid shall be returned unopened.

Footage, percentage of time used/occupied, etc.) if possible. Any remaining depreciation may be recorded as unallocated.

Depreciation shall be computed on a straight-line basis over the useful lives of the assets, using an averaging convention. Normal maintenance and repairs shall be charged to expense as incurred; major renewals and betterments that materially extend the life or increase the value of the asset shall be capitalized. A schedule of accumulated depreciation shall be consistent from year to year.

The Director of Fiscal Services or his/her designee shall prepare the required Management Discussion and Analysis (MD&A). The MD&A shall be in the form required by GASB Statement Number 34.

The school district’s independent auditors shall review the MD&A, in accordance with SAS No. 52, “Required Supplementary Information.”

### Section 4

**Guidelines**

In order to associate debt with acquired assets and to avoid net asset deficits, any asset that has been acquired with debt proceeds shall be capitalized, regardless of the cost of the asset. The asset life of these assets shall be considered relative to the time of the respective debt amortizations.

For all other assets not acquired by debt proceeds, the dollar value of any single item for inclusion in the fixed assets accounts shall be not less than $5,000.

**Depreciable capital assets** are non-consumable material purchases with a life expectancy of greater than one (1) year. The actual useful life will be based upon specific utilization. Items may be grouped by year of acquisition and include: buildings, building improvements, portable classrooms, vehicles, leasehold improvements, technology, audiovisual equipment, kitchen equipment, athletic equipment, musical instruments, library books, maintenance and grounds equipment, and furniture and fixtures.

**Non-depreciable capital assets** include: land, land improvements (cost incurred to ready land for its intended use
and that does not lose its value such as excavation, fill grading, landscaping, etc.), construction-in-progress, easements, rights of way, historical treasures, and works of art.

**Infrastructure assets** are long-lived capital assets that normally can be preserved for a significantly greater number of years than most capital assets. Infrastructure assets are normally stationery in nature, such as roads and bridges. Buildings, except those that are an ancillary part of a network of infrastructure assets, should not be considered infrastructure assets. Other examples of non-infrastructure assets that are incidental to a school’s property include: fencing, retaining walls, irrigation systems, athletic courts, fields and tracks, private use sewer facilities and water lines, area lighting, drives, parking lots, sidewalks, curbs, and gutters.

Management should consider, in conjunction with the local auditor, the use of salvage value on those capitalized assets that have a resale value at the end of their useful life.

All capitalized assets shall be recorded at historical cost at acquisition date. For any asset acquired prior to the date of initial inventory, historical cost will be established based on replacement cost indexed backwards to the date of acquisition. These estimates will be performed by an authorized outside agency or Board-authorized valuation firm.

Capital assets that are sold or disposed of will be removed from the District’s inventory tracking database. Depreciation will be calculated and recorded to the date of sale or disposition. Resulting differences in proceeds/deficits will be recorded as a Gain/Loss, respectively, on the sale or disposition of the asset.

Donated assets, gifts of property, shall be recorded at fair market value at the time of receipt.

Assets that fall below the capitalization threshold for GASB 34 reporting purposes may still be significant for insurance, warranty service, and obsolescence/replacement policy tracking purposes. The District may record and maintain these non-GASB 34 asset inventories in subsidiary ledgers.

Policy Guide

Policy No.  626

Section  FINANCES

Title  FUND BALANCE

Adopted

Revised

POLICY NO. 626
FUND BALANCE

Section 1  Purpose

The Board recognizes that the maintenance of a fund balance is essential to the preservation of the financial integrity of the school district and is fiscally advantageous for both the school district and the taxpayer. This policy establishes goals and provides guidance concerning the desired level of year-end fund balance to be maintained by the school district.

Section 2  Authority

The Board directs that the fund balance reporting shall be consistent with GASB Statement 54 and with the Pennsylvania School Code including but not limited to 24 P.S. § 2-218 and 6-688.

Section 3  Definitions

Fund Balance – the difference between total assets and total liabilities, and can be referred to as fund equity.

There are five (5) Fund Balance categories: non-spendable, restricted, committed, assigned and unassigned.

1. Non-spendable – that portion of the fund balance that cannot be spent because it is either in a non-spendable form or legally or contractually required to be maintained intact.
### POLICY NO. 626

**FUND BALANCE**

2. **Restricted** — that portion of the fund balance that is constrained to be used for a specific purpose as per an external party or law.

3. **Committed** — that portion of the balance that is to be used for a specific purpose as per a School Board motion. These constraints can be removed or changed by equal level action.

4. **Assigned** — that portion of the balance that is to be used for an amount that is intended for a particular purpose or segregation of an amount intended to be used at some time in the future.

5. **Unassigned** — that portion of the fund balance that represents expendable available resources. It is the residual after the non-spendable, restricted, committed and assigned portions are deducted from the total fund balance.

### Section 4

**Guidelines**

The school district will strive to maintain an unassigned general fund balance of not less than five percent (5%) and not more than eight percent (8%) of the budgeted expenditures for that fiscal year.

The total fund balance, consisting of several portions including committed, assigned, and unassigned, may exceed eight percent (8%).

Unassigned Fund Balance should not be utilized as a revenue source to offset current operating expenditures. Interest income generated by the maintenance of a Fund Balance will be used to balance the General (Operating) Fund budget and to offset fluctuation in tax revenues needed to maintain ongoing programs and services.

At the end of each fiscal year, unassigned funds in excess of eight percent (8%) of budgeted expenditures, as certified by the local auditors of the school district, shall be transferred to the Capital Reserve Fund of the school district or such other reserve.
POLICY NO. 626
FUND BALANCE

funds designated by the Board of School Directors. Expenditures may be made from reserve accounts only upon the approval of the Board of School Directors. If the unassigned portion of the fund balance falls below the threshold of five percent (5%), the Board will pursue variations of increasing revenues and decreasing expenditures, or a combination of both until five percent (5%) is attained. If the unassigned portion of the fund balance exceeds eight percent (8%) of budgeted expenditures, the Board may utilize a portion of the fund balance by appropriating excess funds for nonrecurring expenditures only.

Section 4 Delegation of Responsibility

The responsibility for designating funds to specific classifications shall be as follows:

1. Non-spendable – may be assigned by the Director of Fiscal Services.

2. Restricted – may be assigned by the Director of Fiscal Services.

3. Committed – shall be assigned by the Board.

4. Assigned – may be assigned by the Superintendent or his/her designee.

The Superintendent or designee shall be responsible for the enforcement of this policy.

## Section 1  
### Purpose

The objective of this policy is to advance the District's commitment to hiring qualified persons available for district positions, and to ensure that personnel management decisions are made based upon the District’s needs and individual merit. Fulfilling this commitment requires that the District maintain an atmosphere free of nepotism and the appearance of nepotism. ## Section 2  
### Authority

It is the policy of the Board to prevent nepotism, in actuality or appearance, to the fullest extent possible under law. In addition, hiring and other personnel actions shall be further governed in this regard by the guidelines, set forth below. The provisions of this policy are in addition to existing provisions of law restricting nepotism, including but not limited to the Public School Code of 1949 (regarding hiring and dismissal of professional employees) and the Pennsylvania Ethics Act (regarding conflicts of interest).
